## THE BEETLE'S JOURNEY

Duration of tour: approx. 1 hr 15 mins (on foot)  
Distance: 6.4 km

lumbung can only flourish if each participant's way of thinking and making in the community is generous. That is what the little beetle in the tale by Verónica Gerber Bicecci does as she sets out on a documenta fifteen adventure with the sole idea of being able to tell stories and share everything she discovers with her community.

WE ARE INVITED TO: have the alert antennae and grounded gaze of an insect.
