

Table of Contents

1	Introduction	1
2	Methods	3
3	Demand in Germany.....	4
3.1	Manufacturers worldwide.....	6
3.2	Products by Country and Manufacturer	6
4	Fields of Application	8
5	Manufacturing.....	9
5.1	Manufacturing Processes and Approaches	9
5.1.1	Manufacturing Processes	9
5.1.2	Manufacturing Approaches.....	10
5.2	Distribution of Manufacturing Processes.....	11
5.3	Distribution of Manufacturing Approaches	12
6	Evaluation of Product Parameters	14
6.1	Manufacturing Processes and Approaches	14
6.1.1	Manufacturing Processes by Field of Application.....	14
6.1.2	Manufacturing Processes by Diameter	15
6.1.3	Manufacturing Approaches by Field of Application	15
6.1.4	Manufacturing Approaches by Diameter and Length	17
6.2	Dimensions	19
6.2.1	Diameter by Field of Application	21
6.2.2	Length by Field of Application.....	23
6.3	Implant Materials	25
6.3.1	Materials by Field of Application	26
6.3.2	Materials by Manufacturing Approach	27
6.3.3	Materials by Diameter.....	28
7	Perspectives	29
8	References.....	31
