Preface	v
Acknowledgements	vii
Chapter 1	
Introducing the Moon	1
What's New?..	2
Introduction	3
Early Ideas About the Moon	5
Landmarks in Lunar Astronomy	7
Orbit and Motion	9
Libration	11
Phases of the Moon	14
Sidereal and Synodic Month	17
Features of the Moon	18
Terms Used When Observing the Moon	26
Maps of the Moon	27
Gravity and Tidal Forces	29
Atmosphere	31
Water	32
Temperature	33
Magnetic Field	34
Far Side of the Moon	35
Web Notes	38
Chapter 2	
Probing the Moon	39
What's New?..	40

	Early Space Probes to the Moon.	42
	Apollo Missions	44
	More Lunar Missions	46
	Getting to the Moon	51
	Recent Lunar Missions	56
	USA Return to the Moon	61
	Further Lunar Probes	64
	Web Notes	68
Chapter 3	Geological History of the Moon	69
	What's New?.	70
	Origin of the Moon	71
	History of the Moon	74
	The Moon's Periods	75
	Lunar Rocks and Soil	77
	Ancient Impact Basins	79
	Mare Geology.	82
	The Highlands	87
	Lunar Mountains	89
	Lunar Valleys	92
	Transient Lunar Phenomena	94
	Interior of the Moon	97
	Mascons	99
	The Far Side of the Moon	101
	Web Notes	104
Chapter 4	Occultations and Eclipses	105
	What's New?.	106
	Occultations	107
	Eclipses	112
	Web Notes	126
Chapter 5	Observing the Moon	127
	What's New?.	128
	Beginning a Study of the Moon	130
	Observing with Binoculars	131
	Types of Optics in Binoculars	135
	Using a Telescope	136
	The Refractor	137
	Reflectors	139
	Eyepieces	141
	Filters	142

Contents

Mounting for Telescopes	143
Observing the Moon	148
Photographing the Moon	155
Single Lens Reflex Photography	156
CCD Cameras	157
Determining Exposures	159
Video and CCD Cameras	161
Image Processing	162
List of Recommended Astrophotography Books	163
Web Notes	164
 Chapter 6 Studying the Moon	 165
Study Area 1: Mare Crisium	167
Study Area 2: Southeast Limb	175
Study Area 3: Northeast Limb	185
Study Area 4: Mare Tranquillitatis	191
Study Area 5: Mare Serenitatis	199
Study Area 6: Mare Nectaris West	206
Study Area 7: Mare Vaporum	212
Study Area 8: Central Highlands	220
Study Area 9: Mare Nubium	227
Study Area 10: Northern Plains	234
Study Area 11: Southern Highlands	243
Study Area 12: Mare Cognitum	250
Study Area 13: Sinus Iridum	257
Study Area 14: Mare Insularum	263
Study Area 15: Mare Humorum	272
Study Area 16: Oceanus Procellarum	281
Study Area 17: Western Limb	288
 About the Author	 297
 Glossary	 299
