

Contents

Part I Anxiety Disorders - Clinical

Anxiety Disorders Diagnosis: Some History and Controversies 3
O. Joseph Bienvenu, Lisa A. Wuyek, and Murray B. Stein

Epidemiology of Anxiety Disorders 21
Ronald C. Kessler, Ayelet Meron Ruscio, Katherine Shear,
and Hans-Ulrich Wittchen

Comorbidity in Anxiety Disorders 37
Kathleen Ries Merikangas and Sonja Alsemgeest Swanson

Part II Anxiety Disorders - Clinical Neuroscience

Genetics 63
Katharina Domschke and Jürgen Deckert

Neuroanatomy of Anxiety 77
Newton Sabino Canteras, Leonardo Barbosa Resstel, Leandro José Bertoglio,
Antonio de Pádua Carobrez, and Francisco Silveira Guimarães

Stress and the Neuroendocrinology of Anxiety Disorders 97
J.M. Pêgo, J.C. Sousa, O.F.X. Almeida, and N. Sousa

Part III Animal Models

Animal Models of Anxiety and Anxiolytic Drug Action 121
Dallas Treit, Elif Engin, and Kris McEown

Genetic Approaches to Modeling Anxiety in Animals	161
Laura H. Jacobson and John F. Cryan	
 Part IV Translational Science	
Behavioral Correlates of Anxiety	205
Victoria Risbrough	
Challenging Anxiety: A Focus on the Specificity of Respiratory Symptoms	229
M.A. Van Duinen, V. Niccolai, and E.J.L. Griez	
Functional Neuroanatomy of Anxiety: A Neural Circuit Perspective	251
Amit Etkin	
Pharmacological Enhancement of Behavioral Therapy: Focus on Posttraumatic Stress Disorder	279
Dennis C. Choi, Barbara O. Rothbaum, Maryrose Gerardi, and Kerry J. Ressler	
 Part V Preclinical and Clinical Psychopharmacology	
<i>Pharmacological Systems</i>	
The Pharmacology of Anxiety	303
C. Durant, D. Christmas, and D. Nutt	
GABA_A Receptor $\alpha 2/\alpha 3$ Subtype-Selective Modulators as Potential Nonsedating Anxiolytics	331
John R. Attack	
Antidepressant Treatment in Anxiety Disorders	361
Anton Y. Bespalov, Marcel M. van Gaalen, and Gerhard Gross	
Metabotropic Glutamate Receptors: Their Therapeutic Potential in Anxiety	391
Will Spooren, Anne Lesage, Hilde Lavreysen, Fabrizio Gasparini, and Thomas Steckler	
Developing Small Molecule Nonpeptidergic Drugs for the Treatment of Anxiety Disorders: Is the Challenge Still Ahead?	415
Thomas Steckler	
Cannabinoids and Anxiety	429
Fabrício A. Moreira and Carsten T. Wotjak	

Pharmacological Therapy

Pharmacological Treatment of Generalized Anxiety Disorder 453
David S. Baldwin, Khalil I. Ajel, and Matthew Garner

Pharmacologic Treatment of Panic Disorder 469
Jeffrey D. Lightfoot, Elizabeth Hay, and Andrew W. Goddard

Pharmacotherapy of Social Anxiety Disorder 487
Keith A. Ganasen and Dan J. Stein

Pharmacotherapy of Post-Traumatic Stress Disorder 505
Lakshmi N. Ravindran and Murray B. Stein

Pharmacological Treatment of Obsessive-Compulsive Disorder 527
Helen Blair Simpson

Index 545
