Foreword <i>Ricardo L. Carrau</i>	xv
Foreword <i>Milind Kirtane</i>	xvi
Preface <i>Narayan Jayashankar</i>	xvii
Preface <i>Prepageran Narayanan</i>	xviii
About the Authors	xix
Contributors	xx
Abbreviations	xxvi
Section I: Pituitary Gland Tumors	
1. Pathologies of the Sellar Region <i>Michel Roethlisberger, Revadi Govindaraju, Jonathan Rycken, Adam Jadcak, Yves Brand, Jeyaganesh V., Kein Seong Mun, Jürgen Hench, Luigi Mariani, Prepageran Narayanan, and Vicknes Waran</i>	3
2. Endoscopic Transnasal Approach for Pituitary Tumors <i>Narayan Jayashankar, Rajan Shah, and Suresh Sankhla</i>	94
3. Endoscopic Endonasal Surgeries for Pituitary Macroadenoma	104
Single Nostril Endoscopic Transseptal Transsphenoidal Approach for a Pituitary Macroadenoma <i>Adzeil Bakri, Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	104
Extended Endoscopic Transseptal Transsphenoidal Transplanum (Single Nostril) Excision of a Pituitary Macroadenoma <i>Kong Yew Liew, Michel Roethlisberger, Adzeil Bakri, Saif Al-Zahid, Prepageran Narayanan, and Vicknes Waran</i>	109
Endoscopic Transseptal Transsphenoidal Excision of a Pituitary Macroadenoma with Left Anterior Cerebral Artery Involvement <i>Michel Roethlisberger, Kong Yew Liew, Adzeil Bakri, Prepageran Narayanan, and Vicknes Waran</i>	113
Binostril Endoscopic Transseptal Transsphenoidal Intra- and Extracapsular Excision of a Pituitary Macroadenoma <i>Michel Roethlisberger, Yves Brand, and Luigi Mariani</i>	118
Endoscopic Transseptal Transsphenoidal (Binostril) Resection of a Suprasellar Pituitary Adenoma <i>Michel Roethlisberger, Yves Brand, and Luigi Mariani</i>	125
Single Nostril Endoscopic Transseptal Transsphenoidal Excision of a Pituitary Macroadenoma with an Anteriorly Located Pituitary Gland <i>Revadi Govindaraju, Michel Roethlisberger, Saif Al-Zahid, Prepageran Narayanan, and Vicknes Waran</i>	131
Endoscopic Transseptal Transsphenoidal (Single Nostril) Resection of a Pituitary Macroadenoma Complicated with a Postoperative Cerebrospinal Fluid Leak <i>Adzeil Bakri, Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	136
Endonasal Endoscopic Mononostril Transsphenoidal Approach for a Macroadenoma with Detected Residual in Intraoperative MRI <i>Michel Roethlisberger, Warren O. Bennett, Prepageran Narayanan, and Vicknes Waran</i>	142
Resection of a Giant Pituitary Macroadenoma Complicated by Intraoperative Hemorrhage <i>Asiya Kamber Zaidi, Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	152
4. Endoscopic Endonasal Revision Surgery for Pituitary Adenoma	157
Endoscopic Endonasal Transsphenoidal Revision Surgery for a Recurrent Pituitary Adenoma <i>Liew Yew Toong, Michel Roethlisberger, Saif Al-Zahid, Prepageran Narayanan, and Vicknes Waran</i>	157
	vii

Endoscopic Endonasal Transsphenoidal Resection of a Transcranially Preoperated Recurrent Pituitary Adenoma <i>Michel Roethlisberger, Warren O. Bennett, Saif Al-Zahid, Prepageran Narayanan, and Vicknes Waran</i>	160
5. Endoscopic Endonasal Surgery for Functioning Pituitary Adenoma	170
Single Nostril Endoscopic Transseptal Transsphenoidal Excision of an ACTH-Producing Microadenoma <i>Adzreil Bakri, Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	170
Binostril Endoscopic Transseptal Transsphenoidal Excision of an ACTH-Producing Pituitary Microadenoma <i>Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	174
Mononostril Endonasal Endoscopic Resection of a Growth Hormone–Producing Pituitary Microadenoma <i>Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	180
Endonasal Endoscopic Binostril Excision of a Growth Hormone–Producing Extrasellar Macroadenoma Involving the Sphenoid Sinus and the Clival Region <i>Michel Roethlisberger and Luigi Mariani</i>	185
6. Endoscopic Endonasal Surgery for Cystic Lesions of the Sella	193
Endoscopic Endonasal Excision of a Rathke Cleft Cyst <i>Michel Roethlisberger, Kong Yew Liew, Saif Al-Zahid, Adzreil Bakri, Prepageran Narayanan, and Vicknes Waran</i>	193
Single Nostril Endoscopic Transseptal Transsphenoidal Excision of an Intraseellar Pituitary Mucocele <i>Adzreil Bakri, Prepageran Narayanan, Vicknes Waran, and Michel Roethlisberger</i>	199
Section II: Supra-sellar Region	
7. Craniopharyngioma <i>Michel Roethlisberger, Raphael Guzman, Jonathan Rycken, Adam Jadcak, Yves Brand, Kein Seong Mun, Jürgen Hench, Luigi Mariani, Prepageran Narayanan, and Vicknes Waran</i>	207
8. Endoscopic Endonasal Transsphenoidal Transplanum Transtuberculum Approach <i>Suresh Sankhla and Narayan Jayashankar</i>	235
9. Endoscopic Endonasal Surgeries for Craniopharyngioma	249
Endonasal Transnasal Transseptal Transsphenoidal Excision of a Solitary Cystic Craniopharyngioma <i>Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	249
A Tailored Extended Endonasal Endoscopic Approach for a Large Multicystic-Solid Craniopharyngioma <i>Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	256
A Tailored Extended Endoscopic Transseptal Transsphenoidal Excision of a Solid-Cystic Craniopharyngioma Extending to the Third Ventricle <i>Michel Roethlisberger, Kong Yew Liew, Saif Al-Zahid, Prepageran Narayanan, and Vicknes Waran</i>	265
Endoscopic Transseptal Transsphenoidal Debulking of an Adult Solid-Cystic Adamantinomatous Craniopharyngioma with Hypothalamic Invasion <i>Michel Roethlisberger, Yves Brand, and Raphael Guzman</i>	269
A Tailored Extended Endoscopic Approach for a Pediatric Craniopharyngioma <i>Michel Roethlisberger, Wong HT, Sien Hui Tan, Saif Al-Zahid, Prepageran Narayanan, and Vicknes Waran</i>	278
10. Microsurgical Approach for Suprasellar Lesions <i>Rajan Shah, Prashik Waghmare, and Sudhendoo Babhulkar</i>	283
11. Sellar, Parasellar, and Suprasellar Meningioma <i>Michel Roethlisberger, Dominik Cordier, Jürgen Hench, Adam Jadcak, Yves Brand, Luigi Mariani, Prepageran Narayanan, and Vicknes Waran</i>	287
12. Tailored Endonasal Endoscopic Approaches for Meningioma Involving the Planum Sphenoidale and Tuberculum Sellae	310
Extended Endoscopic Endonasal Transethmoidal Approach for a Midline Meningioma of the Planum Sphenoidale and Olfactory Groove <i>Michel Roethlisberger and Yves Brand</i>	310
A Tailored Extended Endonasal Endoscopic Approach for an Intraseellar Tuberculum Sellae Meningioma <i>Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	318
A Tailored Extended Endonasal Endoscopic Approach for a Medium-Sized Tuberculum Sellae Meningioma <i>Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	327

A Tailored Endonasal Endoscopic Approach for a Large Tuberculum Sellae Meningioma <i>Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	344
A Tailored Extended Endonasal Endoscopic Approach for a Large Synchronous Tumor of the Sellar and Parasellar Region <i>Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	355
13. Pterional Craniotomy and Resection of Tuberculum Sellae Meningioma <i>Amr Mohamed, Robert Iorga, and Sanjeeva Jeyaretna</i>	362
Section III: Transcribriform Approach	
14. Endoscopic Resection of Sinonasal Tumors with Endonasal Craniectomy <i>Prathamesh S. Pai and Neelesh Tiwari</i>	369
Section IV: Clival Region	
15. Skull Base Chordoma <i>Saif Al-Zahid, Michel Roethlisberger, Revadi Govindaraju, Yves Brand, Luigi Mariani, Jürgen Hench, Prepageran Narayanan, and Vicknes Waran</i>	385
16. Transclival Approach to the Skull Base and Posterior Fossa <i>Rafael Uribe, Vijay K. Anand, and Theodore H. Schwartz</i>	396
17. Endoscopic Endonasal Surgeries for Clival Chordomas	404
Endoscopic Endonasal Excision of a Clival Chordoma <i>Kong Yew Liew, Michel Roethlisberger, Saif Al-Zahid, Prepageran Narayanan, and Vicknes Waran</i>	404
Endoscopic Endonasal Transclival Approach for the Excision of a Clival Chordoma <i>Liew Yew Toong, Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	406
Section V: Craniocervical Junction	
18. Pathologies of the Craniocervical Junction <i>Revadi Govindaraju, Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	413
19. Endonasal Endoscopic Surgeries of the Craniocervical Junction	424
Combined Endoscopic Endonasal and Transoral Debridement of Cervical C1–C2 Osteoradionecrosis <i>Liew Yew Toong, Prepageran Narayanan, and Vicknes Waran</i>	424
Endoscopic Transatlas Decompression of a Basilar Invagination with Syringomyelia <i>Adzreil Bakri, Michel Roethlisberger, Prepageran Narayanan, Vicknes Waran, and Liew Yew Toong</i>	427
Endoscopic Trans C1/C2 Decompression of Basilar Invagination <i>Adzreil Bakri, Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	432
Endoscopic Endonasal Approach for a Foramen Magnum Meningioma <i>Kong Yew Liew, Michel Roethlisberger, Adzreil Bakri, Prepageran Narayanan, and Vicknes Waran</i>	436
Endoscopic Endonasal Approach for a Teratoma of the Craniocervical Junction <i>Adzreil Bakri, Prepageran Narayanan, and Vicknes Waran</i>	441
Section VI: Orbital Region	
20. Approach to Orbital Lesions: Intraconal and Extraconal <i>Sarina K. Mueller and Benjamin S. Bleier</i>	447
21. Endonasal Endoscopic Surgeries of the Orbit <i>Sien Hui Tan, Adzreil Bakri, and Prepageran Narayanan</i>	453
Section VII: Orbital Apex and Optic Nerve	
22. Pathologies of the Orbital Apex and Optic Nerve <i>Revadi Govindaraju, Michel Roethlisberger, and Prepageran Narayanan</i>	467

23. Endonasal Endoscopic Surgeries of the Orbit Apex and Optic Nerve	476
Endoscopic Endonasal Excision of a Left Orbital Apex Tumor with Extension to the Cavernous Sinus	476
<i>Adzreil Bakri, Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	
Endoscopic Transnasal Optic Nerve Decompression in a 4-Year-Old Child	480
<i>Sien Hui Tan, Adzreil Bakri, and Prepageran Narayanan</i>	
Endoscopic Endonasal Excision of Recurrent Optic Nerve Glioma	483
<i>Kong Yew Liew, Saif Al-Zahid, Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	
Section VIII: Infratemporal Fossa and Parapharyngeal Space	
24. Endoscopic Transpterygoid Approaches to the Coronal Plane	493
<i>Kyle VanKoeveering, Nyall London, Daniel M. Prevedello, and Ricardo L. Carrau</i>	
25. Endonasal Endoscopic Surgeries of Lesions Occupying the Infratemporal Fossa and the Parapharyngeal Space	502
Endoscopic Transoral Approach to Parapharyngeal Tumors	502
<i>Sien Hui Tan, Adzreil Bakri, and Prepageran Narayanan</i>	
Recurrent Trigeminal Schwannoma—Transcervical Approach for Excision of Complex Giant Tumor and	
Endoscopic-Assisted Excision of the Intracranial Component	505
<i>Asiya Kamber Zaidi, Jeyanthi Kulasegarah, Vicknes Waran, and Prepageran Narayanan</i>	
Endoscopic Transoral Approach to Parapharyngeal Neurofibroma	510
<i>Sien Hui Tan, Adzreil Bakri, and Prepageran Narayanan</i>	
Endoscopic Transoral Approach to Parapharyngeal Pleomorphic Adenoma	513
<i>Sien Hui Tan, Adzreil Bakri, and Prepageran Narayanan</i>	
Endoscopic Endonasal Transpterygoid Nasopharyngectomy	516
<i>Ing Ping Tang, Revadi Govindaraju, and Prepageran Narayanan</i>	
26. Management of Juvenile Nasopharyngeal Angiofibroma	522
<i>Renuka Bradoo, Madhu Sudhan V., and Tejal Patel</i>	
Section IX: Petrous Region	
27. Pathologies of the Petrous Apex	537
<i>Eugene Hung Chih Wong, Revadi Govindaraju, Michel Roethlisberger, and Prepageran Narayanan</i>	
28. Endonasal Endoscopic Surgeries for Petrous Apex Lesions	548
Endoscopic Transsphenoidal Excision of a Large Petrous Apex Cholesteatoma	548
<i>Jeyanthi Kulasegarah, Vicknes Waran, and Prepageran Narayanan</i>	
Endoscopic Transsphenoidal Excision of a Left Petrous Apex Cholesterol Granuloma	550
<i>Jeyanthi Kulasegarah, Michel Roethlisberger, Vicknes Waran, and Prepageran Narayanan</i>	
29. Endoscopic Petroclival Approach	554
<i>Jun Muto, John Clemente de Leon, and Yuichi Hirose</i>	
Section X: Meckel's Cave	
30. Meckel's Cave Lesions	563
<i>A.B. Zulkiflee, Michel Roethlisberger, and Prepageran Narayanan</i>	
31. Endonasal Endoscopic Surgeries at Meckel's Cave	565
<i>Revadi Govindaraju, Michel Roethlisberger, A.B. Zulkiflee, Prepageran Narayanan, and Vicknes Waran</i>	
32. Trigeminal Schwannomas	572
<i>Alexandre B. Todeschini, Bradley A. Otto, Ricardo L. Carrau, and Daniel M. Prevedello</i>	
Section XI: Cerebrospinal Fluid Rhinorrhea	
33. Endoscopic Management of Cerebrospinal Fluid Rhinorrhea	593
<i>Milind Kirtane, Kashmira Chavan, and Achala Kamath</i>	

34. Endonasal Endoscopic Surgeries for Cerebrospinal Fluid Leakage	614
Endonasal Endoscopic Repair of Spontaneous Cerebrospinal Fluid Leak in the Left Cribriform Plate <i>Michel Roethlisberger, Wong HT, and Prepageran Narayanan</i>	614
Endonasal Endoscopic Repair of a Traumatic Cerebrospinal Fluid Leak <i>Adzreil Bakri, Michel Roethlisberger, and Prepageran Narayanan</i>	617
Iatrogenic Cerebrospinal Fluid Leak of the Cribriform Plate <i>Warren O. Bennett, Revadi Govindaraju, Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran</i>	619
Endoscopic Repair of an Iatrogenic Cerebrospinal Fluid Leak after Functional Endoscopic Sinus Surgery <i>Wong HT, Michel Roethlisberger, Adzreil Bakri, Sien Hui Tan, and Prepageran Narayanan</i>	622
Endoscopic Repair of an Encephalocele in the Cribriform Plate <i>Michel Roethlisberger, Wong HT, Adzreil Bakri, Vicknes Waran, and Prepageran Narayanan</i>	625
Endoscopic Repair of Cerebrospinal Fluid Leaks in the Lateral Sphenoid Sinus Recess <i>Nishit J. Shah and Viraj J. Kaluskar</i>	628
Endoscopic Transpterygoid Approach to Repair Sphenoid Sinus Lateral Recess Meningoencephalocele <i>Revadi Govindaraju, Michel Roethlisberger, and Prepageran Narayanan</i>	636
Endonasal Endoscopic Repair of a Pediatric Encephalocele <i>Wong HT, Michel Roethlisberger, Sien Hui Tan, Saif Al-Zahid, Vicknes Waran, and Prepageran Narayanan</i>	640
35. Open Surgical Management of Encephaloceles	643
<i>Liew Yew Toong, Saif Al-Zahid, Michel Roethlisberger, and Prepageran Narayanan</i>	
Section XII: Reconstruction in Endoscopic Skull Base	
36. Principles and Techniques of Reconstruction in Skull Base Defects <i>Swati Kodur Patil and Narayan Jayashankar</i>	649
Section XIII: Cavernous Sinus	
37. Transcavernous and Anterior Transpetrous Approaches <i>Ankit S. Shah, Amol Raheja, and Ashish Suri</i>	663
38. Cavernous Sinus Surgery <i>Robert Iorga, Amr Mohamed, Fintan Sheerin, Jash Patel, Samuel Mackeith, and Sanjeeva Jeyaretna</i>	683
Section XIV: Sinonasal Tumors	
39. Sinonasal Tumors <i>Eugene Hung Chih Wong, Revadi Govindaraju, and Prepageran Narayanan</i>	691
40. Endonasal Endoscopic Management of Sinonasal Tumors	699
Endoscopic Excision of an Inverted Papilloma with Extension to the Orbit, Infratemporal Fossa, and the Base of Skull <i>Adzreil Bakri, Michel Roethlisberger, and Prepageran Narayanan</i>	699
Endoscopic Excision of a Sinonasal Adenoid Cystic Carcinoma <i>Eugene Hung Chih Wong, Revadi Govindaraju, and Prepageran Narayanan</i>	703
Endoscopic Excision of Recurrent Olfactory Neuroblastoma with Extension to the Orbit, Infratemporal Fossa, and Cavernous Sinus <i>Adzreil Bakri, Prepageran Narayanan, and Vicknes Waran</i>	705
Endoscopic Transpterygoid Infrapetrous Approach to Petrous Apex in Recurrent Nasopharyngeal Carcinoma <i>Liew Yew Toong, Prepageran Narayanan, and Vicknes Waran</i>	708
Endoscopic Excision of a Sinonasal Osteosarcoma with Orbital Decompression <i>Saif Al-Zahid, Revadi Govindaraju, Michel Roethlisberger, and Prepageran Narayanan</i>	710
Endoscopic Modified Denker's Approach for Excision of Sinonasal Verrucous Carcinoma <i>Revadi Govindaraju, Michel Roethlisberger, and Prepageran Narayanan</i>	714

Section XV: Skullbase Fibro-osseous Pathologies

- 41. Skull Base Fibro-osseous Pathologies 721
Jeyanthi Kulasegarah, Vicknes Waran, and Prepageran Narayanan
- 42. Endoscopic Management of Skull Base Fibro-osseous Pathologies 728
Saif Al-Zahid, Michel Roethlisberger, Vicknes Waran, and Prepageran Narayanan
- 43. Combined Open and Endonasal Endoscopic Management of Skullbase Fibro-osseous Pathologies 733
Saif Al-Zahid, Malik Ibrahim Malik, Revadi Govindaraju, Michel Roethlisberger, Vicknes Waran, and Prepageran Narayanan

Section XVI: Complications

- 44. Complications in Endoscopic Skull Base Surgery 741
Gaurav Shankar Medikeri and Satish Jain

Section XVII: Basics in Otology

- 45. Cortical Mastoidectomy 759
Narayan Jayashankar
- 46. Posterior Tympanotomy and Extended Posterior Tympanotomy 761
Narayan Jayashankar
- 47. Facial Nerve Anatomy and Relationships 764
Narayan Jayashankar

Section XVIII: Translabyrinthine Approach

- 48. The Enlarged Translabyrinthine Approach 771
Narayan Jayashankar, Suresh Sankhla, and Rajan Shah
- 49. Translabyrinthine Approach for the Resection of a Large Vestibular Schwannoma 781
Adzeil Bakri, Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran

Section XIX: Approaches Through the Otic Capsule

- 50. Modified Transcochlear Approach Type A 787
Narayan Jayashankar and K.P. Morwani
- 51. Transotic Approach 795
Narayan Jayashankar
- 52. Modified Transcochlear Approach Type B 800
Narayan Jayashankar
- 53. Modified Transcochlear Approach Type C 802
Narayan Jayashankar

Section XX: Retrolabyrinthine Approach

- 54. Petrous Apex Cholesterol Granuloma Excision—Transmastoid Retrolabyrinthine Approach 807
Jeyanthi Kulasegarah, Vicknes Waran, and Prepageran Narayanan

Section XXI: Presigmoid Approach

- 55. Presigmoid Retrolabyrinthine Approach 813
Michel Roethlisberger, Vicknes Waran, and Prepageran Narayanan

Section XXII: Management of Glomus Tumors/Approaches to Jugular Foramen

56. Glomus Tympanicum Tumors 821
Narayan Jayashankar
57. Management of Class B1 and B2 Temporal Bone Paragangliomas (Glomus Tumors) 826
Narayan Jayashankar
58. Management of Class B3 Temporal Bone Paragangliomas (Glomus Tumors) 834
Madhuri Mehta
59. Management of Type C Glomus Tumors: Infratemporal Fossa Type A Approach for Glomus Jugulare Tumors 838
Satish Jain and Narayan Jayashankar
60. Petro-Occipital Transsigmoid Approach 849
Narayan Jayashankar and R. Chandra Shekar Reddy

Section XXIII: Approach to Foramen Magnum Tumors

61. Far and Extreme Lateral Transcondylar Approach to the Foramen Magnum 857
Sanjay Behari, Ashish R. Sharma, Kuntal Kanti Das, and Kamlesh Singh Bhaisora

Section XXIV: Surgeries for Vertigo

62. Endolymphatic Sac Decompression 881
Narayan Jayashankar
63. Transmastoid Labyrinthectomy 885
Narayan Jayashankar
64. Vestibular Neurectomy by Retrosigmoid Approach 887
Jacques Magnan

Section XXV: Microvascular Decompression

65. Endoscope-Assisted Retrosigmoid Approach in Neurovascular Decompression 895
Jacques Magnan

Section XXVI: Retrosigmoid Approach

66. Retrosigmoid Approach 909
Suresh Sankhla and Narayan Jayashankar
67. Retrosigmoid Craniotomy with Stereotactic Supratentorial Cerebrospinal Fluid Diversion 920
Michel Roethlisberger, Prepageran Narayanan, and Vicknes Waran

Section XXVII: Middle Cranial Fossa

68. Middle Cranial Fossa Approach 927
Narayan Jayashankar and K.P. Morwani
69. Extended Middle Cranial Fossa Approach 934
Narayan Jayashankar, K.P. Morwani, and Suresh Sankhla

Section XXVIII: Otogenic Infections and Tumors

70. Single-Stage Transmastoid Drainage of Otogenic Intracranial Abscess 941
K.P. Morwani, Madhuri Mehta, and Narayan Jayashankar

71. Subtotal Petrosectomy for Cochlear Implantation	952
<i>Sampath Chandra Prasad Rao, Ananth Chintapalli, and Kanu Lal Saha</i>	
72. Lateral Temporal Bone Resection	959
<i>Narayan Jayashankar and Swati Kodur Patil</i>	
73. Facial Neuroma	965
<i>K.P. Morwani, Madhuri Mehta, and Amol Patil</i>	
Section XXIX: Rehabilitative Surgery	
74. Hearing Restoration in Skull Base Surgery	977
<i>Raghu Nandhan and Mohan Kameswaran</i>	
75. Reanimation of the Paralyzed Face	990
Facial Reanimation	990
<i>Narayan Jayashankar and K.P. Morwani</i>	
Facio-Masseteric Anastomosis for Management of Facial Nerve Palsy	1000
<i>Madhuri Mehta</i>	
76. Rehabilitation of Lower Cranial Palsies after Skull Base Surgeries	1008
<i>Anagha Joshi</i>	
Index	1027
