

1 Histology	1
1.1 Salivary Glands	1
1.2 Secretory Units and Ducts	3
1.3 Reactive and Metaplastic Changes	11
1.4 Heterotopic Salivary Tissue	17
References	20
2 Non-neoplastic Lesions	23
2.1 Calculi	23
2.2 Cysts	24
2.3 Sialadenitis and Sialadenosis	37
2.4 Lymphoepithelial Sialadenitis	45
2.5 Necrotising Sialometaplasia	52
2.6 Sclerosing Polycystic Adenosis and Miscellaneous Lesions	54
References	58
3 Pleomorphic Adenoma	67
3.1 Definition, Site and Incidence	67
3.2 Clinical Features and Gross Appearances	68
3.3 Histopathology	69
3.4 Atypical Features, Metastasising Pleomorphic Adenoma and Malignant Transformation	90
3.5 Differential Diagnosis	93
3.6 Genetics and Prognosis	94
References	96
4 Myoepithelioma	101
4.1 Definition, Site and Incidence	101
4.2 Clinical Features and Gross Appearances	102
4.3 Histopathology	102
4.3.1 Immunohistochemistry	104
4.4 Genetics	114
4.5 Prognosis	115
References	115

5 Warthin Tumour	119
5.1 Definition, Site and Incidence.	119
5.2 Clinical Features and Gross Appearances	121
5.3 Histopathology	122
5.4 Genetics	134
5.5 Malignancy in Warthin Tumour	135
References	135
6 Other Adenomas	141
6.1 Basal Cell Adenoma	143
6.2 Oncocytoma	145
6.3 Canalicular Adenoma	152
6.4 Sebaceous Adenoma	156
6.5 Lymphadenoma	158
6.6 Cystadenoma	161
6.7 Ductal Papilloma	163
6.8 Sialolipoma	167
6.9 Keratocystoma	168
References	174
7 Mucoepidermoid Carcinoma	181
7.1 General Aspects on Salivary Gland Cancer Incidence	181
7.2 Definition, Site and Incidence.	183
7.3 Clinical Features and Histopathology	184
7.4 Immunohistochemistry	198
7.5 Differential Diagnosis	203
7.6 Genetics and Prognosis	211
References	214
8 Adenoid Cystic Carcinoma	221
8.1 Definition, Site and Incidence.	221
8.2 Histopathology	223
8.3 Molecular Pathology and Immunohistochemistry	231
8.4 Differential Diagnosis	241
8.5 Predictive Factors, Treatment and Prognosis	246
References	253
9 Acinic Cell Carcinoma	261
9.1 Definition, Site and Incidence.	261
9.2 Clinical Features and Gross Appearances	262
9.3 Histopathology	263
9.3.1 Immunohistochemistry	268
9.3.2 Differential Diagnosis	270
9.4 Treatment and Prognosis	272
References	278
10 Carcinoma Ex Pleomorphic Adenoma	283
10.1 Definition, Site and Incidence.	283
10.2 Clinical Features and Gross Appearances	284
