The *Photo Guide* series is as informative and practical as a travel guide, but as lavishly illustrated as a coffee-table book. Each guide is packed with all the important information you need to make your visit a success and is complemented by an atlas section to help you find your way around. Expert writers provide an insight into the history and culture of each region, highlight top sights and excursions, and recommend local hotels and restaurants. Special features on the most beautiful cities and the best excursions combine with detailed and accurate maps to make sure you get the most out of your trip.
