Foreword (2025 Edition)	17
Introduction	20
Chapter 1. Abu Dhabi as it was	
1.1 Where is Abu Dhabi? How did one get there?	25
1.2 The United Arab Emirates and the people	28
1.3 Governance: the sheikhs and authority	33
1.4 Only a man of the desert can really appreciate fresh water	34
1.5 The economy: wealth, poverty and hope	36
1.6 The British as administrators were at arm's-length	38
1.7 The Political Resident and the Political Agent appeared to be all-powerful	40
1.8 The distant British authorities in Bombay and London	41
1.9 The arrival of the British oil company in 1935	41
1.10 How the first geologists saw Abu Dhabi	43
1.11 Early visitors: administrators, adventurers, academics	46
Chapter 2. How the Middle East oil industry started	
2.1 Oil before the motor car. What use was it?	52
2.2 William Knox D'Arcy, the financier and armchair speculator	53
2.3 George Reynolds: the engineer, the man on the spot and his roughnecks	55
2.4 Lieutenant Arnold Wilson, later Sir Arnold Wilson, MP	56
2.5 From the Anglo Persian Oil Company (APOC) to British Petroleum (BP)	57
2.6 We return to where it started in Iraq with Gulbenkian (Mr 5 per cent)	58
2.7 The Iraq Petroleum Company (IPC) and the Red Line agreement	59
2.8 A summary of developments in the Gulf's oil industry	64
2.9 The Trucial Coast and two very unusual men	65
2.10 Haji Abdulla Fadhel Williamson, the adventurer	66
2.11 Major Frank Holmes, the concession broker	70
2.12 The IPC/PCL manager, Longrigg, and his view of Holmes	76
2.13 The attitude of the British Government towards the Trucial Coast	78
2.14 How big is Abu Dhabi, according to HMG?	81

From Pearls to Oil

2.15	What did the company know about the size of Abu Dhabi?	84
2.16	And what the company should have known	87
2.17	My conclusion	91

Chapter 3. Back to the beginning and then to continue the story of oil discovery

3.1	Lord Curzon sent a geologist from India to the Gulf	93
3.2	A first for APOC and Reynolds was drilling	94
3.3	From where does crude oil come?	97
3.4	How do they find oil and who is involved?	98
3.4.1	The role of the geologist	98
3.4.2	The geophysicist has a vital part to play	100
3.4.3	The petroleum engineer is involved too	101
3.5	Back to some history and the next initiative	103
3.6	After the First World War, APOC sent Lees to the Trucial Coast	104
3.7	The Trucial Coast within the Red Line	107
3.8	Abu Dhabi needs fresh water	108
3.9	The first visit of Cox, an APOC geologist, to Abu Dhabi	109
3.10	Sheikh Shakhbut's priority was water	109
3.11	Cox was also interested in oil prospects	111
3.12	British exclusion of foreigners and French anger	112
3.13	Iraq Petroleum Company (IPC) as the vehicle for expansion	113
3.14	IPC create a new company for work outside Iraq, the Petroleum Concessions Limited (PCL)	116
3.15	Cox's second visit to Abu Dhabi – Abu Dhabi has water after rain	117
3.16	APOC pass the responsibility for work on the Trucial Coast to IPC but IPC/PCL are not ready	118
3.17	A visit to Ra's al-Khaimah and the first option agreement	119
3.18	The Sheikdom of Abu Dhabi and the Ruler visits Iraq	121
3.19	Holmes gives the impression of being everywhere	123
3.20	And Haji Williamson negotiates the first Abu Dhabi agreement	124
3.21	The Trucial Coast option agreements	125

Chapter 4. Petroleum Concessions Limited (PCL): The first years 1935–36

4.1	PCL consider activity on the Trucial Coast	127
4.2	The India Office approve the transfer of the options to PCL	128
4.3	HMG tell PCL that they may start negotiations, but not yet	132
4.4	AIOC send letters to the Rulers while PCL are over-optimistic	133
4.5	PCL believed that 'Concessions would be obtained in two to three months'	134
4.6	India Office conditional approval to start negotiations, but not yet	135
4.7	And the Political Resident tells the Rulers	135

Contents

4.8	Why Holmes?	136
4.9	Was it Longrigg who promoted Holmes' candidacy?	137
4.10	Holmes' appointment did not find favour among other British	138
4.11	What about the Rulers and other people in the Gulf?	141
4.12	The three active players, two Hajis and a Major	142
4.13	The Bahrain merchant, Haji Yusuf bin Ahmed Kanoo	143
4.14	Holmes' activities in the Gulf prior to 1936	145
4.15	Holmes receives his commission from Skliros in London	146
4.16	Holmes arrives in the Gulf while HMG's bureaucratic wheels turn slowly	148
4.17	Holmes did not meet Haji Williamson for de-briefing	150
4.18	HMG's preoccupation with security	153
4.19	The company and the size of the Rulers' lands	156

Chapter 5. 1936, an unexpectedly frustrating year

5.1	Holmes waiting to get to work	159
5.2	The problem of fixing the borders of the sheikhdoms	162
5.3	Holmes receives a visitor	164
5.4	The Political Resident in Bushire says that negotiations may start	165
5.5	Holmes goes to Dubai for the first time	166
5.6	Mysterious letters at Ra's al-Khaimah	167
5.7	Holmes remains comfortable sitting in Dubai and Sharjah	171
5.8	Family disagreements and a murder attempt	176
5.9	Holmes sends a letter with a messenger to Abu Dhabi	178
5.10	Holmes leaves the Trucial Coast for rest and recuperation	180
5.11	PCL set up a base in Bahrain	182
5.12	Holmes tries to rid himself of Haji Williamson	184
5.13	How far does a Ruler's authority extend geographically?	186
5.14	Packer arrives in Bahrain and PCL get to work	189
5.15	Kanoo the loyal businessman was very helpful	191
5.16	Panic as opposition agents threaten	192
5.17	HMG involvement at all stages	195

Chapter 6. Geological progress in 1937 as PCL get to work, under the watchful eye of HMG

6.1	Coaling stations to refineries and the Refinery Agreement	198
6.2	The Political agreement. Dubai first	199
6.3	The Rulers have to give security assurances for PCL in the desert	200
6.4	Can a Ruler assert himself in the interior of the land?	201
6.5	Winter 1936–37, the first major geological survey on the Trucial Coast	203
6.6	The geologists arrive and get to work	204
6.7	And what was the result of the geologists' efforts	206
6.8	And what did Haji Williamson have to say?	209

From Pearls to Oil

6.9	The geologists become impatient with Haji Williamson	210
6.10	The geological report for winter 1936–37	213
6.11	The new company, PCL, dispense with the two experienced Hajis	216
6.12	Holmes returns to the Gulf	217
6.13	Holmes fails to deliver the first agreement (Dubai)	219
6.14	The political strong arm	221
6.15	Packer in Bahrain, ignored by Holmes	223
6.16	Borders are an issue	225

Chapter 7. Intrigues and doubts

7.1	Haji Williamson has a problem in Dubai	230
7.2	Haji is banned from Dubai	231
7.3	Skiros and Longrigg in London support Holmes	233
7.4	What were the other Rulers thinking of PCL?	235
7.5	Intrigue, and the pressure grows on Haji Williamson	236
7.6	Haji Williamson calls in at Bahrain on his way home to Basra	238
7.7	Holmes and the Dubai concession	241
7.8	Dubai Agreement signed and the Ruler sees the Political Agreement for the first time	242
7.9	A few concurrent developments. Holmes goes to Sharjah	245
7.10	The Political Agent hears alarming words from Sheikh Shakhbut	246
7.11	PCL are a British company	248
7.12	Haji Williamson to be denied a visa to the Trucial Coast	249
7.13	Haji Williamson treated unfairly	251
7.14	HMG were active too	253
7.15	Was Holmes really not trying, or did he have other ideas?	255
7.16	No concession for Holmes at Sharjah?	257
7.17	The ‘trump card’	260
7.18	And back to Holmes in Sharjah	261
7.19	Sheikh Sultan bin Saqr, Ruler of Sharjah, is ready to sign but now HMG are not ready	263
7.20	And so to Ra’s al-Khaimah	263
7.21	Holmes sends a letter to Abu Dhabi	265
7.22	Holmes leaves the Trucial Coast, never to return	267

Chapter 8. PCL open a new chapter

8.1	Holmes has gone and Fowle orders a halt in negotiations	269
8.2	Lermitte, PCL’s new negotiator	272
8.3	HMG deal the ‘trump card’ and the Ruler of Ra’s al-Khaimah reacts	274
8.4	Lermitte in the dark	275
8.5	Events take a surprising turn as Sheikh Shakhbut and Kanoo act	276

Contents

8.6	But Longrigg in London and Fowle in Bushire are not so interested	278
8.7	Lermitté's first visit to the Trucial Coast and he calls on Sheikh Shakhbut	280
8.8	Ruler of Sharjah signed at last	282
8.9	And on to Ra's al-Khaimah	282
8.10	PCL want to send in the geologists again	285
8.11	But Fowle refuses to let the geologists loose	286
8.12	What about the borders? The territorial grab	289
8.13	Do not apportion blame for slow progress	294
8.14	Some Arab press, and Abdur Razzaq, the Residency Agent in Sharjah	296
8.15	Longrigg comes to the Trucial Coast – not quite	298
8.16	Aerial surveys	299
8.17	So what had PCL achieved by the end of 1937?	303

Chapter 9. More mischief and no more concessions for PCL

9.1	Longrigg's brief visit to the Gulf – all at sea	306
9.2	The Political Resident Fowle goes ashore while Longrigg sails to Bahrain	310
9.3	Longrigg and the aerial survey	311
9.4	Sheikh Shakhbut bin Sultan, Ruler of Abu Dhabi and the 'trump card'	312
9.5	Sheikh Shakhbut and PCL	314
9.6	Sheikh Shakhbut receives Lermitté kindly but hardens his stance	318
9.7	How was Lermitté getting on with the other Rulers on the Trucial Coast?	324
9.8	Haji Williamson was never forgotten on the Trucial Coast	327
9.9	Who was the 'chief obstructionist' on the Coast?	332
9.10	Was Sheikh Shakhbut being difficult?	336
9.11	Sheikh Shakhbut collected tax, he did not trade	338
9.12	Sheikh Shakhbut's concerns	341
9.13	Holmes' presence is 'undesirable'	342
9.14	What were HMG doing?	345
9.15	What were PCL doing in London?	346
9.16	IPC in London name a new company PD(TC)	347
9.17	And what were the geologists doing?	348

Chapter 10. Some further progress at last?

10.1	An aerial survey would be very useful	350
10.2	PCL in London	352
10.3	IPC/PCL's other operations on the Arabian Peninsula	353
10.4	HMG challenged but still in command	354
10.5	Planning a trip for the geologists – and frustration	355
10.6	A PCL geological party sets out from Muscat while the Trucial States party is stalled	360
10.7	Longrigg comes to the Trucial Coast – at last	361
10.8	An unexpected breakthrough in Abu Dhabi (of sorts)	364

From Pearls to Oil

10.9	Excitement and some geology near Buraimi/Al Ain	365
10.10	Thompson's party arrives from Muscat	366
10.11	T. F. Williamson in Buraimi	369
10.12	Life gets tough for Williamson in Buraimi	370
10.13	Williamson's geological report on the Sheikdom of Buraimi	375
10.14	And what did HMG think of PCL's geological jaunt	377
10.15	Landing ground again	377
10.16	Longrigg still in Sharjah	378

Chapter 11. At last, serious negotiations with Sheikh Shakhbut bin Sultan

11.1	Longrigg the enigma	382
11.2	Longrigg's first visit to Abu Dhabi	383
11.3	Longrigg breaks off negotiations to go to Bahrain for forty-eight hours	385
11.4	Sheikh Shakhbut was not alone at the meetings with Longrigg	387
11.5	Negotiations resume with Sheikh Shakhbut bin Sultan	388
11.6	Sheikh Shakhbut and Longrigg reach agreement	388
11.7	HMG have some criticisms of the agreement	391
11.8	What was the Groups' attitude in London?	393
11.9	The agreement	394
11.10	Meanwhile, what was Lermite doing?	396
11.11	PCL plan to send the geologists back to work	399
11.12	Sheikh Shakhbut is going to be very helpful	401
11.13	But there is a price to pay	405
11.14	The geologists are to be confined to the Trucial Coast	407
11.15	War breaks out in September 1939	408
11.16	The geological map	408
11.17	Lermite guards the silver at Dubai, while Sheikh Shakhbut asks for more	409
	Epilogue	413
