PART ONE

AFRICAN AMERICAN STUDIES: THE DISCIPLINE

1. Introduction to African American Studies 3

 Introduction 4

 Forty-Five Years of African American Studies: 1969–2016. 11

 What Is the Purpose of African American Studies? 17

 Mission of African American Studies. 19

 Objectives of African American Studies. 20

 African American Studies and Its Social-Community Responsibility 20

 Why Study African and African American Studies? 21

 What Can You Do with a Degree in African American Studies? 22

 The Concept of the Discipline of African American Studies 22

 The Development of African American Studies Core Curricula. 23

 Basic Competencies for African American Studies. 25

 Theoretical and Methodological Approaches to Research in African American Studies 25

 Theory and Theory Building in the Discipline. 26

 Methods and Methodologies in African American Studies. 28

 Research Methods in African American Studies. 29

African American Studies: New Challenges and Future Directions 30

Traditional Disciplines and the Foundation of Black Studies 43

African American Studies and Other Academic Disciplines 45

African American Studies Concepts and Disciplinary Terminologies 47

Questions/Assignments, Activities, and Research Projects 53

Early Pioneers and Contributors of African American Studies 56

Founding Scholars of African American Studies 56

African American Studies Scholars with Ph.D. in the Discipline 57

PART TWO

AFRICAN AMERICAN STUDIES: ITS DIMENSIONS

2. African American History. 89

 The African Antecedent. 89

 Introduction 90

 What Is African American History?. 92

 Goals of African American History 93

 Major Fields of African American History 93

 Periods of African American History 96

 Summary and Current Trends 102

 African American History: Concepts and Terms 103

 Prominent African American Historians 107

 Contemporary African American Historians 112

 Questions/Assignments, Activities and Research Projects. 122

3. African American Literature. 127

 The African Antecedents 127

 Introduction 128

 What Is African American Literature? 130

 Goals of African American Literature 130

 Major Genres of African American Literature 131

 Perspectives of African American Literature. 133

 Summary and Current Trends 135

 African American Literature and Literary Terminologies 136

 African American Literary Figures 140

 Questions/Assignments, Activities and Research Projects. 166

4. African American Anthropology. 171

 The African Antecedent. 171

 Introduction 172

 What Is African American Anthropology? 173

 The Goals of African American Anthropology. 173

 Major Fields of African American Anthropology 173

 Perspectives of African American Anthropology 177

 Selected Theoretical Approaches in Anthropology 180

 Summary and Current Trends 180

 Key Concepts and African American Anthropological Terminologies 181

 African American Anthropologists. 184

 Questions/Assignments, Activities and Research Projects. 196

5. African American Sociology 202

 The African Antecedent. 202

 Introduction 204

 What Is African American Sociology? 204

 The Goals of African American Sociology 205

 The Perspective of Black Sociology 205

 The Black Sociologists 207

 Conceptual Models in African American Sociology 207

 Brief History of African American Sociology 208

 Major Fields of African American Sociology 209

 Selected Topics and Content of African American Sociology 210

 Summary and Current Trends 226

 Key Concepts and African American Sociological Terminologies. 227

 African American Sociologists 232

 Questions/Assignments, Activities and Research Projects. 242

6. African American Psychology 251

 The African Antecedent. 251

 Introduction 253

 What Is African American Psychology? 253

 Perspectives from Black Psychology 254

 The Goals of African American Psychology 255

 Conceptualizing African (Black) Psychology 256

 The Social/Cultural Context of Psychologically Healthy Black Adults 257

 Major Fields of African American Psychology 259

 Perspectives and Content of African American Psychology 261

 Theories of Black Personality and Identity. 262

 Summary and Current Trends 264

 Key Concepts and Terms of African American Psychology 264

 African American Psychologists 268

 Questions/Assignments, Activities, and Research Projects 276

7. African American Religion 282

 The African Antecedent. 282

 Introduction 284

 African American Religious Organizations 285

 What Is African American Religion? 286

 The Goals of African American Religion 287

 Functions and Purposes of African American Religions 287

 Major African American Religious Denominations 288

 Major Fields of African American Religion 289

 Perspectives of African American Religion 290

 Key Concepts and Religious Terminologies 293

 Historical Personalities in African American Religion 296

 African American Theologians. 299

 Pioneers of African American Religion 301

 Mega Church Pastors 303

 The New Wave of Mega Churches. 304

 African American Television Preachers. 306

 Questions/Assignments, Activities and Research Projects. 307

8. African American Philosophy..... 315

 The African Antecedent..... 315

 Introduction..... 318

 What Is African American Philosophy?..... 319

 Goals of African American Philosophy..... 319

 Major Fields of African American Philosophy..... 320

 Brief History of African American Philosophy..... 322

 Perspectives and Theories of African American Philosophy..... 324

 Summary and Current Trends..... 325

 Key Concepts and Philosophical Terminologies..... 326

 Biographies of Selected African American Philosophers..... 331

 Questions/Assignments, Activities, and Research Projects..... 340

9. African American Political Science..... 347

 The African Antecedent..... 347

 Introduction..... 349

 What Is African American Political Science?..... 350

 The Goals of African American Political Science..... 350

 Major Fields of African American Political Science..... 351

 Perspectives and Content of African American Political Science..... 353

 Summary and Current Trends..... 355

 Key Concepts and Political Science Terminologies..... 356

 African American Political Scientists..... 360

 African American Political Activists..... 369

 Questions/Assignments, Activities, and Research Projects..... 379

10. African American Economics..... 385

 The African Antecedent..... 385

 Introduction..... 387

 What Is African American Economics?..... 387

 The Goals of African American Economics..... 387

 Major Fields of African American Economics..... 388

 Contents and Perspectives of African American Economics..... 389

 Summary and Current Trends..... 403

 African American Economics Concepts and Terminologies..... 405

 African American Economists..... 409

 African American Entrepreneurs..... 412

 African American CEOs..... 414

 African American Women on Corporate Boards..... 415

 Questions/Assignments, Activities and Research Projects..... 416

11. African American Music..... 422

 The African Antecedent..... 422

 Introduction..... 423

 What Is African American Music?..... 424

 Major Genres of African American Music..... 424

 Perspectives of African American Music..... 427

 Summary and Current Trends..... 429

 African American Music Terminologies..... 431

 Contributors to African American Music..... 433

 Notable African American Gospel Artists..... 433

Notable African American Blues and Soul Artists 435

Notable African American Jazz Artists 437

Notable African American Rhythm and Blues Artists 444

Notable African American Hip-Hop Artists 453

Notable African American Classical Musicians 462

Notable African American Musical Producers 463

African American Ethnomusicologists 464

Questions/Assignments, Activities, and Research Projects 465

12. African American Dance 473

 The African Antecedent 473

 Introduction 474

 What Is African American Dance? 475

 The Goals of African American Dance 475

 Major Genres of African American Dance 476

 Popular African American Dances 477

 Perspectives and Content of African American Dance 481

 Summary and Current Trends 482

 Key Concepts and Dance Terminologies 483

 African American Dance Masters and Choreographers 485

 Questions/Assignments, Activities, and Research Projects 491

13. African American Art 496

 The African Antecedent 496

 Introduction 498

 What Is African American Art? 498

 The Goals of African American Art 499

 Major Forms of African American Art 499

 Perspectives Relevant to African American Art 501

 Selected African American Art Concepts and Terms 502

 Notable Works of African American Artists 504

 Recent African American Artists and Photographers 504

 Summary and Current Trends 507

 African American Painters 508

 African American Photographers 516

 African American Illustrators 518

 African American Cartoonists 518

 African American Sculptors 519

 African American Quilters 522

 African American Muralist and Other Artists 523

 Questions/Assignments, Activities and Research Projects 524

14. African American Film 529

 The African Antecedent 529

 Introduction 529

 What Is African American Film? 530

 The Goals of African American Film 530

 Major Genres of African American Film 531

 A Brief History of African American Film 532

 Contemporary African American Film 533

 Summary and Current Trends 534

Selected African Americans Film Terms 535

African American Actors 538

African American Directors and Filmmakers 548

Questions/Assignments, Activities, and Research Projects 554

15. African American Education 561

 The African Antecedent. 561

 Introduction 562

 What Is African American Education?. 564

 Goals of African American Education 564

 Major Fields of African American Education. 565

 Perspectives of African American Education 566

 Summary and Current Trends 573

 Key Concepts and Terms of African American Education 575

 Contributors to African American Education 578

 Question/Assignments, Activities, and Research Project 585

16. African American Science and Technology 591

 The African Antecedent. 591

 Introduction 596

 What Is African American Science and Technology? 597

 Goals of African American Science and Technology 598

 Major Fields of African American Science and Technology 598

 Summary and Current Trends 601

 Science and Technology Key Concepts and Terminologies. 601

 African American Scientists. 603

 Engineers, Mathematicians, Physicians, Scientists, and Inventors 603

 Questions/Assignments, Activities, and Research Projects 617

17. African American Sports. 622

 The African Antecedents 622

 Introduction 623

 History of African American Sports. 623

 Major Fields of African American Sports and African American Athletes. 626

 Notable Black Tennis Players. 626

 Notable Black Horse Racing Jockeys 628

 Notable Black Race Car Drivers 629

 Notable African American Swimmers 631

 Notable African American Martial Artist. 633

 Notable Black Baseball Players. 634

 Notable Black Basketball Players 637

 Notable Black Boxers 641

 Notable Black NFL Football Players 645

 Notable Black Track and Field Athletes 649

 Notable Black Golf Legends 652

 Notable Black Ice Hockey Players 655

 Notable Black Gymnasts 657

 Questions/Assignments, Activities, and Research Projects 659

Index. 665
