

INHALT

Concentrated Solar Power Systems combined with MED-Plants

Massimo Moser, Institut für technische Thermodynamik (DLR)

Operation Experience from Australia and Qatar coupling Solar CSP collector and MED-TVC Desalination System

Dr. Hendrik Müller-Holst, fischer eco solutions GmbH

Operation Experience from Australia CSP collector coupled with MED-TVC Plant

Lukas Kirscht, sunlis GmbH

Planning and Structuring of a MED-CSP Plant

Claus R. Mertes, DME GmbH

How to Assess Heat Output of Concentrating Solar Thermal Systems

Lutz Sommer, Suntrace GmbH

Basic Engineering of a MED-CSP 500 m³/d Plant

Dr. Süleyman Yüce, S.T.E.P. Consulting

Performance Guarantee in Desalination Plants

Dr. Volker Kraus, Münchener Rück Insurance
