

Part I Fundamentals

1	Nomenclature and Epidemiology	3
	References	13
2	Basic Sciences, Clinical Evaluation and Investigations	15
2.1	Posture and Balance	15
2.2	Neurotransmitters	19
2.3	Vestibulo-Ocular Reflex	19
2.3.1	Translational VOR	20
2.4	Past Pointing	22
2.4.1	Dysdiadokinesia	23
2.4.2	Dysarthria	23
2.4.3	Intention Tremor	23
2.4.4	Cerebellar Nystagmus	23
2.5	Hypotonia	24
2.6	History and Clinical Examination	28
2.6.1	Questionnaire	28
2.6.2	Basic Clinical Examination	33
2.7	Head Impulse Test	36
2.8	Fukuda and Unterberger's Test	37
2.9	Romberg's Test	38
2.10	Past Pointing	38
2.11	Dix–Hallpike Test	38
2.12	Oscillopsia	41
2.13	Nijmegen Scoring	42
2.13.1	Nijmegen Questionnaire	42
2.14	Cerebellar Tests	43
2.15	Haematological Tests	44
2.15.1	Other Lab Investigations	45
2.16	Radiology	45
2.17	Vestibular Investigations	47
2.17.1	VNG in the Investigation of Vertigo	48
2.17.2	VEMP	49

2.18	Video Head Impulse Test (vHIT)	53
2.19	Audiometry	54
2.20	Objective Audiological Assessment (Otoacoustic Emissions) . . .	56
2.21	Auditory Brain Response (ABR)	57
2.22	Behavioural Tests	57
2.22.1	Visual Response Audiometry (VR)	57
2.22.2	Pure Tone Audiometry	57
2.23	Speech Discrimination Audiometry	58
	References	58

Part II Clinical Conditions

3	Meniere's Disease	63
3.1	Lermoyez's Syndrome	79
	References	79
4	Benign Paroxysmal Positional Vertigo (BPPV)	81
4.1	Epley's Manoeuvre: How I Do It	83
4.2	Semont's Manoeuvre: How I Do It	86
	References	89
5	Vestibular Migraine	91
	References	102
6	Cervical Vertigo/Labyrinthitis/Ototoxicity	103
6.1	Vestibular Neuronitis	104
6.2	Viral Labyrinthitis	107
6.3	Vestibular Compensation	108
6.4	Motion Sickness/Travel Sickness	108
6.5	Perilymph Fistula	109
6.6	Ototoxicity	110
	References	112
7	Chronic Suppurative Otitis Media (CSOM)	113
	Reference	118
8	Central Causes	119
8.1	Acoustic Neuroma	119
8.2	Multiple Sclerosis	124
	References	126
9	General Causes	129
9.1	Cardiovascular Diseases	129
9.2	Vertebrobasilar Insufficiency	130
9.3	Noise	132

9.4	Miscellaneous Causes of Vertigo	137
	References	138
10	Paediatric Clinical Conditions	141
10.1	Vertigo in Children	141
	References	159
 Part III Rehabilitation and Ethical Issues		
11	Rehabilitation	163
	References	174
12	Vertigo in the Elderly: Quality of Life and Some Ethical Issues . . .	177
12.1	Epilogue	188
	References	189
