VII Foreword

Whyte, M.P. (St. Louis, MO)

VIII Preface

Allgrove, J. (London); Shaw, N.J. (Birmingham)

1 Voyages of Discovery

Allgrove, J. (London)

7 Physiology of Calcium, Phosphate, Magnesium and Vitamin D

Allgrove, J. (London)

33 Physiology of Bone

Grabowski, P. (Sheffield)

56 Radiology of Osteogenesis Imperfecta, Rickets and Other Bony Fragility States

Calder, A.D. (London)

72 Bone Densitometry: Current Status and Future Perspective

Crabtree, N. (Birmingham); Ward, K. (Cambridge)

84 A Practical Approach to Hypocalcaemia in Children

Shaw, N.J. (Birmingham)

101 Approach to the Child with Hypercalcaemia

Davies, J.H. (Southampton)

119 A Practical Approach to Vitamin D Deficiency and Rickets

Allgrove, J. (London); Shaw, N.J. (Birmingham)

134 A Practical Clinical Approach to Paediatric Phosphate Disorders

Imel, E.A. (Indianapolis, IN); Carpenter, T.O. (New Haven, CT)

162 Primary Osteoporosis

Arundel, P.; Bishop, N. (Sheffield)

176 Osteoporosis in Children with Chronic Disease

Högler, W. (Birmingham); Ward, L. (Ottawa)

196 Genetics of Osteoporosis in Children

van Dijk, F.S. (Amsterdam)

210 A Practical Approach to Children with Recurrent Fractures

Korula, S.; Titmuss, A.T.; Biggin, A.; Munns, C.F. (Westmead, NSW)

226 Miscellaneous Bone Disorders

Mughal, M.Z.; Padidela, R. (Manchester)

247 Skeletal Aspects of Non-Accidental Injury

Johnson, K.; Bradshaw, K. (Birmingham)

259 Skeletal Dysplasias: An Overview

Offiah, A.C. (Sheffield, S. Yorkshire)

277 Drugs Used in Paediatric Bone and Calcium Disorders

Cheung, M.S. (London)

291 Classification of Disorders of Bone and Calcium Metabolism

Allgrove, J. (London)

319 Case Histories

Katugampola, H.; Saraff, V.; Kumaran, A.; Allgrove, J. (London); Shaw, N.J. (Birmingham)

414 Appendix 1: Explanation of Abbreviations Appearing in Text

421 Appendix 2: Conversion Factors between SI and 'Conventional' Units

422 Author Index

423 Subject Index
