Signs and symbols	1
1 Examination of the Eye	3
1.1 General Considerations	3
1.2 Preliminary Observations	5
1.3 History Taking	5
1.4 Examination Procedure	8
1.4.1 Slit Lamp Examination	10
1.4.2 Indirect Ophthalmoscopy	14
1.4.3 Direct Ophthalmoscopy	16
1.4.4 Tonometry	17
1.5. Other Tests	20
1.5.1. Schirmer Tear Test	20
1.5.2. Fluorescein Staining	21
1.5.3. Tear Film Break-up Time	22
1.6. Vision Testing	23
1.6.1 Menace Response	23
1.6.2 Pupillary Light Reflex	24
1.6.3 Dazzle Reflex	24
1.6.4 Cotton Ball Test	24
1.6.5 Postural Response	25
1.6.6 Obstacle Test / Maze Test	25
1.7 Cytology	25
1.8 Bacteriology/Virologic	28
1.8.1 Bacteriology	28
1.8.2 Virology	29
1.9 Additional Diagnostic Testing	29
1.9.1 Electroretinography	29
1.9.2 Ultrasonography	30
1.9.3 Gonioscopy	31
1.9.4 Magnetic Resonance Imaging	32
1.9.5 Blood Pressure Measurement	33
2 Which Part of the Eye is Affected?	35
2.1 Globe and Orbit	38
2.1.1 Microphthalmos	38
2.1.2 Phthisis Bulbi	39

2.1.3	Buphthalmos/Hydrophthalmos	39
2.1.4	Deformation of the Globe	42
2.1.5	Retrobulbar Masses	44
2.1.6	Enophthalmos	45
2.2.	Lacrimal Drainage System	46
2.2.1	Examination	47
2.2.2	Epiphora	47
2.2.2.1	Congenital Anomalies of the Nasolacrimal System	48
2.2.2.2	Nasolacrimal Duct Obstruction	50
2.2.2.3	Tear Staining Syndrome in Toy Breeds (Idiopathic Epiphora)	50
2.3.	Eyelid	51
2.3.1	Abnormal Eyelid Position	51
2.3.1.1	Ectropion	51
2.3.1.2	Entropion	53
2.3.1.2.1	Simple Entropion of the Lower Eyelid	54
2.3.1.2.2	Lateral Canthal Involvement	55
2.3.1.2.3	Senile Entropion of the Upper Eyelid	56
2.3.1.2.4	Medial Entropion (Brachycephalic Breeds)	57
2.3.1.3.	Macroblepharon	58
2.3.2	Distichiasis	60
2.3.3	Ectopic Cilia	61
2.3.4	Eyelid Tumors	62
2.3.5	Blepharitis	64
2.3.6	Meibomianitis	65
2.4	Third Eyelid	66
2.4.1	Protrusion of the Gland of the Third Eyelid	66
2.4.2	Eversion of the Third Eyelid Cartilage	67
2.5.	Conjunctiva	68
2.5.1	Atopic Conjunctivitis (Immune-Mediated Conjunctivitis)	70
2.5.1.1	Acute Allergic Conjunctivitis	70
2.5.1.2	Chronic Allergic Conjunctivitis	71
2.5.2	Follicular Conjunctivitis	72
2.5.3	Lymphoplasmacellular Infiltration of the Third Eyelid	73
2.5.4	Feline Conjunctivitis	73
2.6	Cornea and Sclera	75
2.6.1	Corneal Injuries and Defects	79
2.6.1.1	Trauma: Superficial Epithelial Defects	79
2.6.1.2	Trauma: Stromal Defects	80
2.6.1.3	Perforating Corneal Injuries	80
2.6.1.4	Indolent Corneal Ulcers in Dogs	81
	– Spontaneous Chronic Corneal Epithelial Defects SCCED	
2.6.1.5	Melting Ulcers	84
2.6.1.6	Descemetocoele	85
2.6.1.7	Corneal Ulcers in Cats	86
2.6.1.8	Corneal Sequestration in Cats (Corneal Nigrum)	88
2.6.1.9	Feline Eosinophilic Keratitis (FEK)	89

2.6.2	Corneal Dystrophies	90
2.6.2.1	Crystalline Corneal Dystrophy	90
	Primary Stromal Corneal Dystrophy / Secondary Corneal Degeneration	
2.6.2.2	Corneal Endothelial Dystrophy	92
2.6.3	Immune-mediated Inflammations	93
2.6.3.1.	Pannus – Chronic Superficial Keratitis	93
2.6.3.2	Keratoconjunctivitis Sicca (KCS)	96
2.6.3.3	Punctate Keratitis	98
2.6.4	Sclera	99
2.6.4.1	Episcleritis	100
2.6.4.2	Pigmentary Glaucoma	101
2.6.5	Dermoids	102
2.7	Anterior Chamber	102
2.7.1	Proteins – Aqueous Flare	103
2.7.2	Cells	103
2.7.3	Keratic Precipitates	103
2.7.4	Blood – Hyphema	104
2.8	Iris	105
2.8.1	Persistent Pupillary Membrane	105
2.8.2	Iris Cysts	106
2.8.3	Uveitis	107
2.8.3.1	Anterior Uveitis	107
2.8.3.2	Posterior Uveitis	109
2.8.4	Neoplasms	110
2.8.4.1	– Cats	110
2.8.4.2	– Dogs	112
2.8.5	Iris Atrophy	114
2.9	Lens	115
2.9.1	Cataract	115
2.9.2	Lens Luxation	118
2.10	Vitreous Body	123
2.10.1	PHTVL/PHPV	123
2.10.2	Asteroid Hyalosis	124
2.11	Fundus	125
2.11.1	The Normal Fundus	125
2.11.2	Fundus Hemorrhage	127
2.11.3	Retinal Detachment	129
2.11.4	Chorioretinitis Scars	131
2.11.5	Optic Disc	131
2.11.6	Degenerative Disorders / Atrophy of the Fundus	133
2.11.7	Selected Inherited Diseases of the Ocular Fundus	134
2.11.7.1	Progressive Retinal Atrophy (PRA)	134
2.11.7.2	Retinal Dysplasia (RD)	135
2.11.7.3	Collie Eye Anomaly (CEA)	136
2.11.8	Feline Central Retinal Degeneration (FCRD)	137
2.11.9	Toxic Retinal Degeneration	137

3	Problem Oriented Approach	139
3.1	Epiphora	139
3.2	Eye Redness	141
3.3	Opacity of the Eye	144
3.4	Ocular Pain	146
4	Ocular Emergencies	149
4.1	Preliminary Investigation and Ocular Examination	150
4.1.1	Table 1 Possible causes	154
4.2	Ocular Pain	155
4.2.1	Conjunctivitis	156
4.2.2	Keratoconjunctivitis sicca	157
4.2.3	Foreign bodies	158
4.3	Corneal Ulcers/Injuries/Chemical Burns	160
4.3.1	Corneal erosions (epithelial)	161
4.3.2	Stromal ulcers	161
4.3.3	Descemetocoele	163
4.3.4	Penetrating injuries	163
4.3.5	Corneal lacerations	165
4.4	Anterior Uveitis	172
4.5	Lens Induced Uveitis, Rupture of the Lens Capsule	173
4.5.1	Lens injuries in puppies	173
4.5.2	Lens injuries in the adult dog	174
4.5.3	Uveitis after cataract formation	175
4.6	Lens Luxation	176
4.6.1	Lens subluxation	177
4.6.2	Anterior lens luxation	178
4.6.3	Posterior lens luxation	180
4.7	Glaucoma	180
4.8	Ocular Media Opacity	184
4.8.1	Protrusion of the third eyelid	184
4.8.2	Corneal edema	185
4.8.3	Corneal infiltrates (inflammatory cells, pigment deposition, hemorrhage)	185
4.8.4	Altered clarity of the anterior chamber	186
4.8.4.1	Aqueous flare	187
4.8.4.2	Keratic precipitates	187
4.8.4.3	Hypopyon	187
4.8.4.4	Fibrin clots	187
4.8.4.5	Uveal cysts	187
4.8.4.6	Lipid laden aqueous	187
4.8.4.7	Hyphema	188
4.8.5	Opacification of the posterior segment	191
4.9	Changes in Globe's Color/Symmetry/Shape	191
4.9.1	Conjunctival hemorrhages	191
4.9.2	Blepharedema and chemosis	192
4.9.3	Cherry eye or third eyelid gland prolapse	192

4.10	Anisocoria	192
4.11	Orbital Cellulitis/Abscess, Masticatory and Extraocular Muscles Myositis	193
4.11.1	Orbital cellulitis and orbital abscesses	194
4.11.2	Zygomatic gland mucocele and retention cysts	195
4.11.3	Masticatory muscle myositis and extraocular muscle myositis	195
4.12	Ocular Trauma	196
4.13	Ocular Proptosis	201
4.14	Ocular Discharge	204
4.15	Sudden Blindness	205
4.15.1	Retinal detachment/separation	206
4.15.2	SARD (Sudden Acquired Retinal Degeneration)	209
4.15.3	Retinal toxicities	210
4.15.4.	Optic neuritis / Papilledema	210
4.15.5	Systemic hypertension	213
5	Appendix	215
5.1	Drug List – Topical Preparations (eye drops/ointment)	215
5.2	Breed-Specific Eye Disorders	219
5.3	Abbreviations	227
5.4	Supply Sources	229
5.5	Literatur	231
5.6	Index	233
