Preface	xv
Part 1 Introduction and Foundations	
1 Historical Background	3
2 What Do We Mean by “Cupping”?	4
2.1 Definition and Treatment Goal	4
2.2 Effects and Connections	4
2.3 Methods of Application	5
2.3.1 Cupping Diagnosis	5
2.3.2 “Dry” or “Bloodless” Cupping	5
2.3.3 “Wet” or “Bloody” Cupping	5
2.4 Basic Therapeutic Concepts of Cupping	6
3 The Therapeutic Conception of Dry Cupping	7
3.1 Dry Cupping as Segmental Therapy	7
3.1.1 “Head’s Zones”—Reflex Paths from Skin to Organ	7
3.1.2 Identifying and Eliminating the Focal Disturbance	11
3.2 Dry Cupping as Regulation Therapy	12
3.3 Dry Cupping in the Foot Reflexology Zones	14
3.4 The Effects of Dry Cupping on the Human Body	17
4 Self-regulatory Mechanisms in the Body—A Crash Course for Patients	19
4.1 The Harmony of the Organ Systems	19
4.1.1 Locomotor System	20
4.1.2 Digestive System	20
4.1.3 Respiratory System	20
4.1.4 Circulatory System	21
4.1.5 Urinary System	21
4.1.6 Reproductive Organs	21

4.1.7	Immune System	21
4.1.8	Sensory Organs	21
4.1.9	Hormonal Control System	22
4.1.10	Nervous System	22
4.2	Focal Disturbance as Regulatory Blockage in the Body	22
4.3	The Functional Unity of the Nervous System	24
4.3.1	The Cerebrospinal Nervous System.....	26
4.3.2	The Vegetative Nervous System.....	28

Part 2 Clinical Applications of Cupping Therapy

5	Preliminary Comments	33
6	Dry Cupping.....	34
6.1	Cupping Diagnostics.....	34
6.1.1	Fundamentals.....	34
6.1.2	Symptoms: Hyperemia and Extravasation at the Cupping Sites.....	36
6.1.3	Complex of Symptoms: Increase in Local Blood Circulation and Paleness of the Skin.....	37
6.1.4	Therapeutic Success as Diagnostic Evidence	37
6.1.5	Segmental Diagnosis (Head's Zones).....	40
6.2	Clinical Application.....	40
6.2.1	Materials and Basic Equipment	40
6.2.2	Cupping Technique	42
6.3	Individualized and Patient-Centered Application.....	43
6.3.1	Cupping Therapy on Children	43
6.3.2	Cupping Therapy on Elderly and Bedridden Patients.....	44
6.3.3	Exceptional Cases During Cupping and the Correct Response	46
6.4	The Technique of Cupping Massage.....	47
6.4.1	Cupping Technique	48
6.4.2	Diagnostic Hint.....	48
6.5	Indications for Dry Cupping.....	48
6.6	Contraindications for Dry Cupping	48

7	Wet Cupping	49
7.1	Technique and Clinical Advice	49
7.1.1	Method A	49
7.1.2	Method B	49
7.1.3	Method C—Alternative to the Scarificator	50
7.2	Indications for Wet Cupping	50
7.3	Complications and Contraindications for Wet Cupping	51

Part 3 Cupping Therapy of Indicated Disorders and Complaints

8	Comments on the Organization and Use of this Part...	55
9	Disorders of the Head	57
9.1	Headache	57
9.1.1	Symptoms	57
9.1.2	Suggested Therapy	57
9.2	Migraine	58
9.2.1	Symptoms	58
9.2.2	Suggested Therapy	58
9.2.3	Supplemental Therapy	59
9.2.4	Alternating Therapy	59
9.3	Middle Ear Inflammation (Otitis Media)	60
9.3.1	Symptoms	60
9.3.2	Suggested Therapy	60
9.4	Tinnitus	60
9.4.1	Symptoms	60
9.4.2	Suggested Therapy	61
9.4.3	Supplemental Therapy	61
9.4.4	Alternating Therapy	61
9.5	Sinus Infection (Sinusitis)	62
9.5.1	Symptoms	62

9.5.2	Suggested Therapy.....	62
9.5.3	Supplemental Therapy	63
10	Respiratory Tract	64
10.1	Bronchial Asthma	64
10.1.1	Symptoms	64
10.1.2	Suggested Therapy.....	64
10.1.3	Supplemental Therapy	65
10.1.4	Alternating Therapy.....	65
10.2	Bronchial Catarrh (Bronchitis).....	66
10.2.1	Symptoms	66
10.2.2	Treatment of Bronchitis	66
10.2.3	Supplemental Therapy	67
10.3	Influenza and Influenzal Disorders (Influenzal Bronchitis, Influenzal Pneumonia, Bronchopneumonia).....	67
10.3.1	Symptoms	67
10.3.2	Suggested Therapy.....	68
10.3.3	Supplemental Therapy	69
10.3.4	Prophylaxis.....	69
10.4	Sore Throat (Tonsillitis, Laryngitis, Pharyngitis).....	69
10.4.1	Symptoms	69
10.4.2	Suggested Therapy.....	70
10.4.3	Supplemental Therapy	71
10.4.4	Alternating Therapy.....	71
10.5	Pneumonia	71
10.5.1	Symptoms	71
10.5.2	Suggested Therapy.....	72
10.5.3	Supplemental Therapy	72
10.5.4	Prophylaxis	72
10.6	Pleurisy.....	72
10.6.1	Symptoms	73
10.6.2	Suggested Therapy.....	73
10.6.3	Supplemental Therapy	74

11	Cardiovascular System	75
11.1	Coronary Heart Disease (Angina Pectoris)	75
11.1.1	Symptoms	75
11.1.2	Suggested Therapy	75
11.1.3	Supplemental Therapy.....	76
11.2	Low Blood Pressure (Hypotension)	76
11.2.1	Symptoms	77
11.2.2	Suggested Therapy	77
11.2.3	Supplemental Therapy.....	77
11.2.4	Alternating Therapy	77
11.3	High Blood Pressure (Hypertension)	78
11.3.1	Symptoms	78
11.3.2	Suggested Therapy	78
11.3.3	Supplemental Therapy.....	79
11.3.4	Alternating Therapy.....	79
12	Digestive Organs	80
12.1	Gastric Catarrh (Gastritis)	80
12.1.1	Symptoms	80
12.1.2	Suggested Therapy	80
12.1.3	Supplemental Therapy.....	82
12.1.4	Alternating Therapy	82
12.2	Acute and Chronic Pancreatitis	82
12.2.1	Symptoms	82
12.2.2	Suggested Therapy	83
12.2.3	Supplemental Therapy.....	83
12.2.4	Alternating Therapy	84
12.3	Liver Disorders	84
12.3.1	Symptoms	84
12.3.2	Suggested Therapy	85
12.3.3	Supplemental Therapy.....	86
12.3.4	Alternating Therapy	86
12.4	Disorders of the Gallbladder and Bile Ducts	86
12.4.1	Symptoms	87

12.4.2	Suggested Therapy.....	87
12.4.3	Supplemental Therapy	88
12.4.4	Alternating Therapy.....	88
12.5	Intestinal Disorders.....	88
12.5.1	Symptoms.....	88
12.5.2	Suggested Therapy.....	89
12.5.3	Supplemental Therapy	90
12.5.4	Alternating Therapy.....	90
12.6	Constipation (Obstipation).....	90
12.6.1	Symptoms.....	91
12.6.2	Suggested Therapy.....	91
12.6.3	Supplemental Therapy	91
12.6.4	Alternating Therapy.....	91
13	Locomotor System	92
13.1	Rheumatic Disorders	92
13.1.1	Symptoms.....	92
13.1.2	Suggested Therapy.....	94
13.1.3	Supplemental Therapy	97
13.1.4	Alternating Therapy.....	97
13.2	Spondylitis.....	97
13.2.1	Symptoms.....	97
13.2.2	Suggested Therapy.....	97
13.2.3	Supplemental Therapy	98
13.2.4	Alternating Therapy.....	98
13.3	Spondylosis.....	98
13.3.1	Symptoms.....	98
13.3.2	Suggested Therapy.....	99
13.3.3	Supplemental Therapy	99
13.3.4	Alternating Therapy.....	99
13.4	Lumbago	100
13.4.1	Symptoms.....	100
13.4.2	Suggested Therapy.....	100
13.4.3	Supplemental Therapy	101
13.4.4	Alternating Therapy.....	101

14	Reproductive Organs	102
14.1	Female Reproductive Organs	102
14.1.1	Menstrual Disorders, Inflammations of the Reproductive Organs	102
14.1.2	Climacteric Disorders	105
14.1.3	Sexual Malfunctions in Women	106
14.2	Male Reproductive Organs	110
14.2.1	Inflammation of the Prostate (Prostatitis)	110
14.2.2	Sexual Malfunctions in Men (Erectile Dysfunction)	112
15	Urinary Tracts	115
15.1	Inflammation of the Kidneys (Nephritis, Acute and Chronic)	115
15.1.1	Symptoms	115
15.1.2	Suggested Therapy	115
15.1.3	Supplemental Therapy	116
15.1.4	Alternating Therapy	116
15.2	Inflammation of the Bladder (Cystitis)	116
15.2.1	Symptoms	117
15.2.2	Suggested Therapy	117
15.2.3	Supplemental Therapy	117
15.2.4	Alternating Therapy	117
16	Nervous System	118
16.1	Inflammation of the Nerves (Neuritis), Neuralgia (Ischialgia)	118
16.1.1	Symptoms	119
16.1.2	Suggested Therapy	119
16.1.3	Supplemental Therapy	119
16.1.4	Alternating Therapy	119
16.2	Disorders of the Vegetative Regulation	120
16.3	Vegetative Dystonia	121
16.3.1	Symptoms	121
16.3.2	Suggested Therapy	122

16.3.3	Supplemental Therapy	123
16.3.4	Alternating Therapy.....	123
16.4	Irritable Bowel Syndrome	124
16.4.1	Symptoms	124
16.4.2	Suggested Therapy.....	125
16.4.3	Supplemental Therapy	127
16.5	Burn-out Syndrome	128
16.5.1	Symptoms	130
16.5.2	Suggested Therapy.....	130
16.5.3	Supplemental Therapy	132
17	Venous Disorders.....	134
17.1	Varicose Veins (Varices).....	134
17.1.1	Symptoms	134
17.1.2	Suggested Therapy.....	134
17.1.3	Supplemental Therapy	135
18	Obesity (Adipositas, Overweight)	136
18.1	General Remarks	136
18.2	Suggested Therapy	137
18.3	Supplemental Therapy.....	137
19	Cellulitis (Adipositas Circumscripta Oedematosa); Cellulite (Dermopanniculosis Deformans)	138
19.1	General Remarks	138
19.2	Suggested Therapy	139
19.3	Supplemental Therapy.....	139
20	Weather Sensitivity and Weather-Triggered Symptoms and Complaints	140
20.1	Note.....	140
20.2	Symptoms	141

20.3	Suggested Therapy	141
20.3.1	Homeopathy	142
20.3.2	Phytotherapy.....	142
20.3.3	General Measures.....	142
20.3.4	Dietetics.....	142

Part 4 Cupping Therapy in Conventional Western Medicine

21	Cupping as Supportive Therapy within Conventional Western Medicine	145
21.1	Integrating Conventional Western Medicine and Naturopathic Healing Methods–A Possibility?	145
21.2	How are the Terms “Disease” and “Health” Defined within Both of These Disciplines?	146
21.3	Why is Cupping Therapy Once Again Indicated in Modern Scientific Medicine at this Particular Time?	148
21.4	Applications of Cupping Therapy in Conventional Medicine.....	149
21.4.1	Acute Diseases.....	150
21.4.2	Chronic Diseases.....	150
21.5	Attempting an Evaluation	151

Part 5 Appendix

22	Myths and Facts.....	155
22.1	Myth # 1	155
22.2	Myth # 2.....	156
22.3	Myth # 3	156
22.4	Myth # 4.....	157
23	Conclusion.....	158

24	Figure Credits	159
25	Bibliography	160
	Index.....	165
