Preface 9

Introduction: From the Methodology to the Philosophy of Linguistics 11

Part One: The Background or Philosophical and Methodological Basis for Earlier Linguistic Conceptions 15

Moderate Rationalism (Izydora Dąmbska) 17

Phenomenological Reduction (Edmund Husserl) 23

Falsificationism (Karl Popper) 39

The Absence of a Nomothetic Explanation and the Multitude of Models 43

Some Further Remarks on the Evaluation Criteria of Linguistic Models 47

Paradigms of Linguistics 53

Paradigms of Science 53

Inductionism 55

Verificationism 55

Falsificationism 56

Postmodernism 57

The Coexistence and Mutual Influence of Paradigms 58

Kuhn's Approach and Popper's Theory of Science 59

Historical-Comparative Linguistics as a Manifestation of the Inductionist Paradigm 60
The Observational Tasks 60
Generalizations 61
Structuralism as a manifestation of the Verificationist Paradigm 63
General Principles of the Structuralist Paradigm 63
The Prague School 65
American Distributionism 68
Glossematics 71
Generativism as a Manifestation of Falsificationism 72
General Principles of the Generative Approach to Language 72
Transformational Grammar 74
Rules for Constructing a Generative Model 75
Rules of Rewriting 75
The Trees 76
Lexical Units (Lexemes) and Their Categorization 79
Adjusting the Lexemes' Forms (Accommodation) 80
Subcategorization 82
Generating Compound Sentences (Recurrence) 83
Transformations 85
Semantic Interpretation 87
The Grammar and Principles of the Organization of Text 90
From the History of Generativism 91
From *Syntactic Structures* to *Aspects* 91
The First Split (Interpretative Semantics vs. Generative Semantics) 93
Transformationless Grammars 94
Government and Binding and the Minimalist Program 95
Cognitive linguistics as a Manifestation of Postmodernism 96
The General Characteristics of Cognitive Linguistics 96
Metaphors in Language 98
The Theory of Prototypes and Fuzzy Sets 99
The Linguistic Picture of the World 100

Mutual Interactions of Linguistic Paradigms 101
Changes in Former Paradigms under the Influence of Subsequent Ones 101
Discovering Former Paradigms 103

Part Two: In the Foreground or Disintegration 105

About the Coexistence of Paradigms in Today's Linguistics Once Again 107

About the Subjects of Linguistics 123

The Linguistic Picture of the World and the Stereotype of the Linguistic Stereotype 131
The Picture of the World 131
The Stereotype of the Linguistic Stereotype 139

About the Subject of Gender Linguistics 147
Female Names of Professions 149
Grammatical Gender in the Polish Language and Its Gender Implications 154

Is Generativism a Manifestation of Falsificationism or Constructivism? 165

Cognitive Linguistics and Cognitive Grammar 175

On the Truth of Linguistic Propositions 183
Three Perspectives on the Truth of Propositions 185
The Coexistence of Different Views in Linguistics 187

Analytical Assumptions 187
Linguistic Propositions Which May Be Recognised as True by the Advocates of the Correspondence Theory of Truth 188
Linguistic Propositions Which May be Recognised as True Only by the Advocates of the Coherence Theory of Truth 189
Components of Narratives 192
Breaking Aristotelian Tradition 192
Baudouin de Courtenay's Concept of Phoneme 193
The Asynchronous Pronunciation of Polish Nasal Vowels 197
Final Remarks 198

Conclusion 201
