

Part I Plant Phospholipase Families and Derived Messengers

PLD: Phospholipase Ds in Plant Signaling	3
Xuemin Wang, Liang Guo, Geliang Wang, and Maoyin Li	
PI-PLC: Phosphoinositide-Phospholipase C in Plant Signaling	27
Teun Munnik	
NPC: Nonspecific Phospholipase Cs in Plant Functions	55
Yuki Nakamura	
Phosphatidic Acid as Lipid Messenger and Growth Regulators in Plants	69
Xuemin Wang, Yuan Su, Yu Liu, Sang-Chul Kim, and Brian Fanella	
pPLA: Patatin-Related Phospholipase As with Multiple Biological Functions	93
Maoyin Li and Xuemin Wang	
sPLA₂ and PLA₁: Secretory Phospholipase A₂ and Phospholipase A₁ in Plants	109
Hae Jin Kim and Stephen Beungtae Ryu	

Part II Phospholipase Signalling in Response to Environmental Stresses

Phospholipase Ds in Plant Response to Hyperosmotic Stresses	121
Qun Zhang, Yana Qu, Wen Jing, Li Li, and Wenhua Zhang	
Phospholipases in Nitric Oxide-Mediated Plant Signaling	135
Gabriela Gonorazky, Ayelen M. Distéfano, Carlos García-Mata, Lorenzo Lamattina, and Ana M. Laxalt	
Phospholipases in Plant Response to Nitrogen and Phosphorus Availability	159
Yueyun Hong and Shaoping Lu	

Part III Phospholipases in Plant Biotic Interactions

Phospholipase A in Plant Immunity	183
Susana Rivas and Thierry Heitz	
Lipases in Signaling Plant Defense Responses	207
Jyoti Shah
