Vorwort

|                         |          |
|-------------------------|----------|
| <b>Einführung</b> ..... | <b>1</b> |
|-------------------------|----------|

|                                               |          |
|-----------------------------------------------|----------|
| <b>Übersicht über die Aufsatzformen</b> ..... | <b>4</b> |
|-----------------------------------------------|----------|

|                     |   |
|---------------------|---|
| 1 Informieren ..... | 4 |
|---------------------|---|

|                                           |   |
|-------------------------------------------|---|
| 2 Literarische Texte interpretieren ..... | 7 |
|-------------------------------------------|---|

|                                   |    |
|-----------------------------------|----|
| 3 Schriftlich argumentieren ..... | 10 |
|-----------------------------------|----|

|                    |           |
|--------------------|-----------|
| <b>Tests</b> ..... | <b>11</b> |
|--------------------|-----------|

|                                                             |    |
|-------------------------------------------------------------|----|
| Test 1: <i>Gliedsätze 1: Subjekt- und Objektsätze</i> ..... | 11 |
|-------------------------------------------------------------|----|

|                                                  |    |
|--------------------------------------------------|----|
| Test 2: <i>Gliedsätze 2: Attributsätze</i> ..... | 16 |
|--------------------------------------------------|----|

|                                              |    |
|----------------------------------------------|----|
| Test 3: <i>Satzbau: Sätze kürzen 1</i> ..... | 22 |
|----------------------------------------------|----|

|                                              |    |
|----------------------------------------------|----|
| Test 4: <i>Satzbau: Sätze kürzen 2</i> ..... | 28 |
|----------------------------------------------|----|

|                                          |    |
|------------------------------------------|----|
| Test 5: <i>Synonym und Antonym</i> ..... | 36 |
|------------------------------------------|----|

|                                     |    |
|-------------------------------------|----|
| Test 6: <i>Wortgeschichte</i> ..... | 42 |
|-------------------------------------|----|

|                                                          |    |
|----------------------------------------------------------|----|
| Test 7: <i>Argumentieren 1: Themenerschließung</i> ..... | 50 |
|----------------------------------------------------------|----|

|                                                                                |    |
|--------------------------------------------------------------------------------|----|
| Test 8: <i>Argumentieren 2: Stoffsammlung, Steigerung von Argumenten</i> ..... | 55 |
|--------------------------------------------------------------------------------|----|

|                                                           |    |
|-----------------------------------------------------------|----|
| Test 9: <i>Argumentieren 3: Argumente entfalten</i> ..... | 59 |
|-----------------------------------------------------------|----|

|                                                                 |    |
|-----------------------------------------------------------------|----|
| Test 10: <i>Argumentieren 4: Argumente differenzieren</i> ..... | 66 |
|-----------------------------------------------------------------|----|

|                                               |    |
|-----------------------------------------------|----|
| Test 11: <i>Interpretieren 1: Prosa</i> ..... | 72 |
|-----------------------------------------------|----|

|                                                             |    |
|-------------------------------------------------------------|----|
| Test 12: <i>Interpretieren 2: Prosa (Fortsetzung)</i> ..... | 78 |
|-------------------------------------------------------------|----|

|                                               |    |
|-----------------------------------------------|----|
| Test 13: <i>Interpretieren 3: Lyrik</i> ..... | 87 |
|-----------------------------------------------|----|

|                                                             |    |
|-------------------------------------------------------------|----|
| Test 14: <i>Interpretieren 4: Lyrik (Fortsetzung)</i> ..... | 94 |
|-------------------------------------------------------------|----|

|                              |           |
|------------------------------|-----------|
| <b>Klassenarbeiten</b> ..... | <b>99</b> |
|------------------------------|-----------|

|                                                |    |
|------------------------------------------------|----|
| Klassenarbeit 1: <i>Bildbeschreibung</i> ..... | 99 |
|------------------------------------------------|----|

|                                                        |     |
|--------------------------------------------------------|-----|
| Klassenarbeit 2: <i>Inhaltsangabe (Sachtext)</i> ..... | 108 |
|--------------------------------------------------------|-----|

|                                                                                  |     |
|----------------------------------------------------------------------------------|-----|
| Klassenarbeit 3: <i>Inhaltsangabe (Literarischer Text: Kurzgeschichte)</i> ..... | 118 |
|----------------------------------------------------------------------------------|-----|

|                                                                  |     |
|------------------------------------------------------------------|-----|
| Klassenarbeit 4: <i>Figurencharakterisierung (Novelle)</i> ..... | 128 |
|------------------------------------------------------------------|-----|

|                                                                           |     |
|---------------------------------------------------------------------------|-----|
| Klassenarbeit 5: <i>Gestaltende Interpretation (Kurzgeschichte)</i> ..... | 137 |
|---------------------------------------------------------------------------|-----|

|                                                  |     |
|--------------------------------------------------|-----|
| Klassenarbeit 6: <i>Lineare Erörterung</i> ..... | 149 |
|--------------------------------------------------|-----|

|                                             |            |
|---------------------------------------------|------------|
| <b>Grundwissen</b> .....                    | <b>157</b> |
| 1 Subjekt- und Objektsatz .....             | 157        |
| 2 Attribut und Attributsatz .....           | 159        |
