PART I: EXAMINATION METHODS xiv

1 General Examination Methods 1

 Restraining the Patient 1

 Blood Sampling: Venous Blood Sampling 11

 Blood Sampling: Arterial Blood Sampling 14

2 Sample Processing 16

 Blood Sample..... 16

 Paracentesis 20

 Fine Needle Aspiration Biopsy 23

 Tissue Sample (Biopsy)..... 26

 Swab Sample..... 29

 Skin Scrape 32

 Impression Smear/Skin Scrape 35

 Hair Sample 38

 Urine Sample..... 40

 Faecal Sample..... 46

3 Cardiological Examination Methods..... 50

 Case History 50

 Inspection 50

 Palpation..... 52

 Auscultation..... 57

 X-Ray Study 63

 Electrocardiography (ECG)..... 71

 Ultrasound Examination 88

 Blood Pressure Measurement 105

 Measuring the Central Venous Pressure..... 106

 Thoracocentesis..... 109

 Pericardiocentesis 111

 Abdominocentesis 113

 Further Cardiological Examination Methods 114

4 Respiratory Examination Methods	115
Case History	115
Inspection	115
Palpation	117
Percussion	118
Auscultation	122
X-Ray Study	124
Endoscopy	129
Laryngoscopy	133
Tracheo-/Bronchoscopy	135
Biopsy of the Nasal Mucosa	138
Biopsy of the Tracheal/Bronchial Mucosa	140
Biopsy of the Lung	141
Endotracheal Lavage	145
Transtacheal Lavage	149
Thoracocentesis	151
Further Respiratory Examination Methods	152
5 Gastrointestinal Examination Methods	153
Case History	153
Inspection	153
Palpation	157
Percussion	163
Auscultation	164
Plain X-Ray Study	165
Gastrointestinal Contrast Medium Study	173
Gastroscopy	176
Coloscopy	180
Ultrasound Examination: Abdomen	183
Lymph Node Biopsy	187
Tumour Biopsy	188
Liver Biopsy	189
Gastric/Intestinal Biopsy	190
Rectal Swab Sample	192
Abdominocentesis	193
Further Gastrointestinal Examination Methods	194
6 Urological Examination Methods	195
Case History	195

Inspection	195
Palpation	196
Plain X-Ray Study	198
Contrast Medium Study	202
Endoscopy: Urethro-Cystoscopy	206
Ultrasound Examination	206
Biopsy of the Urinary Bladder	211
Biopsy of the Kidney	214
Urinary Catheter: Male Dog	215
Urinary Catheter: Male Cat	217
Urinary Catheter: Female Dog and Cat	218
Cystocentesis	221
Abdominocentesis	223
Further Urological Examination Methods	224
7 Gynaecological Examination Methods	225
Case History	225
Inspection	225
Palpation	227
X-Ray Study	229
Endoscopy: Vaginoscopy	231
Ultrasound Examination	232
Biopsy: Vaginal Smear	235
Further Gynaecological Examination Methods	235
8 Andrological Examination Methods	236
Case History	236
Inspection	236
Palpation	238
X-Ray Study	240
Ultrasound Examination	241
Biopsy: Fine Needle Aspiration Biopsy	243
9 Orthopaedic Examination Methods	244
Case History	244
Inspection	244
Palpation: Skull	246
Palpation: Spine	247
Palpation: Forelimb	249

Palpation: Hind Limb.....	254
X-Ray Study: Skull.....	265
X-Ray Study: Spine	267
X-Ray Study: Forelimb	270
X-Ray Study: Hind Limb	273
Endoscopy: Arthroscopy	298
Ultrasound Examination.....	303
Joint Biopsy	304
Bone Marrow Biopsy	305
Bone Biopsy.....	309
Arthrocentesis	311
Further Orthopaedic Examination Methods	313

10 Neurological Examination Methods 314

Case History	314
Inspection	315
Palpation.....	317
Postural Responses.....	319
Spinal Reflexes.....	324
Cranial Nerves	330
Sensory Perception.....	340
Plain X-Ray Study.....	344
Myelography.....	348
Cerebrospinal Fluid Puncture/CSF Tap	350
Further Neurological Examination Methods.....	355

11 Ophthalmological Examination Methods 356

Case History	356
Inspection	356
Sight Test.....	359
Reflexes	361
Penlight Examination	363
Schirmer Tear Test	364
Taking a Swab Sample	365
Fluorescein Test	366
Eversion of the Nictitating Membrane	367
Gonioscopy.....	368
Tonometry.....	370
Flushing of the Nasolacrimal Duct.....	372
Examinations During Pupillary Dilatation: Ophthalmoscopy	373

X-Ray Study	378
Ultrasound Examination.....	379
Biopsy.....	381
Further Ophthalmological Examination Methods	383
12 Otological Examination Methods	384
Case History	384
Inspection	384
Olfactory Test.....	387
Otoscopy	388
X-Ray Study	390
Biopsy.....	391
Hearing Test	392
Further Otological Examination Methods	393
13 Dermatological Examination Methods	393
Case History	393
Inspection	393
Palpation.....	401
Olfactory Test.....	403
Flea Check with Flea Comb.....	404
Wood-Lamp Examination.....	405
Skin Scrape	406
Swab Sample.....	408
Sticky Tape Impression Smear.....	409
Hair Pluck Sample	410
Skin Punch Biopsy.....	411
Fine Needle Biopsy.....	412
Further Dermatological Examination Methods	413
PART II: TREATMENT METHODS	414
14 Injection.....	415
Subcutaneous Injection	415
Intramuscular Injection	417
Intravenous Injection	421
Intraperitoneal Injection.....	424
Intracardiac Injection.....	425

Intraarticular Injection.....	426
Injection at the Bicipital Tendon.....	429
Eye injection: Subconjunctival Injection	430
Eye injection: Injection into the Chamber of the Eye.....	431
15 Venous Access	433
Peripheral Venous Catheter.....	433
Central Venous Catheter.....	437
Intraosseal Access	450
16 Infusion.....	453
Intravenous Infusion (gravity assisted)	453
Subcutaneous Infusion Therapy.....	457
Infusion Pump	460
Syringe Driver.....	464
17 Transfusion.....	467
Full Blood Transfusion	467
Preparation of Preserved Blood Units.....	477
Autotransfusion	479
18 Inhalation.....	482
Oxygen Supplementation.....	482
Endotracheal Intubation	484
Tracheotomy	489
Inhalation Therapy.....	492
19 Parenteral Nutrition.....	493
Pharyngostomy Tube	493
Percutaneous Endoscopic Gastrostomy (PEG Tube).....	495
Nasogastric Tube	499
20 Urinary Catheter	500
Urethral Catheter.....	500
Prepubic Urinary Catheter	505

21 Drainage.....	508
Thoracocentesis/Thoracic Drainage	508
Pericardiocentesis/Pericardial Drainage.....	512
Abdominocentesis/Abdominal Drainage.....	518
Paracentesis	521
22 Flushes	523
Nasal Flush.....	523
Nasolacrimal Duct Flush	526
Ear Flush.....	528
Peritoneal Lavage	531
Gastric Lavage	533
Colonic Lavage	534
Anal Sac Lavage	536
Urethral Lavage.....	538
23 Bandages	542
Ruff.....	542
Spray/Plaster/Stulpa Dressing.....	543
Ear Dressing.....	544
Head/Neck Dressing.....	547
Thoracic Dressing	548
Abdominal Dressing.....	549
Tail Dressing.....	550
Bandage for the Fore Limb.....	551
Bandage for the Hind Limb.....	553
Elbow Dressing.....	555
Stifle Dressing	556
Robert-Jones Dressing	557
Elastic Bandage	558
Splint Bandage	560
Schröder-Thomas Dressing	563
Ehmer-Sling Bandage.....	564
Velpéau-Sling Bandage.....	566
Robinson-Sling Bandage.....	567
Hoppel-Sling Bandage	568
Index	569
