PART I SKETCHING, THINKING, LEARNING

Sketching, Thinking, Learning	18
Starting with Unremarkable Conclusions	19
Sketching: A Means to Different Ends	26
Drawing: Starting and Stopping	27
Re-Learning to Sketch and Not	
Thinking about It	28
Analysis: From Looking to Understanding	36
What Is Analysis?	36
The Context-Bound Position	36
The Autonomous Position	37
Analysis from a Dynamic Intermediate	
Position	38
Analytical Sketching: Drawing toward	
Selective, Attentional and Flexible Focus	38
What Is a Diagram?	40
Diagrams and Design Practice	42
Developing Spatial Knowledge	
and Material Analogies	44
Synthesizing: From Analysis to Design	50
Conclusion	52
What to Use and How to Use It	
Tools of the Trade	20
Drawing the Lines	22
Building a Drawing	24
Habits to Help Development of Tool Use	
Reflective Practice	30
SPQR	32
Line and Time Budgets	34
Drawing Types for Advanced Study	
Sketching in Axonometric	46
Putting Things in Perspective	48
Placing the Diagrams on a Page	
The Exquisite Corpse	54
Collage Diagrams	56

PART II
DESIGN ACTS

Introduction	60
Mapping the Plan	62
Clarifying Public/Private	64
Delineating Service and Served	66
Demarcating Profane and Sacred	68
Relating Materials	70
Filling Walls	72
Responding to Light	74
Connecting Rooms and Paths	76
Uniting Connections	78
Aligning Edges and Centers	80
Stitching Tartans	82
Shifting Geometries	84
Overlapping Spatial Patterns	86
Engaging the Landscape	88
Resolving Geometries	90
Extracting Voids from <i>Poché</i>	92
Composing Tectonic Order	94
Reconciling Structure and Enclosure	96
Disposing Walls	98
Classifying Type: the Infill	100
Classifying Type: the Bar	102
Classifying Type: the Courtyard	104
Traversing the Section	106
Orchestrating Sequence	108
Entering the Building	110
Passing through Buildings	112
Articulating Path and Room	114
Ascending Stairs	116
Stepping with the Landscape	118
Considering Circulation	120
Compressing and Expanding Sequences	122
Walking beneath Portals	124
Moving through Layers	126
Linking Profane with Sacred	128
Interfacing Public with Private	130
Interlocking Sections	132
Carving Voids	134
Shaping the Floor	136
Reinforcing with Tectonics	138
Expanding Atria	140
Reconciling Ideal and Real	142
Sculpting Light	144

Facing the Building	146
Revealing Tartans	148
Disposing Symmetry and Asymmetry	150
Addressing Entry	152
Alternating Edges and Centers	154
Establishing and Then Breaking Order	156
Diagnosing Proportional Systems	158
Connecting Scales	160
Understanding Continuity	162
Attaching to Context	164
Harmonizing Forms	166
Arranging Mass	168
Balancing Mass	170
Subtracting Voids/Adding Figures	172
Expressing Planes	174
Weaving Structure and Enclosure	176
Viewing Layers	178
Relating Base-Middle-Top	180
Turning the Corner	182
Seeing Windows	184
Highlighting Shadows	186
Probing the Details	188
Finding Rooms within Rooms	190
Sheltering within a Room	192
Opening Doors	194
Framing Views	196
Adjusting Panels	198
Incorporating Furniture	200
Categorizing Joints	202
Expressing Connections	204
Joining Wood	206
Assembling with Third Things	208
Aligning Seams	210
Changing Material	212
Interlocking Masonry	214
Gripping the Rail	216
Grasping Knobs	218
Studying Unintended Consequences 1	220
Studying Unintended Consequences 2	222

Engaging the Context224

Orienting Oneself226

Discovering Lynch’s Elements228

Resolving Geometries230

Mediating with Shifts232

Rotating and Pivoting234

Screening Spaces236

Lining with Trees238

Layering Space240

Corresponding Solid and Void242

Highlighting Space in Fabric244

Drawing the Nolli246

Passing Laterally248

Identifying Building Types250

Emphasizing Types252

Enclosing Urban Rooms254

Informing the Street Section256

Negotiating Stairs and Ramps258

Strolling through Place260

PART III
HOLISTIC ACTS

Introduction264

Sketching Apparent Simplicity266

Representing a Layered Experience267

Conceptual Memory of Place268

Simply Complex269

Sketching Essentials270

Speculate on Systems272

A Meditative Experience273

2D to 3D274

What Makes a Place Unique275

Lines of Thought276

Visible Guidelines277

Working All over the Page278

In Focus279

Acts of Appreciation280

Self-Awareness in Drawing281

Encounters282

The Nature of Entry and Threshold283

A Holistic Journey284

Conceptual and Perceptual Drawings285

PART IV
SKETCHING IN
CONTEMPORARY PRACTICE

Introduction288

Sketching and Ideation288

Sketching and Design Development289

Sketching and Collaboration290

Sketching and Construction Documents293

Sketching and Career Paths294

Sketching and the Future296
