

Part I The Basics

1 A Short History of Cryosurgery	3
Paola Pasquali	
2 Cryobiology and Thermodynamics	19
Jānis Ķīsis and Aleksejs Zavorins	
3 Theoretical Principles of Immunocryosurgery	33
Aleksandar L. Kronic	
4 Basic Equipment for Cryosurgery	49
Paola Pasquali	
5 Cryosurgical Techniques	65
Paola Pasquali	
6 Preoperative Care for Cryosurgery	77
Paola Pasquali	

Part II Benign Conditions

7 Cryobiopsy, Cryoanesthesia, and Cryoanalgesia	85
Angeles Fortuño-Mar and Paola Pasquali	
8 Cryosurgery for Common Benign Lesions	93
Miguel Alejandro Lopez Blanco, Anthony Panagiotopoulos, and Paola Pasquali	
9 Cryosurgery for Warts	107
David Buckley	
10 Cryosurgery for Benign Oral Lesions	121
Panagiota Loumou and Eleni A. Georgakopoulou	
11 Cryosurgery for Benign Eyelid Lesions	129
Raimo Suhonen and Paola Pasquali	
12 Cryosurgery for Vascular Lesions	143
Paola Pasquali and Mildred J. Gutiérrez	

Part III Non-invasive Imaging Techniques

- 13 High-Frequency Ultrasound (HFUS) in the Management of Skin Cancer Treated with Cryosurgery** 159
Paola Pasquali
- 14 Role of Reflectance Confocal Microscopy in Cryosurgery** 173
Joseph Chao, Rainer Hofmann-Wellenhof, and Clara Curiel-Lewandrowski
- 15 Optical Coherence Tomography and Cryosurgery** 185
Lotte Themstrup, Christina A. Banzhaf, Gregor Jemec, and Mette Mogensen

Part IV Pre-malignant and Malignant Lesions

- 16 Premalignant Lesions: Combination Treatments in Cryosurgery** 193
Paola Pasquali
- 17 Cryosurgery for Malignant Lesions** 213
Paola Pasquali
- 18 Cryosurgery for Nonmelanoma Skin Carcinomas on the Nose and External Ears** 227
Peter Nordin
- 19 Cryosurgery for Eyelid Basal Cell Carcinomas: A Practical Guide** 237
Gun Lindgren and Olle Larkö
- 20 Immunocryosurgery for Nonmelanoma Skin Cancer: Applications and Practical Tips** 245
Georgios Gaitanis and Ioannis D. Bassukas
- 21 Palliative Treatment with Cryosurgery** 259
Paola Pasquali

Part V Post-operative Care/Management and Future Considerations

- 22 Post-operative Care for Cryosurgery** 271
Paola Pasquali
- 23 Pitfalls and Their Management in Cryosurgery** 279
Paola Pasquali and Raimo Suhonen
- 24 Future Considerations for Cryosurgery** 289
Paola Pasquali

Part VI Atlases

25	Histopathologic Events of Cryolesion: An Atlas	293
	Miroslava Zolano Orozco, Consuelo García Silva, and Mercedes Hernández-Torres	
26	In Vivo Reflectance Confocal Microscopy Assessment of Wound Induction and Repair of a Skin Injury Produced by Liquid Nitrogen: An Atlas	301
	Melissa Chu and Nikiforos Kollias	
	Index	311
