Preliminary remarks about a different kind of King 7

- 1 Ludwig II and the reality of kingship 9**
- 2 Childhood and boyhood influences 16**
*»It is wonderful!« – Hohenschwangau Castle /
»It is such a shame about Otto's ailing condition« –
The king's brother / »To heavenly Darmstadt!« –
Close connections with Hesse*
- 3 The first two years of Ludwig's reign 37**
*»I have never felt as fresh as this« – From radiant
youth to royal wreck / »You would like my rooms« –
Ludwig's early buildings*
- 4 Ludwig rescues Richard Wagner 53**
*»It is so close to the city that everything can be done
as easily as if one were there« – Berg Castle on Lake
Starnberg / »That is where the oak of my true love for
you is rooted« – In search of Lohengrin*
- 5 1866, the year of change 71**
*»I cannot help doffing my hat to Schiller!« – The poet's
influence on Ludwig II*
- 6 Betrothal to Sophie in Bavaria 82**
*»Aunt Empress« – Ludwig's relationship with Elisabeth
of Austria*
- 7 Ludwig at a political crossroads 93**
*»The splendour of royalty!« – The cult surrounding
the Bourbon dynasty*

8 1870/71 and its consequences 102

*»I hope that I will be rid of my fever, toe infection and catarrh for a long time to come« – Ludwig, always ailing /
»The coalition must take control of the entire country, like a terrible inquisition« – Plans for a secret society*

9 Ludwig's most difficult struggle 119

10 Castles as a symbol of divine right 127

»Where I come to life again in delightful solitude, far away from the world that always denies me« – Ludwig's true places of residence / »There are serious impediments to my endeavour« – The debt-ridden King

11 Ludwig's withdrawal from public life and his decline 145

»The Social Democrat threat« – Ludwig's fear of revolution and assassination / »Otherwise it will be a Castle in the air« – Ludwig's last castle

12 The end and the beginning 163
