

Contents

1	Introduction	1
1.1	Motivation, Problem, and Objective of Research	1
1.2	Research Questions (RQs)	5
1.3	Structure and Classification of Research	6
1.4	Contribution to the Field of Research	8
2	Current State of Research	11
2.1	Methodology and Systematic Literature Review (SLR)	13
2.2	Assumptions	48
3	Evaluation and Selection of Existing Cultural Taxonomies	59
3.1	Evaluation of Cultural Taxonomies	61
3.2	The Resulting Cultural Taxonomies	90
4	Introduction to the Synthesis of the Universal Dimensions of Culture (UDCs)	93
4.1	Premises and Analysis Protocol	93
4.2	Special Report on the Remaining Synthesis Dimension	99
4.3	Overview of the Eight Universal Dimensions of Culture (UDCs)	104
5	The Environment—One Connecting Concept?	111
5.1	Synthesis of the Universal Dimension of Culture (UDC) Distribution of Power and Status	111
5.2	Synthesis of the Universal Dimension of Culture (UDC) Relationship with the Natural Environment	122
5.3	Synthesis of the Universal Dimension of Culture (UDC) Social Organization	131

5.4	Delimitation Between the Concepts of Distribution of Power and Status and Social Organization	145
5.5	Delimitation Between the Concepts of Social Environment and Relationship with the Natural Environment	147
5.6	Results of the Syntheses	149
6	Time—One Connecting Concept?	161
6.1	Synthesis of the Universal Dimension of Culture (UDC) Perception and Use of Time	161
6.2	Synthesis of the Universal Dimension of Culture (UDC) Traditionalism versus Secularism	170
6.3	Synthesis of the Universal Dimension of Culture (UDC) Uncertainty Avoidance and Coping Mechanisms	179
6.4	Delimitation Between the Concepts of Uncertainty Avoidance and Relationship with the (Natural) Environment ...	189
6.5	Delimitation Between the Concepts of Perception and Use of Time and Traditionalism versus Secularism	193
6.6	Results of the Syntheses	195
7	Human Behavior—One Connecting Concept?	209
7.1	Synthesis of the Universal Dimension of Culture (UDC) Human Orientation	209
7.2	Synthesis of the Universal Dimension of Culture (UDC) Gratification and Expression of Emotions, Feelings, and Desires	215
7.3	Results of the Syntheses	224
8	Questionnaire for the Eight Universal Dimensions of Culture (UDCs)	233
8.1	Process and Methodology of Questionnaire Development	236
8.2	Pre-Test of the UDC Questionnaire	237
8.3	A Country Study for Brazil, Canada, and Germany	297
9	Conclusion	325
9.1	Implications	325
9.2	Limitations of Research	330
9.3	Outlook	332
