4. Printing template for planning the training unit	Page 40
5. Editor's note	Page 41
6. Further reference books published by DV Concept	Page 42

Acknowledgments

Writing this book would not have been possible without the help of Alie Lackner who contributed to the training units by sharing her experience in the field of children's gymnastics, by coming up with game ideas, and by giving plenty of advice regarding age-appropriate exercising. Thank you so much for this. I also wish to thank my co-editor, Elke Lackner, who made a major contribution regarding the concept and structure of the training units and exercises.

1st English edition released on 20 Apr 2016

German original edition released on 20 Jun 2014

Published by DV Concept

Editors, Design and Layout: Jörg Madinger, Elke Lackner

Proofreading and English translation: Nina-Maria Nahlenz

ISBN: 978-3-95641-167-0
