Part I Setting the Stage: Objective of this Thesis 1

1 Motivation and Relevance..... 2

2 Framing the Thesis 7

2.1 Brick and mortar retail stores..... 7

2.2 Concept of Service..... 8

2.3 Technology-based retail services..... 10

3 Research Gap and Research Questions 14

4 Structure of the Thesis 17

Part II Concept of the Research: Research Design..... 23

1 Objectives and Structure..... 24

2 Introduction to Research in Information Systems 26

3 Overarching Research Design 30

Part III The State of Research: Technology-Based Retail Services 37

1 Objectives and Structure..... 38

2 Research Method 41

3 Descriptive Analysis 45

4 Discussion and Reflection 53

4.1 TBRS types identified in the scientific literature..... 53

4.2 TBRS technology functions.....	67
4.2.1 Identification.....	68
4.2.1.1 Barcodes.....	69
4.2.1.2 Wireless communication.....	69
4.2.1.3 Optical systems.....	71
4.2.2 Human-technology interaction.....	71
4.2.2.1 Mobile devices.....	71
4.2.2.2 Robots.....	72
4.2.2.3 Screens and displays.....	72
5 Contribution.....	74
Part IV TBRS Classification Framework: Retailers' Perspective.....	77
1 Objectives and Structure.....	78
2 Research Method.....	81
3 Classification of Technology-Based Retail Services.....	84
3.1 Classifying TBRS in terms of participant issues.....	85
3.1.1 Archetype of participant-technology contact.....	85
3.1.2 Mode of participant integration.....	87
3.2 Classifying TBRS in terms of technology issues.....	91
3.3 Classifying TBRS in terms of information issues.....	92
3.3.1 Degree of contact.....	93
3.3.2 Directionality of information flow.....	94
3.4 Classifying TBRS in terms of their intended purposes.....	98
3.4.1 Purpose of TBRS usage.....	99
3.4.2 Retailers' objective.....	99
4 Main Components of Technology-Based Retail Services.....	103
5 Contribution.....	106
Part V Empirical Study on TBRS: Shoppers' Perspective.....	109
1 Objectives and Structure.....	110

2	Theoretical Foundation and Research Hypotheses.....	114
2.1	Shoppers' acceptance of TBRS	114
2.1.1	Technology readiness (TR)	114
2.1.2	Technology acceptance model (TAM)	116
2.1.3	Technology readiness and acceptance model (TRAM).....	117
2.2	Research model and hypotheses development	118
3	Data Collection.....	122
3.1	Measures and questionnaire	122
3.2	Sample and data collection	125
3.3	Data analysis	126
3.4	Common method bias	127
4	Results	129
4.1	Demographics.....	129
4.2	Measurement model.....	131
4.3	Structural model.....	136
4.4	Test of gender differences.....	140
5	Contribution.....	143
	Part VI TREASURE: A Web-Based TBRS Support System	149
1	Objectives and Structure.....	150
2	Research Method	154
3	System Conceptualization.....	160
3.1	Design requirements.....	160
3.2	Faceted search/classification.....	163
3.3	Interface design	164
3.3.1	Author interface	164
3.3.1.1	Structuring the data	164
3.3.1.2	Presenting the data.....	166
3.3.2	User interface	169

3.3.2.1	Selection area.....	170
3.3.2.2	Presentation area	172
4	System Implementation.....	174
4.1	Layered architecture	174
4.2	Website: https://tbrs.info	175
4.3	TBRs case vignette database	176
4.4	Case vignette presentation structure	179
4.5	Artifact evaluation	185
5	Contribution	188
	Part VII Conclusion: Reflections and Implications.....	191
1	Objectives and Structure.....	192
2	Retrospective Analysis.....	194
2.1	Part I – Setting the stage: Objective of this thesis	194
2.2	Part II – Concept of the research: Research design	195
2.3	Part III – The state of research: Technology-based retail services	195
2.4	Part IV – TBRs classification framework: Retailers’ perspective..	197
2.5	Part V – Empirical study on TBRs: Shoppers’ perspective	200
2.6	Part VI – TREASURE: A web-based TBRs support system	203
3	Synthesis and Implications	206
3.1	Synthesis of findings.....	206
3.2	Theoretical and Managerial Implications.....	209
4	Limitations and Avenues for Further Research.....	212
5	Final Considerations	216
