

Table of contents

Abstract.....	9
1. Structure.....	11
1.1 List of figures.....	11
1.2 List of tables.....	11
1.3 List of charts.....	12
1.4 List of abbreviations.....	12
1.5 Appendix overview.....	13
2. Introduction.....	15
2.1 Motivation and problem area.....	15
2.2 Related work.....	16
2.3 Research questions.....	17
2.4 Thesis structure.....	17
3. Part I: Literature review.....	19
3.1 Theoretical background.....	19
3.2 Cloud platform ecosystems.....	26
3.3 Dynamic capabilities.....	29
3.4 Dynamic capabilities in the context of platforms.....	35
3.5 Specification of research questions.....	39
3.6 Expectations.....	40
4. Part II: Methodology.....	41
4.1 Case study research.....	41
4.2 Method overview.....	43
5. Part III: Case Study - Dynamic capabilities within the Amazon Web Services ecosystem.....	47
5.1 Introduction.....	47
5.2 Case preparation.....	48
5.3 Data collection.....	50
5.4 Data conversion.....	51
5.5 Case study analysis and results.....	54
6. Part IV: Discussion.....	91
6.1 Theoretical implications.....	91
6.2 Managerial implications.....	95
6.3 An integrated framework of DCs within CPEs.....	95
6.4 Quality of the study.....	96
6.5 Main findings.....	98
6.6 Limitations and future research.....	99
7. Conclusion.....	101
8. References.....	103
9. Appendices.....	111
9.1 Appendix A: Case study database.....	111
9.2 Appendix B: Extracts.....	207
