

Table of Contents

1. Introduction	1
1.1 A Milestone of Kenya's Development in the Eyes of the Kenyan People	1
1.2 Research Perspectives for Analyzing the THIP	3
1.3 The Relation between Disciplines as Research Motivation	5
1.4 Outline of the Thesis.....	6
2. Theoretical Perspectives.....	8
2.1 Road Infrastructure Economics	9
2.2 Transport Mobility and Urban Form	12
2.3 Peri-Urbanization vis-à-vis Land and Housing Markets	15
2.4 Urban Studies in the Context of the Global South	18
2.4.1 World/Global Cities and Entrepreneurial Urban Development	18
2.4.2 Urban Politics and Planning in City-Regions.....	20
2.4.3 Spatial Segregation on Socio-Economic Grounds in Globalizing Cities	21
2.5 The Role of Planning	23
2.6 Summary of Theoretical Perspectives	25
3. Case Study Background.....	27
3.1 A Political-Historical Introduction to the Kenyan State	27
3.2 Nairobi: A Globalizing City and Its Challenges	30
3.2.1 Inequality	31
3.2.2 Land and Housing.....	32
3.2.3 Transportation.....	33
3.3 Kenya Vision 2030 and Nairobi Metro 2030	34
3.3.1 Kenya Vision 2030.....	34
3.3.2 Nairobi Metro 2030	35
3.4 An Introduction to the THIP and Its Context	38
3.5 An Introduction to the Peri-Urban Areas along the THIP Corridor	40
4. Research Design.....	43
4.1 Hypotheses Based on the Conceptual Framework.....	43
4.2 A Strategic Mix of Methodological Approaches	46
4.3 Preparing, Conducting, and Analyzing Qualitative Interviews	48
4.4 The Challenge of Data.....	52
5. Empirical Analysis	54
5.1 The Idea of the THIP	54
5.2 The Design of the THIP	58

5.2.1	Actors in the THIP Design Phase.....	58
5.2.2	The Process of Designing the THIP.....	61
5.3	The Implementation of the THIP.....	65
5.4	The Outcomes of the THIP.....	69
5.4.1	Changes Related to Transport and Economy	71
5.4.2	Changes Related to Land and Housing	79
5.5	Conclusion on Empirical Findings	93
6.	Recommendations	99
6.1	Policy Recommendations	99
6.1.1	Planning in Kenya.....	100
6.1.2	Project Design and Implementation	101
6.1.3	Land Development in Peri-Urban Areas	103
6.1.4	Broader Institutional Setting	104
6.2	Research Recommendations	105
7.	Outlook	108
8.	Bibliography	111
9.	Appendix.....	127
9.1	Annex A: Driving Forces and Dynamics of Peri-Urbanization	127
9.2	Annex B: Spatial Land Use Changes in the Nairobi Metropolitan Region...128	
9.3	Annex C: THIP Linkage to Other Road Infrastructure Projects	129
9.4	Annex D: Photographic Exercise	131
9.5	Annex E: Real Estate Projects in the Northern Nairobi Metropolitan Region	141
9.6	Annex F: Research for Newspaper Articles	143
9.7	Annex G: Reflections on Field Work Experience	145
9.8	Annex H: Places Like, Let's Say, Highways?!.....	148
9.9	Annex I: Interview Questionnaire	150
9.10	Annex J: Qualitative Structured Content Analysis Applied to Interview Material	153
9.11	Annex K: MAXQDA – Code System	154
9.12	Annex L: The Quality of Qualitative Research	157
9.13	Annex M: Photos of the THIP Implementation Phase	158
9.14	Annex N: Overview of THIP's Outcomes	159
9.15	Annex O: Spatial Dynamics of Agriculture in the Peri-Urban Area.....	161
9.16	Annex P: Overview of Policy Recommendations	162
