

Contents

Preface	vii
Acknowledgments.....	ix
1 Materials and Set-up	1
2 Surgical Approaches	5
3 Arthroscopic Anatomy of the Wrist	17
4 Arthroscopic Treatment of Dorsal Wrist Ganglia	23
5 Arthroscopic Excision of Volar Wrist Ganglia	29
6 Arthroscopic Radial Styloidectomy	33
7 Anatomy of the Triangular Fibrocartilage Complex: Current Concepts	37
8 Arthroscopic Repair of Peripheral Tears of the Triangular Fibrocartilage Complex	43
9 "Double-Loop" Suture Repair in Large Dorsal Tears of the Triangular Fibrocartilage Complex	53
10 Arthroscopically Assisted Foveal Reinsertion of the Triangular Fibrocartilage Complex	59
11 Arthroscopic Reconstruction of the Triangular Fibrocartilage Complex Using a Free Tendon Graft	71
12 Distal Ulnar Resection	75
13 Arthroscopic Lunotriquetral Arthrodesis and Head of the Hamate Resection	83
14 Anatomy of the Scapholunate Complex.....	89
15 Dorsal Capsuloligamentous Repair of the Scapholunate Ligament Tear	97
16 Volar Capsuloligamentous Suture as Treatment of Volar Midcarpal Instability	103
17 Arthroscopically Assisted Fixation of Intra-articular Distal Radius Fractures	111
18 Arthroscopically Assisted Scaphoid Fracture Fixation	117
19 Arthroscopic Bone Grafting for Scaphoid Nonunion	123
20 Arthroscopic Replacement of the Proximal Pole of the Scaphoid with a Pyrocarbon Implant	129
21 Arthroscopic Arthrolysis of the Wrist	135
22 Arthroscopic Scaphotrapeziotrapezoidal Interposition Arthroplasty.....	139
23 Partial Arthroscopic Trapeziectomy with Suspension Ligamentoplasty	145
24 Arthroscopic Thumb Carpometacarpal Interposition Arthroplasty.....	151
25 Arthroscopic Dorsal Tendon Interposition in Stage II Scapholunate Advanced Collapse Wrists	159
26 Arthroscopic v-Shaped Interposition Arthroplasty in Stage II Scapholunate Advanced Collapse Wrists	163
27 Arthroscopic Partial Wrist Fusion.....	169
Index	175
