

# Bicycle Culture and Stories

*Cycling is all  
about smelling  
the flowers  
and hearing  
the birds and  
feeling the wind  
in your hair.  
We're here to  
fight for the  
wind in  
people's hair.*

Cycling Without Age  
(page 166)

Page 3	<b>Preface</b>
Page 6	<b><i>Drops &amp; Hooks</i></b> On fixed-gear style, extreme frames, custom paint jobs, and alternative apparel
Page 56	<b><i>Grander Touring</i></b> On mountain bikes, cross-country, ATB, travel bikes, long tours, quick rides, downhill, and freedom
Page 132	<b><i>Crosstown Cadences</i></b> On cargo bikes, folding bikes, e-bikes, pedelecs, tech-connected bikes, and the new commute
Page 192	<b><i>Breakaways</i></b> On racing bikes, sports, speed, velodrome drama, competition, and high-tech geometries
