Abstract	iii
List of Tables	vii
List of Figures	viii
Acknowledgements	x
Deutsche Zusammenfassung	1
1.0 Introduction	4
1.1. Purpose	6
1.2. Goals	7
1.3. Significance	7
1.4. Research Questions	8
1.5. Overview of the Study	9
2.0 Literature Review	10
2.1. Untapped Potential in Marginalized Children and Youth	10
2.2. Role of the Environment	12
2.3. Performance and System Theories	13
2.4. Societal Impact and Responsibility	16
2.5. Creating a conducive Microsystem to create a conducive Mesosystem	17
2.6. Systems and Programs to Promote High Achievers	17
2.7. Impact and Development of Personalized Goals	20
2.8. Relationship between Goals and Role Models or Mentors	21
2.9. Differentiated Model of Giftedness and Talent as it relates to MCF	22
2.10. Social Interdependency of Each Individual within the Larger Construct	24
2.11. Learning Process:	26
2.12. Regulation types	26
2.13. Resources	28

2.14. A systemic approach: the Actiotope Model	28
2.15 An overview of the Actiotope Model of Giftedness.....	29
2.16. Learning Resources in the Actiotope: Educational and learning capital.....	31
2.17. Education Capital	32
2.18. Learning Capital	47
2.19. Consequences for gifted education.....	49
2.20. Education and Learning Capitals among the general Kenyan population and within the Marginalized in the Kenyan Society	51
2.21. Discovering the Gifted and Talented.....	53
2.22. The Role of Intuition and deciding who enters the MCF Program	54
2.23. Discussion of theory	56
3. Methodology	58
3.1 Appropriateness of the Research Design.....	58
3.2 Research Design / Method	61
3.2.1. MCF Construct.....	63
3.2.2. Questionnaire Beneficiaries	63
3.2.3. Qualitative Interviews Beneficiaries	64
3.2.4. Qualitative Interviews staff	68
3.2.5. Questionnaire People in Shadows	68
3.2.6. Qualitative Interviews Community members.....	71
3.3. Setting and Participants	71
3.4. Instrumentation.....	73
3.5. Data findings:	77

4. 0. Ethics	78
5.0 Internal and External Validity	78
6. Findings	84
6.1.1 Findings Part 1: MCF Construct:	84
6.1.2. MCF as it relates to Educational Capital.....	88
6.1.3. MCF as it relates to Educational Learning Capital.....	101
6.2 Part 2: MCF Awards and Achievements.....	111
6.2.1. General Overview of Awards and Achievements of MCF beneficiaries up to date	111
6.2.3. General Achievements and Awards for MCF and for the Founders Dr. Charles Mulli and Esther Mulli.....	118
6.3 Questionnaires and Interviews	119
6.3.1 Questionnaire Beneficiaries QELC	119
6.3.2Qualitative Interviews Beneficiaries	129
Summary	151
6.3.3. Qualitative Interviews staff	152
6.3.4. NBLC Questionnaire people in shadows	172
6.3.5Qualitative Interviews Community members.....	173
7. Conclusions	176
7.1. MCF Construct.....	176
7.1.1. Education Capital Applied in the MCF Construct.....	176
7.1.2. MCF Construct providing Learning Capital Development Opportunities	177
7.2. Understanding Individual success factors	178
7.3. Impact of Important Individuals / People in the shadows	181
7.4. Final Thoughts and Discussion	182
7.5. Educational Impact.....	183

7.6. Limitations	183
7.6. Further Research.....	184
Works Cited	185
Appendices	I
Appendix A MCF Policies	II
Appendix B Table of Primary School Standings.....	XXV
Appendix C Table of Secondary School Standings	XXV
Appendix D List of Awards at the time of the study and letter sent to MCF	XXVII
Appendix E Letter to the beneficiaries participating in questionnaires.....	I
Appendix F Questionnaire for Beneficiaries.....	IV
Appendix G Reliability Results of QELC Beneficiaries.....	XIII
Appendix H Interview Questions for Beneficiaries	XIV
Appendix I Interview Questions for People in the shadows	XVII
Appendix J Checklist for People in the shadows	XXI
Appendix K Transcripts Beneficiaries Interviews	XXII
Appendix L Transcripts People in the Shadows Interviews.....	LXXIII
Appendix L Transcripts Community Members Interviews	CIV
