FOREWORD 8

Freehand Drawing _11

BASIC PRINCIPLES OF FREEHAND DRAWING _12

- Distinctions and terms _12
- Design medium _14
- Instrument of communication _15
- Perception _16

TOOLS AND TECHNIQUES _18

- Drawing substrates _18
- Lines and the instruments for drawing them _26
- Surfaces and the instruments for drawing them _36
- Special instruments used in architectural design _47

FREEHAND DRAWING IN ARCHITECTURAL DESIGN _49

- Drawing types _49
- Indicators of scale _65
- Continuing the design _69

ARCHITECTURAL DRAWING ON SITE _71

- Drawing types _71
- Perspective drawing _74
- Aids _82

FURTHER DEVELOPMENT _89

- As-built drawing _89
- Digitalisation and image editing _89

IN CONCLUSION 94

Technical Drawing _97

PROJECTION TYPES _99

- Top view (or roof plan) _99
- Plan view _99
- Elevation _100
- Section _100
- Three-dimensional views _102

PRINCIPLES OF REPRESENTATION _104

- Aids _104
- Paper formats and paper types _106
- Scale _108
- Lines _109
- Hatching _111

Labelling _112

Dimensioning _114

PLANNING STAGES _120

Determining basics _120

Preliminary design drawing _120

Presentation plans _129

Design planning _132

Planning permission _140

Working plans _142

Specialist planning _153

PLAN PRESENTATION _156

Plan composition _156

Plan header _156

Plan distribution _158

Detail Drawing _163

INTRODUCTION _165

BASICS AND REQUIREMENTS _166

Explanation of terms, and their use in detail drawings _166

General requirements for a detail drawing _167

Specific Requirements _172

Timing within the Design Process _173

Work Processes _173

COMPONENTS OF DETAIL DRAWINGS _174

Lines _174

Hatching _175

Pattern lines _180

Inserting dimensions _181

Annotations _186

Annotation systems _190

PREPARATION _193

Selection of area to be detailed _193

Forms of representation _195

Defining the area to be represented _200

Selecting the scale of the drawing _200

EXAMPLE OF THE PROCESS OF PRODUCING

A DETAIL DRAWING _204

OBJECTIVE-BASED DETAIL DESIGN _220

CHOICE OF MEDIUM _224

Modelbuilding _233

THE ARCHITECTURAL MODEL AS A MEANS OF REPRESENTATION _234

TYPES OF MODELS _237

- Conceptual models (without a concrete scale) _238
- Urban design and landscape models, site and topography _239
- Architectural/building models _242
- Interior models _243
- Detailed models _245

DESIGN AND CONCEPT DEVELOPMENT _247

- Color and materials _247
- Composition and proportion _248
- Abstraction and level of detail _249

EQUIPMENT, TOOLS AND TECHNIQUES _252

- Cutting _252
- Gluing _256
- Modelling, shaping and casting _259
- Machines in the modelling workshop _261
- Hot wire cutters _266
- Digital model making _267

MATERIALS _274

- Paper, paperboard and cardboard _275
- Wood and wood-based materials _279
- Metals _284
- Plastics _287
- Paints and varnishes _292
- Plaster, clay and modelling clays _293
- Accessories: trees, figures and cars _295

FROM DRAWING TO MODEL -

STEPS AND APPROACHES _298

- A few preliminary thoughts _298
- The mounting board _298
- Making individual building elements _300
- Assembling the elements _303
- Final tasks and accessories _304
- Presentation _305

IN CONCLUSION 306

Architectural Photography _309

INTRODUCTION _311

FUNDAMENTALS OF PHOTOGRAPHY _313

Optics _313
Principles of representation _314
Recording the image _318

THE CAMERA _321

Image quality _321
Objectives _322
Control elements _324
Camera types _327
Accessories _332

IMAGE ANALYSIS _333

Image factor: content _334
Image factor: reproduction _340
Image factor: graphics _345

THE PHOTOGRAPH _351

The series _351
Divergent lines _352
Order _352
Weather _355
Interior shots _356
Artificial light _356
Construction sites _359
Photographing models _360

PROCESSING THE IMAGE _362

Scanning _362
Importing images _362
Selecting images _363

IMAGE EDITING _364

Resolution _364
Colors _365
Storage formats _366
Parameters _367
Correcting image errors _368
Retouching _369
Special techniques _370
The image as end product _371

THE ARCHITECT AND COMMUNICATIONS MEDIA _373

IN CONCLUSION _375

Appendix _377

LITERATURE _378

GUIDELINES, STANDARDS AND CHECKLISTS _381

PICTURE CREDITS _389

THE AUTHORS _395
