

CONTENTS

Foreword	9
Introduction	13
1. Scientific aspects	18
1.1 What is DMSO?	18
1.2 Properties	23
1.2.1 Physical properties	24
1.2.2 Chemical properties	28
1.2.3 Pharmacological properties	34
1.2.4 Safety of the medicinal product	49
2. Therapeutic application	55
2.1 General instructions for use	56
2.2 External administration	64
2.3 Oral administration	76
2.4 Administration by injection	80
2.5 DMSO administration in combination with other substances	91
2.5.1 DMSO and MMS / CDS or hydrogen peroxide	92
2.5.2 DMSO and procaine	116
2.5.3 DMSO and haematoxylin	121
2.5.4 DMSO and other (cancer) medications	128
2.5.5 DMSO and ascorbic acid	136
3. Fields of application and case examples	140
4. DMSO for animals	237
5. Sources of supply	244
6. Overview of doses	253
Afterword	256
List of references	258
Index	263
