

1	The Ultrasound Scanner	1
	Hans-Peter Weskott, Erika Mendoza, and Christopher R. Lattimer	
2	Anatomy of the Superficial Veins	19
	Alberto Caggiati, Erika Mendoza, Renate Murena-Schmidt, and Christopher R. Lattimer	
3	Pathophysiology of the Superficial Venous System	49
	Erika Mendoza, Claude Franceschi, Birgit Kahle, and Christopher R. Lattimer	
4	Ultrasound-Based Classifications of Varicose Veins	67
	Erika Mendoza and Christopher R. Lattimer	
5	Duplex Ultrasound Examination of Superficial Leg Veins ...	93
	Erika Mendoza, Nick Morrison, and Christopher R. Lattimer	
6	Flow Provocation Manoeuvres for the Diagnosis of Venous Disease Using Duplex Ultrasound	105
	Erika Mendoza and Christopher R. Lattimer	
7	Examination of the Great Saphenous Vein	119
	Erika Mendoza, Nick Morrison, and Christopher R. Lattimer	
8	Examination of the Small Saphenous Vein	171
	Erika Mendoza and Christopher R. Lattimer	
9	Perforating Veins	187
	Erika Mendoza and Christopher R. Lattimer	
10	Tributaries	201
	Erika Mendoza and Christopher R. Lattimer	
11	Superficial Vein Thrombosis	217
	Erika Mendoza and Christopher R. Lattimer	
12	Ultrasound in Varicose Vein Treatment	227
	Erika Mendoza, Thomas M. Proebstle, Achim Mumme, Franz Xaver Breu, Nick Morrison, and Christopher R. Lattimer	

13	Ultrasound After Venous Intervention	247
	Erika Mendoza, Achim Mumme, Andreas Hildebrandt, Nick Morrison, and Christopher R. Lattimer	
14	Deep Leg Veins	267
	Hans-Joachim Kruse, Erika Mendoza, Nick Morrison, and Christopher R. Lattimer	
15	Examination of Superficial Veins in the Presence of Deep Venous Disease	279
	Erika Mendoza and Christopher R. Lattimer	
16	Differential Diagnosis of Leg Oedemas of Venous and Lymphatic Origin	285
	Erika Mendoza and Christopher R. Lattimer	
17	Incidental Findings During a Venous Examination of the Leg	291
	Erika Mendoza, Hans-Peter Weskott, Helmut Kopf, and Christopher R. Lattimer
