<b>Figures and Tables</b> . . . . .	<b>xiii</b>
Figures . . . . .	xiii
Tables . . . . .	xiv
<b>Acknowledgements</b> . . . . .	<b>xv</b>
<b>Chapter 1 The Thachsanh connection</b> . . . . .	<b>1</b>
1.1 The utopia of inexhaustible Thachsanh's rice bowl . . . . .	1
1.2 Aim of the book . . . . .	1
1.3 Assumptions . . . . .	2
1.4 Rationale . . . . .	2
1.5 Limitations . . . . .	3
1.6 Contribution to knowledge . . . . .	3
1.7 Setting the scene: major issues, themes and concepts . . . . .	3
1.8 Methodology . . . . .	10
<b>Chapter 2 The global economy: Perspectives on the exchange     of knowledge for material</b> . . . . .	<b>19</b>
2.1 Scope of the chapter . . . . .	19
2.2 Different views on the concept of a knowledge economy . . . . .	19
2.3 The social forces of production . . . . .	21
2.4 Knowledge/material exchange and the evolution of the social relations of production . . . . .	28
2.5 Main insights from Chapter 2 . . . . .	38
<b>Chapter 3 Knowledge economy for sustainable development:     reality or utopia?</b> . . . . .	<b>41</b>
3.1 Scope of the chapter . . . . .	41
3.2 The seriousness of the world's environmental problems . . . . .	41
3.3 The challenge of sustainable economic development . . . . .	46
3.4 Difficulties in achieving international co-operation to heal the environment . . . . .	51
3.5 The potential of knowledge and new technologies in facilitating adaptation to new situations . . . . .	53
3.6 Main insights from Chapter 3 . . . . .	58
<b>Chapter 4 The cultural context of Vietnam</b> . . . . .	<b>59</b>
4.1 Scope of the chapter . . . . .	59
4.2 Defining culture . . . . .	59
4.3 Vietnam: brief historical overview . . . . .	60

4.4 Religion and philosophy . . . . .	62
4.5 Community life . . . . .	62
4.6 Ethnic groups and languages. . . . .	63
4.7 Family . . . . .	63
4.8 Positive effects of economic progress and cultural change. . . . .	63
4.9 Negative effects of economic progress and cultural change: obstacles to the advancement of a knowledge economy . . . . .	66
4.10 Cultural heritage for a sustained development. . . . .	73
4.11 Management of risk . . . . .	74
4.12 Key elements affected by economic growth . . . . .	75
4.13 Main insights from Chapter 4 . . . . .	75
<b>Chapter 5 Policy achievements and challenges. . . . .</b>	<b>77</b>
5.1 Scope of the chapter. . . . .	77
5.2 Vietnam fact sheet-location, population, natural resources, biodiversity and economic growth . . . . .	77
5.3 Challenges to sustainable development in Vietnam. . . . .	80
5.4 Action planning towards sustainability, Vietnam Agenda 21 (VA21), and the implementation of sustainability measures . . . . .	82
5.5 ICT use and development . . . . .	85
5.6 Main insights from Chapter 5 . . . . .	102
<b>Chapter 6 Vietnam and the knowledge economy. . . . .</b>	<b>103</b>
6.1 Scope of the chapter. . . . .	103
6.2 Vietnam's Knowledge Economy (KE) journey. . . . .	103
6.3 Vietnam and the knowledge economy . . . . .	104
6.4 The "2000's Conference on Knowledge Economy and its Issues to Vietnam": consideration of the concept of a "knowledge economy" by Vietnamese scholars . . . . .	108
6.5 Main insights from Chapter 6 . . . . .	116
<b>Chapter 7 Identifying key issues . . . . .</b>	<b>117</b>
7.1 Scope of the chapter. . . . .	117
7.2 Fieldwork for this chapter. . . . .	117
7.3 Domestic market economy pressures. . . . .	118
7.4 Globalization pressures . . . . .	121
7.5 Government capacity . . . . .	122
7.6 Environmental depletion and exhaustion . . . . .	124
7.7 The concept of a knowledge economy and its impacts. . . . .	125
7.8 Main insights from Chapter 7 . . . . .	128
<b>Chapter 8 Rural Vietnam . . . . .</b>	<b>129</b>
8.1 Scope of the chapter. . . . .	129
8.2 Fieldwork for this chapter. . . . .	129
8.3 Rural life and sustainable economic development. . . . .	129
8.4 Knowledge and sustainability . . . . .	134
8.5 The quest for more knowledge-intensive, value adding, rural production . . . . .	136
8.6 Knowledge Oases . . . . .	137

8.7 Main insights from Chapter 8 . . . . .	140
<b>Chapter 9 Indigenous Knowledge . . . . .</b>	<b>141</b>
9.1 Scope of the chapter . . . . .	141
9.2 Sustaining indigenous knowledge . . . . .	141
9.3 Dong Ho printing village . . . . .	141
9.4 Bat Trang ceramic village . . . . .	144
9.5 Quan Ho folk music . . . . .	147
9.6 Tradition, technology and the knowledge economy . . . . .	148
9.7 Main insights from Chapter 9 . . . . .	150
<b>Chapter 10 ICT Nonusers . . . . .</b>	<b>151</b>
10.1 Scope of the chapter . . . . .	151
10.2 The digital divide . . . . .	151
10.3 Fieldwork data about ICT nonusers . . . . .	153
10.4 Characteristics of the sample of nonusers . . . . .	153
10.5 Understanding about ICTs and online sources of information . . . . .	156
10.6 Major channels of information used by ICT nonusers . . . . .	156
10.7 Obstacles for ICT nonusers in accessing the Internet . . . . .	158
10.8 Main insights from Chapter 10 . . . . .	159
<b>Chapter 11 Intensive ICT users . . . . .</b>	<b>161</b>
11.1 Scope of the chapter . . . . .	161
11.2 Assessing the situation of Vietnamese ICT users . . . . .	161
11.3 Fieldwork data about intensive ICT users . . . . .	162
11.4 Characteristics of the sample of ICT users . . . . .	162
11.5 Experiences of interviewees as computer and Internet users . . . . .	165
11.6 Main insights from Chapter 11 . . . . .	179
<b>Chapter 12 Virtual worlds . . . . .</b>	<b>181</b>
12.1 Scope of the chapter . . . . .	181
12.2 Computer gaming and the emergence of multiplayer games . . . . .	181
12.3 Virtual communities . . . . .	185
12.4 Main insights from Chapter 12 . . . . .	190
<b>Chapter 13 The Vietnamese ICT industry . . . . .</b>	<b>191</b>
13.1 Scope of the chapter . . . . .	191
13.2 The balance between locally produced and imported ICT in the context of sustainability . . . . .	191
13.3 Description of the study groups . . . . .	192
13.4 Issues identified by the ICT provider sample . . . . .	196
13.5 Issues identified by ICT providers at communal and remote areas . . . . .	208
13.6 The role of government in supporting the ICT industry . . . . .	212
13.7 Tourism: an example of ICT industry success . . . . .	215
13.8 E-content and online news media . . . . .	215
13.9 Main insights from Chapter 13 . . . . .	218
<b>Chapter 14 Sustainable development or permanent scarcity? . . . . .</b>	<b>219</b>
14.1 Scope of the chapter . . . . .	219

14.2 Modeling the relationship between development, negative aspects of the knowledge economy concept, and sustainability. . . . .	219
14.3 Development of human species – the human-made / natural capital model . . . . .	222
14.4 A long term view of cycles of development of the global economy . .	225
14.5 Sustainable development and the positive role of knowledge . . . . .	228
14.6 Human/Natural Ratio, the Efficiency of Natural Capital and the Principle of Least Action . . . . .	236
14.7 Main insights from Chapter 14 . . . . .	237
<b>Chapter 15 The exchange of mind for mass . . . . .</b>	<b>239</b>
15.1 Scope of the chapter. . . . .	239
15.2 Pricing a commodity . . . . .	239
15.3 A theory of exchange between human-made capital and natural capital . . . . .	242
15.4 Natural capital . . . . .	246
15.5 Human-made capital . . . . .	252
15.6 Main insights from Chapter 15 . . . . .	254
<b>Chapter 16 Metatypes for knowledge promotion and the enhancement of domestic value. . . . .</b>	<b>255</b>
16.1 Scope of the chapter. . . . .	255
16.2 For a national knowledge economy – manage or promote knowledge? . . . . .	255
16.3 Local knowledge and global value. . . . .	257
16.4 Different metatypes of knowledge promotion in Vietnam . . . . .	258
16.5 Enhancement of domestic value . . . . .	268
16.6 Main insights from Chapter 16 . . . . .	271
<b>Chapter 17 Conclusions and guidelines for policy: Seeking Thachsanh's inexhaustible rice bowl in the 21st century . . . . .</b>	<b>273</b>
17.1 Presentation of conclusions and guidelines for policy . . . . .	273
17.2 Consolidated listing of insights from the book . . . . .	273
17.3 Suggested guidelines for future policy development on ICTs knowledge and sustainable economic development . . . . .	280
17.4 Future research . . . . .	284
<b>Appendices . . . . .</b>	<b>285</b>
Appendix 1: Glossary of acronyms, abbreviations and notations and terms used in the book . . . . .	285
Appendix 2: Provisional definitions of terms, notations and concepts used in the book . . . . .	292
Appendix 3: Fieldwork - First round from 13 October 2004 to 19 May 2005 . . . . .	299
Appendix 4: Storyboard of questions for the first round of fieldwork 2004-2005 . . . . .	305
Appendix 5: List of Interviewees of the second round of fieldwork from January to December 2006 . . . . .	311
Appendix 6: Storyboard for the second round of fieldwork 2006 . . . . .	319

Appendix 7: Storyboard on ICT policy for sustainable economic development in Vietnam . . . . .	323
Appendix 8: Major Vietnamese ICT related policies and legal documents since 2000. . . . .	325
Appendix 9: Summary of challenges to and proposed solutions for the Vietnamese ICT industry . . . . .	329
Appendix 10: Summary of challenges to and proposed solutions for the Vietnamese ICT industry (continued) . . . . .	332
