Preface	ix
Abbreviations and Symbols	xiii
Basic Data of the Vehicles	xvi
1 An Introduction to the Investment Decision	1
1.1 Learning Objectives	1
1.2 Case: Car Sharing Company	1
1.3 Investment Decisions and Business Finance	2
1.4 Classification of Investments and Stages of the Investment Process	3
1.5 Investment Appraisal Techniques	3
1.6 Summary and Evaluation	5
1.7 Exercises with Answers.....	5
1.7.1 Exercises	5
1.7.2 Answers.....	7
2 Non-discounting Methods of Investment Appraisal	11
2.1 Learning Objectives	11
2.2 Cost Comparison Method.....	11
2.2.1 Introduction	11
2.2.2 Comparison of Alternatives.....	12
2.2.3 Salvage Values	16
2.2.4 Critical Values.....	18
2.2.5 Replacement Decision.....	20
2.2.6 Evaluation of the Cost Comparison Method	24
2.3 Profit Comparison Method.....	24
2.3.1 Introduction	24
2.3.2 Comparison of Alternatives.....	25
2.3.3 Salvage Values	26
2.3.4 Critical Values.....	26
2.3.5 Replacement Decision.....	27
2.3.6 Evaluation of the Profit Comparison Method.....	28

2.4	Accounting Rate of Return Method	29
2.4.1	Introduction.....	29
2.4.2	Comparison of Alternatives	29
2.4.3	Salvage Values.....	30
2.4.4	Replacement Decision.....	31
2.4.5	Evaluation of the Accounting Rate of Return Method	32
2.5	Payback Method.....	33
2.5.1	Introduction.....	33
2.5.2	Comparison of Alternatives	33
2.5.3	Salvage Values.....	35
2.5.4	Replacement Decision.....	36
2.5.5	Evaluation of the Payback Method	37
2.6	Summary and Evaluation of the Non-Discounting Methods.....	37
2.7	Exercises with Answers	39
2.7.1	Exercises	39
2.7.2	Answers.....	45
3	Discounting Methods of Investment Appraisal	55
3.1	Learning Objectives	55
3.2	Time Value of Money	55
3.2.1	Basic Example.....	55
3.2.2	Compounding and Discounting.....	57
3.2.3	Future Value and Present Value of an Annuity	59
3.2.4	Annual Equivalent Factor and Sinking Fund Factor	60
3.2.5	Summary of Time Value of Money Calculations.....	61
3.3	Net Present Value Method	62
3.3.1	Introduction.....	62
3.3.2	Role of Financing.....	65
3.3.3	Relevance of Differential Investments	69
3.3.4	Comparison of Alternatives	72
3.3.5	Replacement Decision.....	73
3.3.6	Evaluation of the Net Present Value Method	75
3.4	Annuity Method	76
3.4.1	Introduction.....	76
3.4.2	Comparison of Alternatives	77
3.4.3	Replacement Decision.....	78
3.4.4	Evaluation of the Annuity Method.....	78
3.5	Internal Rate of Return Method	79
3.5.1	Introduction.....	79
3.5.2	Comparison of Alternatives	82
3.5.3	Internal Rate of Return versus Net Present Value.....	84
3.5.4	Evaluation of the Internal Rate of Return Method	86

3.6	Discounting Payback Method.....	86
3.6.1	Introduction	86
3.6.2	Comparison of Alternatives.....	87
3.6.3	Replacement Decision.....	88
3.6.4	Evaluation of the Discounting Payback Method	88
3.7	Summary and Evaluation of the Discounting Methods	89
3.8	Exercises with Answers.....	90
3.8.1	Exercises	90
3.8.2	Answers.....	96
4	Investment Decision Making under Conditions of Uncertainty	109
4.1	Learning Objectives	109
4.2	Uncertainty and Risk	110
4.3	Correction Method	111
4.3.1	Introduction	111
4.3.2	Comparison of Alternatives.....	112
4.3.3	Evaluation of the Correction Method	113
4.4	Sensitivity Analysis.....	114
4.4.1	Introduction	114
4.4.2	Comparison of Alternatives.....	114
4.4.3	Evaluation of the Sensitivity Analysis.....	117
4.5	Risk Analysis.....	118
4.5.1	Introduction	118
4.5.2	Comparison of Alternatives.....	118
4.5.3	Evaluation of the Risk Analysis	123
4.6	Decision Tree Analysis	123
4.6.1	Introduction	123
4.6.2	Comparison of Alternatives: Fixed Planning	124
4.6.3	Comparison of Alternatives: Flexible Planning	129
4.6.4	Evaluation of the Decision Tree Analysis	134
4.7	Summary and Evaluation	135
4.8	Exercises with Answers.....	136
4.8.1	Exercises	136
4.8.2	Answers.....	140
5	Advanced Topics of Investment Appraisal	151
5.1	Learning Objectives	151
5.2	Taxation.....	152
5.2.1	Introduction	152
5.2.2	Comparison of Alternatives.....	154
5.2.3	Evaluation of Taxation	156

5.3	Inflation.....	156
5.3.1	Introduction.....	156
5.3.2	Comparison of Alternatives	157
5.3.3	Evaluation of Inflation	159
5.4	Complete Financial Plan	159
5.4.1	Introduction.....	159
5.4.2	Comparison of Alternatives	160
5.4.3	Evaluation of the Complete Financial Plan.....	161
5.5	Scoring Model.....	162
5.5.1	Introduction.....	162
5.5.2	Comparison of Alternatives	163
5.5.3	Evaluation of the Scoring Model	165
5.6	Macroeconomic Net Present Value Method	165
5.6.1	Introduction.....	165
5.6.2	Comparison of Alternatives	167
5.6.3	Evaluation of the Macroeconomic Net Present Value Method	168
5.7	Summary and Evaluation	168
5.8	Exercises with Answers	169
5.8.1	Exercises	169
5.8.2	Answers.....	172
6	Index of Questions and Solutions	177
7	References	181
8	Mathematical Tables	185
9	Index	193
