Foreword by Heiko Bleher & Hans J. Mayland	8
Acknowledgements	12
Discus – an introduction	14
How to use this book	22
Chapter 1: The History of Discus	26
<i>First discovery</i>	28
<i>The second discus</i>	41
<i>Discoveries in the 20th century</i>	48
Chapter 2: The Taxonomy of Discus	108
<i>Heckel's work</i>	108
<i>Pellegrin's description</i>	114
<i>Schultz's revision</i>	118
<i>Kullander's synonyms</i>	130
<i>Taxonomy comments by Jacques Géry & Heiko Bleher</i>	134
Chapter 3: Distribution	140
<i>The distribution of discus</i>	142
<i>Distribution of the discus variants</i>	144
<i>Maps of the discus regions (maps 1-8)</i>	146
Chapter 4: Discus Variants in Nature	162
<i>The Heckel discus (Symphysodon discus)</i>	164
<i>The green discus (Symphysodon aequifasciatus)</i>	178
<i>The brown discus & the blue discus (Symphysodon haraldi)</i>	190

Chapter 5: Natural Habitats of Discus & Collecting	214
<i>Habitats, including different water types, chemical parameters, and temperatures</i>	216
1. Belém and surrounding area; Rio Tocantins; island of Marajó and Jari; Rio Xingú	216
2. Rio Paru to Santarém; Santarém-Tapajós region; Alenquer region; Óbidos and surrounding area	242
3. Oriximiná and Trombetas region; Rio Nhamundá region; Parintins region; Rio Uatumã; Rio Urubu	288
4. Maués region and Rio Abacaxís; Rio Madeira region; Manacapuru region	332
5. Rio Negro region; Rio Branco region	354
6. Purus region; Tapauá region	395
7. Coari region; Tefé region; Rio Japurá; Rio Juruá region	432
8. Rio Jutai; Tonantins and Rio Içá; São Paulo de Olicença; Tabatinga-Benjamin Constant region; Leticia-Putumayo (Colombia and Peru); Nanay region (Peru)	468
Water types, chemical parameters, and temperatures – a summary	504
<i>Discus nutrition in the wild</i>	510
– Detritus	512
– Vegetable material (flowers, fruits, seeds, leaves)	514
– Algae and micro-algae	540
– Aquatic invertebrates	560
– Terrestrial and arboreal arthropods	578
– A summary of the discus diet in the wild	590
<i>Discus communities – sympatric species & predators</i>	596
Collecting	624
Glossary	640
References	647
Index	656
Photo credits	670
