1	Space Agencies Commercial Space Transportation Programmes . . .	1
1.1	Introduction	1
1.2	Background	1
1.3	Demand for Commercial Cargo and Crew Launch Services . . .	4
1.4	Demand for Sub-orbital Launch Services	5
1.5	NASA Commercial Space Transportation Programmes	7
1.6	Worldwide Space Act Agreements	8
1.7	NASA COTS	9
1.8	NASA CCDev	10
1.9	NASA CCP	12
1.10	NASA Flight Opportunities Programme	13
1.11	Collaboration for Commercial Space Capabilities	15
1.12	NASA Commercial Data Relay Satellites	16
1.13	Economic Impacts	17
	1.13.1 Market Structures	17
	1.13.2 Economic Benefits	17
1.14	Conclusions	19
2	Commercial Space Markets and Stakeholders	21
2.1	Introduction	21
2.2	Background	21
2.3	Market Segmentation Challenges	24
2.4	Commercial Space Market Overview	25
2.5	Criteria for Classifying Future NewSpace Markets	28
2.6	Description of Commercial Space Markets	30
2.7	NewSpace Industry Stakeholders	33
2.8	Conclusions	33
3	Commercialization Lessons	35
3.1	Introduction	35
3.2	Background	35

3.3	Space Shuttle Commercialization	36
3.4	Space Station Commercialization Lessons	38
3.4.1	Industrial Space Facility	38
3.4.2	MIR Space Station	40
3.4.3	ISS Station Commercialization	44
3.5	Conclusions	46
4	Interplanetary Settlement and In Situ Exploration	49
4.1	Introduction	49
4.2	Stakeholders	50
4.3	Interplanetary Settlement	51
4.4	In Situ and Planetary Resource Exploitation	53
4.5	Lunar Exploration	55
4.5.1	Moon Village	58
4.5.2	NASA Lunar Catalyst Programme	62
4.5.3	NASA NextStep Programme	63
4.6	Targeted Markets	63
4.6.1	Lunar Mining	64
4.6.2	Lunar 3D Printing	65
4.6.3	Mining Asteroids	66
4.7	Mars Exploration	69
4.7.1	Mars One Concept	70
4.8	Challenges	71
4.9	Conclusions	71
5	Commercial Space Station Activities	73
5.1	Introduction	73
5.2	Stakeholders	75
5.3	Lessons Learnt from Space Station Commercialization	78
5.4	Targeted Markets	80
5.5	Market-Driven Trends	85
5.5.1	USA	85
5.5.2	Europe	90
5.6	Conclusions	90
6	Space Debris Mitigation	93
6.1	Introduction	93
6.2	Stakeholders	97
6.3	Space Debris and Aviation Safety	98
6.4	ESA Space Debris Programmes	99
6.5	JAXA Studies	100
6.6	Targeted Markets and Services	101
6.7	In-Orbit Satellite Servicing	102
6.8	Conclusions	104

7	Sub-orbital Markets	107
7.1	Introduction	107
7.2	Stakeholders	107
7.3	Sub-orbital Reusable Vehicle Lessons	110
7.4	Targeted Sub-orbital Markets	112
7.4.1	Space Tourism	114
7.4.2	R&D Payloads	115
7.5	Conclusions	117
8	Spaceports	119
8.1	Introduction	119
8.2	Stakeholders	119
8.3	Targeted Markets/Services	122
8.3.1	USA	123
8.3.2	Europe	125
8.4	Conclusions	125
