

CONTENTS

W. Sabuga	
"Primary high-pressure standards and methods for the realisation of the pressure scale"	11
A. Schäfer	
"Secondary high-pressure standards: high-pressure measurement techniques, pressure transducers, application fields of pressure transducers based on foil strain gauges"	27
J. Könemann, T. Konczak, A. Gluschko, W. Sabuga	
"Calibration of high pressure transducers"	39
J. Könemann, T. Konczak, A. Gluschko, W. Sabuga	
"Handling of high pressure transducers"	47
S. Ehlers	
"Data presented in calibration certificates of high-pressure transducers, their interpretation and use under real measurement conditions and procedures"	53
J. Könemann, S. Ehlers, T. Konczak, A. Gluschko, W. Sabuga	
"Evaluation of calibration results of high pressure transducers and uncertainty analysis"	67
