Foreword <i>William Rassman</i>	xiii
Preface <i>Robert H. True</i>	xv
Preface <i>Anil K. Garg</i>	xvii
Preface <i>Seema Garg</i>	xviii
Contributors	xix

Part A: Keys to Performing Successful Surgery

Section A: Preparing for Surgery

1. Consultation with the Patient <i>Seema Garg</i>	3
2. Examination of the Scalp <i>Seema Garg</i>	15
3. Long-term Planning <i>Robert H. True</i>	25
4. Initial Treatment Plan <i>Robert H. True, Seema Garg, and Anil K. Garg</i>	44
5. General Principles of Anesthesia in Hair Transplantation <i>Sandeep Sattur and Indu S. Sattur</i>	52

Section B: Harvesting the Follicles

6. Performing a Strip Harvest Procedure <i>Anil K. Garg</i>	70
7. Performing an FUE Harvest <i>Robert H. True</i>	109
7A. Overview of Operative Setup and Flow: Performing an FUE Harvest <i>Robert H. True</i>	110
7B. Details of Surgery—Performing an FUE Harvest <i>Robert H. True</i>	121
7C. Performing an FUE Procedure—Equipment and Technique Recommendations <i>Robert H. True</i>	140
I. How Do I Do It? FUE Manual Technique <i>Emorane Lupanzula</i>	143

II.	How I Do It: Blunt Punch FUE with the SAFE System <i>James A. Harris</i>	151
III.	How Do I Do It? FUE Devroye WAW and Hybrid Punches <i>Jean Devroye</i>	157
IV.	How Do I Do It? FUE—Trivellini Nano (AKA Mamba) Device <i>Roberto Trivellini</i>	162
7D.	Postoperative Care in FUE <i>Robert H. True</i>	168
7E.	Complications of FUE <i>Robert H. True</i>	176
7F.	Performing an FUE Procedure—FUE Clinical Practice Guidelines <i>Robert H. True</i>	181
7G.	Performing FUE Surgery—Standard FUE Terminology <i>Robert H. True and ISHRS FUE Advancement Committee</i>	182
Section C: Recipient Area and Graft Placement		
8A.	Men—Crucial Aspects of Hair Transplant Design <i>Anil K. Garg</i>	200
8B.	Women—Crucial Aspects of Transplant Design <i>Robert H. True</i>	221
8C.	Transgender—Crucial Aspects of Hair Transplant Design <i>Robert H. True</i>	230
9.	Recipient Area Planning and Site Creation <i>Anil K. Garg</i>	235
10A.	Implantation of Hair Follicles	246
I.	Introduction and Classification <i>Anil K. Garg</i>	246
II.	Implantation Using Dull Needle Planter <i>Mauro Speranzini, Cristina Nakano, and Luisa Groba</i>	250
III.	Sharp Planter <i>Jae Hyun Park</i>	257
IV.	The KEEP Planter <i>Koray Erdogan</i>	262
V.	WAW Multiloop Planters <i>Jean Devroye</i>	264
VI.	Stick-and-Place with Forceps <i>Marcelo Pitchon and Ricardo Gomes de Lemos</i>	266
VII.	Premade Sites and Forceps Placement <i>Christine M. Shaver</i>	268

VIII.	No-Touch to Root Technique <i>Seema Garg</i>	270
IX.	Test Sites in Premade Recipient Incisions <i>Robert H. True</i>	273
X.	Summary of Implantation Techniques and Recommendations <i>Anil K. Garg</i>	276
10B.	Graft-Holding Solutions <i>Anil K. Garg, Robert H. True, and Seema Garg</i>	280
11.	Postsurgical Healing and Transplant Evolution <i>Robert H. True</i>	287

Part B: Essential General Knowledge

Section A: Basic Hair Sciences

12.	Basic Hair Science and Scalp Anatomy <i>Seema Garg</i>	293
-----	---	-----

Section B: Alopecia

13A.	Diagnosing the Cause of Hair Loss <i>Seema Garg</i>	307
13B.	Scalp Dermoscopy—Miniatlas <i>Nicole Rogers and Seema Garg</i>	317
14.	Nonscarring Alopecia <i>Anil K. Garg</i>	327
15.	Scarring Alopecia <i>Seema Garg</i>	338
16.	Scalp Fungal Infection <i>Anil K. Garg</i>	349
17.	Hair Shaft Disorders <i>Anil K. Garg</i>	352
18.	Body Dysmorphic Disorder and Other Psychological Aspects of Hair Loss <i>Seema Garg</i>	355
19.	Male Pattern Hair Loss <i>Anil K. Garg</i>	362
20.	Female Pattern Hair Loss <i>Seema Garg</i>	374

Section C: Pharmacotherapy of Hair Loss

21.	Minoxidil <i>Sajin Alexander, Ashwini L. Hirevenkangoudar, Aniketh Venkataram, and Venkataram Mysore</i>	388
-----	---	-----

22.	Finasteride	398
	<i>Anuradha Jindal, Malcom Noronha, Aniketh Venkataram, and Venkataram Mysore</i>	
23A.	Other Medical and Physical Treatments for Hair Loss	417
	<i>Ratchathorn Panchaprateep</i>	
23B.	The Science and Role of Nutrients in Hair Growth	434
	<i>Rajendra Singh Rajput</i>	
23C.	Keys to Successful Medical Management of MPHL and FPHL	442
	<i>Robert H. True</i>	

Section D: Office Management and Safety

24.	Emergencies in Hair Surgery	447
	<i>Robert H. True</i>	
25.	Setting Up a Hair Transplant Clinic	453
	<i>Sandeep Sattur and Indu S. Sattur</i>	

Part C: Advanced Knowledge

26.	Scalp Micropigmentation	481
	<i>Sara Wasserbauer</i>	
27.	Performing Body Hair Transplantation	494
	<i>Robert H. True</i>	
28.	Hair Transplant to Nonscalp Areas	513
	<i>Jeffrey Epstein</i>	
29.	Hair Reconstructive Surgery in Posttraumatic Alopecia	524
	<i>Sebastian Yriart</i>	
30.	Combination Harvesting—FUT and FUE	545
	<i>Seema Garg</i>	
31.	Combination Grafting of Scalp and Body Hair	552
	<i>Anil K. Garg</i>	
32.	Approach to Repair Cases	563
	<i>James A. Harris</i>	
33.	Nonshaven FUE	576
	<i>Jae Hyun Park</i>	
34A.	Preview Long Hair—FUT	587
	<i>Marcelo Pitchon and Ricardo Gomes de Lemos</i>	
34B.	Long-Hair Preview FUE	598
	<i>Marie Schambach</i>	
35.	Hair Care	613
	<i>Sandeep Sattur and Indu S. Sattur</i>	
	Index	629
