## VII Preface

Lamprecht, M. (Graz)

### Selected Off-Mainstream Sport Supplements

#### 1 Beta-Alanine Supplementation in High-Intensity Exercise

Harris, R.C. (Newmarket); Sale, C. (Nottingham)

#### 18 Arginine and Citrulline Supplementation in Sports and Exercise: Ergogenic Nutrients?

Sureda, A.; Pons, A. (Palma de Mallorca, Illes Balears)

#### 29 Dietary Nitrate and O<sub>2</sub> Consumption during Exercise

Jones, A.M.; Bailey, S.J.; Vanhatalo, A. (Exeter)

#### 36 GABA Supplementation and Growth Hormone Response

Powers, M. (Poughkeepsie, N.Y.)

### Nutritional Interventions and Athlete's Health

#### 47 Exercise, Intestinal Barrier Dysfunction and Probiotic Supplementation

Lamprecht, M. (Graz); Frauwallner, A. (Vienna/Graz)

#### 57 Pleuran ( $\beta$ -Glucan from *Pleurotus ostreatus*): An Effective Nutritional Supplement against Upper Respiratory Tract Infections?

Majtan, J. (Bratislava)

#### 62 Bovine Colostrum and Immune Function after Exercise

Davison, G. (Chatham)

#### 70 Supplementation with Mixed Fruit and Vegetable Concentrates in Relation to Athlete's Health and Performance: Scientific Insight and Practical Relevance

Lamprecht, M. (Graz)

#### 86 Cherry Juice Targets Antioxidant Potential and Pain Relief

Kuehl, K.S. (Portland, Oreg.)

#### 94 Impact of Milk Consumption and Resistance Training on Body Composition of Female Athletes

Josse, A.R.; Phillips, S.M. (Hamilton, Ont.)

## Hydration and Fluid Balance

**104 Glycerol Use in Hyperhydration and Rehydration: Scientific Update**  
van Rosendal, S.P.; Coombes, J.S. (Brisbane, Qld.)

**113 Salt and Fluid Loading: Effects on Blood Volume and Exercise Performance**  
Mora-Rodriguez, R.; Hamouti, N. (Toledo)

**120 Milk Protein and the Restoration of Fluid Balance after Exercise**  
James, L. (Loughborough)

## Current Aspects of Recovery

**127 Chocolate Milk: A Post-Exercise Recovery Beverage for Endurance Sports**  
Pritchett, K.; Pritchett, R. (Ellensburg, Wash.)

**135 Role of Supplementary L-Carnitine in Exercise and Exercise Recovery**  
Huang, A.; Owen, K. (Basel)

## Supplementation and Inadvertent Doping

**143 Supplements and Inadvertent Doping – How Big Is the Risk to Athletes?**  
Judkins, C. (Fordham); Prock, P. (Basel)

**153 Author Index**

**154 Subject Index**
