Preface 6

Taxonomy and Systematics 8

Biology..... 12

 Metamorphosis 12

 The skin..... 13

 Anti-predator behaviour 16

 Colours, patterns and colour morphs 21

 Thermoregulation 27

 Diet 28

 Reproduction 29

 Natural habitats of tailed amphibians 40

Keeping salamanders and newts 48

 Keeping in an aquarium 48

 Keeping in a terrarium 50

 What to look out for when making a purchase 55

 Environmental conditions 55

 Population density 64

 Handling 67

 The right diet 68

Reproduction 78

 Sexing 78

 Triggers for mating 81

 Deposition and development of eggs 84

 Development of the larvae 86

 Metamorphosis 89

 Raising freshly metamorphosed tailed amphibians 90

 The right diet for terrestrial juveniles 93

Salamanders, laws and ethics 94

 Amphibian decline and keeping salamanders – a contradiction? 94

 Laws governing the keeping of newts and salamanders 100

 Individual identification and marking 104

Diseases of salamanders and newts 106

 How to recognise a sick tailed amphibian 107

Most common diseases	110
Medical care for diseased tailed amphibians	119
Species accounts of tailed amphibians (Urodela).....	120
Salamanders and newts, Salamandridae	120
<i>Calotriton asper</i> (Pyrenean Newt)	120
<i>Cynops cyanurus</i> (Blue-tailed Fire-bellied Newt)	122
<i>Cynops ensicauda</i> (Sword-tailed Newt)	123
<i>Cynops orientalis</i> (Chinese Fire-bellied Newt)	125
<i>Cynops pyrrhogaster</i> (Japanese Fire-bellied Newt)	126
<i>Euproctus platycephalus</i> (Sardinian Newt)	128
<i>Laotriton laoensis</i> (Laos Warty Newt)	130
<i>Lissotriton italicus</i> (Italian Newt)	132
<i>Lissotriton vulgaris</i> (Smooth Newt)	134
<i>Lyciasalamandra billae</i> (Bille's Salamander)	137
<i>Mertensiella caucasica</i> (Caucasian Salamander)	144
<i>Neurergus crocatus</i> (Lake Urmia Newt)	145
<i>Neurergus kaiseri</i> (Luristan Newt)	147
<i>Neurergus strauchii</i> (Anatolia Newt)	149
<i>Notophthalmus viridescens</i> (Red-spotted Newt)	151
<i>Ommatotriton ophryticus</i> (Northern Banded Newt)	153
<i>Ommatotriton vittatus</i> (Southern Banded Newt)	155
<i>Pachytriton</i> sp. (Paddle-tailed Newt)	156
<i>Paramesotriton chinensis</i> (Chinese Warty Newt)	158
<i>Pleurodeles waltl</i> (Ribbed newt)	165
<i>Salamandra atra</i> , <i>Salamandra lanzai</i> (Alpine Salamanders)	166
<i>Salamandra salamandra</i> , <i>Salamandra algira</i> , <i>Salamandra corsica</i> , <i>Salamandra infraimmaculata</i> (Fire Salamanders)	168
<i>Salamandrina perspicillata</i> , <i>Salamandrina terdigitata</i> (Spectacled Salamanders)	174
<i>Taricha granulosa</i> (Rough-skinned Newt)	175
<i>Triturus carnifex</i> (Italian Crested Newt)	178
<i>Triturus marmoratus</i> (Northern Marbled Newt)	180
<i>Tylototriton kweichowensis</i> (Guizhou Knobby Newt)	181
<i>Tylototriton shanjing</i> (Yunnan Newt, Mandarin Salamander)	184
<i>Tylototriton verrucosus</i> (Himalayan Salamander, Crocodile Newt)	185
<i>Tylototriton wenxianensis</i> (Wenxian Knobby Newt))	187
 Mole salamanders, Ambystomatidae	189
<i>Ambystoma laterale</i> (Blue-spotted Salamander)	189
<i>Ambystoma macrodactylum</i> (Long-toed Salamander)	190
<i>Ambystoma maculatum</i> (Spotted Salamander)	191
<i>Ambystoma mavortium</i> (Barred Tiger Salamander)	193

<i>Ambystoma mexicanum</i> (Axolotl)	195
<i>Ambystoma opacum</i> (Marbled Salamander)	197
Lungless salamanders, Plethodontidae	198
<i>Aneides lugubris</i> (Arboreal Salamander)	198
<i>Bolitoglossa dofleini</i> (Giant Palm Salamander, Doflein's Salamander)	200
<i>Bolitoglossa mexicana</i> (Mexican Mushroomtongue Salamander)	201
<i>Desmognathus fuscus</i> (Northern Dusky Salamander).....	203
<i>Eurycea guttolineata</i> (Three-lined Salamander)	204
<i>Gyrinophilus porphyriticus</i> (Spring Salamander)	206
<i>Hemidactylium scutatum</i> (Four-toed Salamander)	207
<i>Plethodon cinereus</i> (Red-backed Salamander)	209
<i>Pseudoeurycea cephalica</i> (Chunky False Brook Salamander)	211
<i>Pseudotriton ruber</i> (Red Salamander)	213
<i>Speleomantes imperialis</i> (Odourous Cave Salamander)	214
Asiatic salamanders, Hynobiidae	218
<i>Hynobius boulengeri</i> (Odaigahara Salamander)	218
<i>Hynobius dunni</i> (Oita or Dunn's Salamander)	219
<i>Hynobius okiensis</i> (Oki Salamander)	221
<i>Hynobius quelpaertensis</i> (Jeju or Cheju Salamander)	222
<i>Hynobius retardatus</i> (Hokkaido Salamander, Ezo Salamander)	223
<i>Pachyhynobius shangchengensis</i> (Shangcheng Stout Salamander)	225
<i>Paradactylodon mustersi</i> (Afghanistan Mountain Salamander)	226
Mudpuppies and Olms, Proteidae	228
<i>Necturus maculosus</i> (Mudpuppy)	228
<i>Proteus anguinus</i> (Olm)	230
Sirens, Sirenidae	232
<i>Pseudobranchius axanthus</i> (Southern Dwarf Siren)	232
Giant salamanders, Cryptobranchidae	234
<i>Andrias davidianus</i> (Chinese Giant Salamander)	234
Amphiumas or Congo eels, Amphiumidae	236
<i>Amphiuma tridactylum</i> (Three-toed Amphiuma)	236
Species accounts of caecilians (Gymnophiona)	238
Taylor's caecilians, Dermophiidae	238
<i>Geotrypetes seraphini</i> (Gaboon Caecilian)	238

Asian tailed caecilians, Ichthyophiidae	240
<i>Ichthyophis kohtaoensis</i> (Koh Tao Caecilian)	240
Aquatic caecilians or rubber eels, Typhlonectidae	242
<i>Typhlonectes natans</i> (Rio Cauca Caecilian, Rubber Eel)	242
Further information	244
References and further reading	246
