Abstract XI

Kurzzusammenfassung.....XIII

List of Abbreviations.....XV

List of Figures.....XVII

List of Tables XIX

1 Introduction 1

1.1 Context of this Study 2

1.1.1 Local Embeddedness of Climate Change Adaptation..... 3

1.2 Objectives and Research Questions..... 6

1.3 The Case Study: Cornwall (UK) 9

1.3.1 “Think Cornwall, Think Landscape” and Regional Identity 10

1.3.2 Cornwall under a Changing Climate..... 14

1.3.3 Godrevy Headland..... 17

1.4 Structure of this Book..... 20

**2 Climate Adaptation, People-Place Relationships, and Local Actors:
Reviewing the Literature..... 23**

2.1 A Values-Based Approach to Adaptation Research 24

2.2 People-Place Relationships and Climate Change Adaptation 26

2.3 Local Actors in Climate Change Adaptation 29

2.3.1 The Role of Local Actors in Adaptive Action on the Ground.. 30

2.3.2 Experts or Locals? Transcending the Dichotomy 31

2.4 Summarising the Research Gap 33

**3 The Societal Construction of Landscapes in the Context of Climate
Change Adaptation..... 35**

3.1 Contemporary Scientific Perspectives on Landscape 37

3.1.1 ‘Natural’ vs. ‘Cultural’ Landscapes from a Constructivist
Perspective 40

3.2 Landscape and Place – Concepts with Blurred Boundaries 43

3.3 Landscape as a Commons and the Question of Access 46

3.4 Constructivist Landscape Research..... 50

3.4.1	Dimensions of Landscape Construction – Towards an Analytical Framework.....	51
3.4.2	Landscape Constructions in Contemporary Literature.....	59
3.4.3	Negotiating Landscapes	63
3.5	Summary of the Theoretical Approach.....	65
4	Research Design and Methods.....	67
4.1	Qualitative Inquiry and Research Design	67
4.1.1	Qualitative Case Study Research.....	69
4.1.2	Narratives in Qualitative Research	70
4.2	Data Collection and Analysis.....	74
4.2.1	Document Analysis, Semi-Structured and Walking Interviews	74
4.2.2	Application of Methods	77
4.2.3	The Process of Data Analysis.....	84
4.3	Summary of the Methodical Procedure	88
5	Landscape Narratives in Cornwall and their Implications for Climate Change Adaptation.....	89
5.1	Common ground: Collective Landscape Constructions.....	89
5.1.1	Coastal, rugged, beautiful: Shared Landscape Perceptions	89
5.1.2	Shared Perceptions of Landscape Change.....	92
5.2	The Official Policy Narrative.....	93
5.3	Co-Existing Landscape Narratives in Cornwall	96
5.3.1	The Human-Environment Interaction Narrative.....	96
5.3.2	The Natural Systems Narrative.....	102
5.3.3	The Visual Beauty Narrative.....	108
5.3.4	The Functional Landscape Narrative	113
5.3.5	Individual Ways of Relating to the Landscape.....	117
5.4	The Narratives' Implications for Climate Change Adaptation.....	119
5.4.1	The Broader Context of Climate Adaptation in Cornwall.....	119
5.4.2	Differing Perspectives on Climate Change Adaptation.....	121
5.5	Preliminary Conclusions.....	128
6	Coastal Erosion at Godrevy – Adaptation in the Context of Local Debates	131
6.1	The Actor Constellation at Godrevy.....	135
6.2	Normative Considerations: Landscape Narratives at Godrevy.....	139

6.2.1	Godrevy as Human-Environment Interaction	140
6.2.2	Godrevy as Natural Systems	145
6.2.3	Godrevy as a Functional Landscape	150
6.2.4	Individual Relationships with the Godrevy Landscape	151
6.3	Practical Considerations	156
6.3.1	Access to the Landscape: For whom and how?	156
6.3.2	Land Management and Ownership Structures	162
6.4	Mapping it out: The Different Perspectives on Physical-Material Relocation at Godrevy	165
6.5	Preliminary Conclusions.....	175
7	Discussion of Results	177
7.1	Climate Adaptation, Place Attachment, and Regional Identity	177
7.2	Distinct Adaptation Approaches Grounded in the Landscape	181
7.2.1	What is Landscape?	184
7.2.2	The Human-Nature Relationship and Climate Change.....	185
7.2.3	Foci on Communities, Wildlife, Aesthetics, and Efficiency... ..	188
7.3	Between Professional and Personal Perspectives: Three Tensions	190
7.4	Adaptation as a Societal Negotiation Process.....	194
7.4.1	Coastal Erosion as a Spark for Landscape (Re-)Negotiation.. ..	194
7.4.2	The Critical Question: Access to the Landscape?.....	198
7.4.3	A Place-Based Framework for Local Climate Adaptation	201
7.5	Critical Reflection of the Research Process.....	204
8	Conclusions	207
8.1	Key Findings	207
8.2	Contributions of this Study	210
8.3	Avenues for Future Research.....	214
	References	219
	Appendices	241
	Appendix 1: Impression of Cornwall's Landscapes	241
	Appendix 2: List of analysed documents (alphabetical).....	242
	Appendix 3: Overview of Interviewees (field phases 1 and 2).....	243

Appendix 4: Interview guide – field phase 1 (mid-Cornwall).....	245
Appendix 5: Interview guide – field phase 2 (Godrevy).....	247
Appendix 6: Post-interview notes (walking interviews at Godrevy).....	250
Appendix 7: Overview of coding in interview analyses	251
Appendix 8: List of interviewees and narratives they follow.....	253
