

6	Preface
8	How the book is structured
11	The MID system

1

Data

15 dimensions

17	1A From text to data
31	1B From data to data cube

2

Diagrammatical dimensions

41	
43	2A Quantity
59	2B Position
67	2C Relationship

3

Visual

77 dimensions

79	3A Color
87	3B Shape
97	3C Line
107	3D Pattern
115	3E Contour
123	3F Isotype

	4
	Structuring dimensions
133	
135	4A Structuring by sorting
147	4B Structuring by grouping

	5
	The variety of multidimensional visualizations
154	
156	Overview of all 80 elements
158	How the MID system works
160	Mapping four data dimensions—instructions
162	How sorting works
164	26 multidimensional visualizations

	6
	Appendix
217	
218	The authors
220	Further reading, sources, and tools
