<b>Ion Channels and Plant Stress: Past, Present, and Future .....</b>	<b>1</b>
Nobuyuki Uozumi and Julian I. Schroeder	
<b>The Role of Ion Channels in Plant Salt Tolerance .....</b>	<b>23</b>
Anna Amtmann and Mary J. Beilby	
<b>Cation Channels and the Uptake of Radiocaesium by Plants .....</b>	<b>47</b>
Philip J. White, Lea Wiesel, and Martin R. Broadley	
<b>Ion Channels in Plant Development .....</b>	<b>69</b>
Anuphon Laohavisit and Julia M. Davies	
<b>Potassium and Potassium-Permeable Channels in Plant Salt Tolerance .....</b>	<b>87</b>
Sergey Shabala and Igor I. Pottosin	
<b>Regulation of Ion Channels by the Calcium Signaling Network in Plant Cells .....</b>	<b>111</b>
Weihua Wu, Yi Wang, Sung Chul Lee, Wenzhi Lan, and Sheng Luan	
<b>The Role of Cyclic Nucleotide-Gated Channels in Cation Nutrition and Abiotic Stress .....</b>	<b>137</b>
Christen Y.L. Yuen and David A. Christopher	
<b>The Function of Cyclic Nucleotide-Gated Channels in Biotic Stress .....</b>	<b>159</b>
Wei Ma, Keiko Yoshioka, Chris Gehring, and Gerald A. Berkowitz	

<b>New Approaches to Study the Role of Ion Channels in Stress-Induced Signalling: Measuring Calcium Permeation in Plant Cells and Organelles Using Optical and Electrophysiological Techniques .....</b>	<b>175</b>
Armando Carpaneto, Paul Vijay Kanth Gutla, and Franco Gambale	
<b>Vacuolar Ion Channels: Roles as Signalling Mechanisms and in Plant Nutrition .....</b>	<b>191</b>
Frans J.M. Maathuis	
<b>Reactive Oxygen Species, Oxidative Stress and Plant Ion Channels .....</b>	<b>207</b>
Vadim Demidchik	
<b>Index .....</b>	<b>233</b>
