		7.4 Equipment used in Pre- and Post-Treatment Care	92
		7.5 Patient Management during the Treatment	98
		Injection Techniques	107
		8.1 Introduction	108
		8.2 Injection according to Skin Layer	108

8.3	Injection Techniques and Effects – Sharp Needle	110
8.4	Injection Techniques and Effects – Blunt Cannula	118
8.5	Technical Notes, Experience-Based Observations, and Practical Tips	122

45 Techniques for Lip Treatment 127

9.1	Hydration, Revitalization	128
	– TECHNIQUE 1: Hydration and Revitalization – Cutaneous Part of the Lip (Sharp Needle)	128
	– TECHNIQUE 2: Hydration – Cutaneous Part of the Lip (Blunt Cannula)	132
	– TECHNIQUE 3: Hydration – Vermillion (Blunt Cannula)	136
	– TECHNIQUE 4: Revitalization – Vermillion (according to Patrick Trevidic, Sharp Needle) ...	140
9.2	Accents	144
	– TECHNIQUE 5: Fresh Up (Sharp Needle)	144
	– TECHNIQUE 6: Contouring and Enhancement (Sharp Needle)	148
	– TECHNIQUE 7: Contouring (Blunt Cannula) ...	152
	– TECHNIQUE 8: Contouring/Reshaping of the Cupid's Bow (Sharp Needle)	156
	– TECHNIQUE 9: Contouring of the Philtrum (Sharp Needle)	160
	– TECHNIQUE 10: Modeling of the Philtrum and Cupid's Bow (Sharp Needle)	164
9.3	Perioral Lines	168
	– TECHNIQUE 11: Linear and Fishbone Technique for Perioral Lines (Sharp Needle)	168
	– TECHNIQUE 12: Perioral Point Technique, Modification by Stretching or Compression (Sharp Needle)	172
	– TECHNIQUE 13: Perioral Blanching Technique (Sharp Needle)	178
	– TECHNIQUE 14: "Fern Pattern Technique" according to Tom van Eijk (Sharp Needle)	182
9.4	Lip Volume	186
	– TECHNIQUE 15: Minimal Four-Point Volume Replacement (Sharp Needle)	186

	– TECHNIQUE 16: Subtle Volume Replacement (Sharp Needle)	190
	– TECHNIQUE 17: Subtle Lip Augmentation (Sharp Needle)	194
	– TECHNIQUE 18: Classic Augmentation (Sharp Needle)	198
	– TECHNIQUE 19: Moderate Augmentation (Blunt Cannula)	202
	– TECHNIQUE 20: Classic to Strong Augmentation (Blunt Cannula)	206
	– TECHNIQUE 21: Extreme Augmentation – Bolus and Fanning Technique (Sharp Needle) ...	210
	– TECHNIQUE 22: Augmentation from the Dry/Wet Boundary (Sharp Needle)	214
	– TECHNIQUE 23: Augmentation from the Mucous Membrane (Sharp Needle)	218
	– TECHNIQUE 24: Volumization with or without Tubercle Accentuation (Sharp Needle)	222
	– TECHNIQUE 25: Volumization – Bolus Technique (Sharp Needle)	226
	– TECHNIQUE 26: Volumization – Cutaneous Part of the Lip Technique (Sharp Needle)	230
	– TECHNIQUE 27: Extreme Volumization and Shaping – Multiple Injection Technique (Sharp Needle)	234
	– TECHNIQUE 28: Volumization and Shaping – "Lip Tenting Technique" according to Tom van Eijk (Sharp Needle)	238
9.5	Perioral Volume	242
	– TECHNIQUE 29: Volumization – Labiomental Fold (Sharp Needle)	242
	– TECHNIQUE 30: Augmentation – Chin Region (Sharp Needle)	246
	– TECHNIQUE 31: Volumization – Vertical Injection Technique (Sharp Needle)	250
	– TECHNIQUE 32: Volumization – Fine Marionette Lines I (Sharp Needle)	254
	– TECHNIQUE 33: Volumization – Fine Marionette Lines II (Sharp Needle)	258
	– TECHNIQUE 34: Augmentation – Marionette Lines (Sharp Needle)	262
	– TECHNIQUE 35: Augmentation – Marionette Lines (Blunt Cannula)	266

Table of Contents

– TECHNIQUE 36: Augmentation –
Windmill Technique: Marionette Lines, Lips,
Perioral Region (Blunt Cannula) 270

9.6 Shaping, Beautification 274

– TECHNIQUE 37: Subtle Mouth Corner
Lift (Sharp Needle) 274

– TECHNIQUE 38: Classic Mouth Corner Lift
(Sharp Needle) 278

– TECHNIQUE 39: Subtle Volumization –
Tubercle Definition (Sharp Needle) 282

– TECHNIQUE 40: Contouring of the Perioral Line
according to Phillip Chang (Sharp Needle) 286

– TECHNIQUE 41: Indentation in the Center
of the Lip (Sharp Needle) 290

– TECHNIQUE 42: Widening the Arch of the
Lower Lip (Sharp Needle) 294

– TECHNIQUE 43: Correcting a Previously
Treated Lip (Sharp Needle) 298

– TECHNIQUE 44: Correcting Areas of
Asymmetry (Sharp Needle/Blunt Cannula) 302

– TECHNIQUE 45: Augmentation of the
Upper Lip – “Pillar Technique” according to
Anil Rajani (Sharp Needle) 306

The 45 Lip Treatment
Techniques: An Overview 311

Synoptic Table 312

Case Examples 319

11.1 Perioral Lines, Atrophied Mouth 321

11.2 Older Mouth with Thin Lips 322

11.3 Previously Treated Lips 323

11.4 Oral Commissure Lines, Thin Lower Lip,
Minor Asymmetries, Dry Upper Lip 324

11.5 Perioral Shadows and Areas of Asymmetry 325

11.6 Asymmetric Mouth 326

11.7 Beautification of Young, Full Lips 327

11.8 Thin Lips with Poorly Defined Contours 328

11.9 Small Mouth with a Prominent
Medial Tubercle 329

11.10 Sad, Young Mouth 330

11.11 Dry Lips 331
