Foreword <i>William Christie Shaw</i>	xi
Tribute to Professors William Christie Shaw and Gunvor Semb <i>Peter A. Mossey and Om P. Kharbanda</i>	xiii
Foreword <i>A. F. Markus</i>	xv
Preface	xvii
Acknowledgment	xix
Contributors	xxi
 Section I: Nomenclature, Embryology, Epidemiology, and Classification	
1. Overview of Cleft Lip and Palate Deformity <i>Om P. Kharbanda</i>	2
2. Embryological Development of Orofacial Clefts <i>Peter A. Mossey and Om P. Kharbanda</i>	9
3. Etiology of Orofacial Clefts <i>Peter A. Mossey</i>	19
4. Epidemiology of Orofacial Clefts <i>Peter A. Mossey</i>	29
5. Delhi Birth Defects Registry and Epidemiology <i>Shobhna Gupta and Harish Chellani</i>	36
6. Classification of Orofacial Clefts <i>Karthik Sennimalai, Om P. Kharbanda, and Aditya Talwar</i>	40
 Section II: Standards of Cleft Care	
7. Intercenter Studies on Cleft Care and Their Implications <i>Om P. Kharbanda and Karthik Sennimalai</i>	56
8. Management Matrix of Cleft Lip and Palate <i>Om P. Kharbanda</i>	68
 Section III: Management Approach During the First Year of the Postnatal Period	
9. History Taking and Clinical Assessment of a Newborn with a Cleft Lip and Palate <i>Karthik Sennimalai and Maneesh Singhal</i>	78
10. Feeding and Nutrition for Infants with Cleft Anomaly <i>Shobhna Gupta</i>	91
11. Presurgical Infant Orthopaedics and Nasoalveolar Molding <i>Nitika Monga, Om P. Kharbanda, Heemanshu Dave, and Glen Roberson</i>	101
12. Primary Repair of Cleft Deformity <i>Syed Altaf Hussain and Charanya Vijayakumar</i>	118

Section IV: Preschool Years and Around

- | | | |
|-----|--|-----|
| 13. | Speech and Communication Disorders Related to Cleft Lip and Palate Deformity
<i>Savitha V. H., Prashansa Chauhan, and Anubhooti Nagar</i> | 128 |
| 14. | Otologic and Audiologic Concerns in Cleft Lip and Palate Patients
<i>Prasanna Kumar Saravanam</i> | 149 |
| 15. | Prevention and Management of Dental Caries in a Cleft Child
<i>Kalpana Bansal</i> | 161 |
| 16. | Craniofacial Growth in Patients with Unoperated and Operated Cleft Deformities
<i>Om P. Kharbanda and Karthik Sennimalai</i> | 167 |
| 17. | Obstructive Sleep-Disordered Breathing in Patients with Orofacial Clefts
<i>Ashok Kumar Jena and Om P. Kharbanda</i> | 190 |

Section V: History and Essential Records

- | | | |
|-----|---|-----|
| 18. | Recording History and Clinical Assessment of Previously Operated Cleft Patients
<i>Om P. Kharbanda and Karthik Sennimalai</i> | 202 |
| 19. | Guidelines for Record Taking in Cleft Patients
<i>Om P. Kharbanda and Karthik Sennimalai</i> | 216 |
| 20. | Three-Dimensional Surface Imaging of the Face in Patients with Cleft Lip and Palate
<i>Mette A. R. Kuijpers, Sander Brons, and Anne Marie Kuijpers-Jagtman</i> | 225 |

Section VI: Comprehensive Orthodontics

- | | | |
|-----|---|-----|
| 21. | Diagnostic and Therapeutic Approach to Developing Class III Malocclusion in Operated Cleft Subjects
<i>Karthik Sennimalai and Om P. Kharbanda</i> | 234 |
| 22. | Orthodontic and Surgical Perspectives of Secondary Alveolar Bone Grafting
<i>Nitika Monga, Shivangi Saha, Shashank Chauhan, Maneesh Singhal, and Om P. Kharbanda</i> | 270 |
| 23. | Cleft Lip and Alveolus
<i>Om P. Kharbanda</i> | 287 |
| 24. | Camouflage Orthodontic Management of Unilateral Cleft Lip and Palate
<i>Om P. Kharbanda</i> | 307 |
| 25. | Orthodontic Management in Complete Bilateral Cleft Lip and Palate
<i>Om P. Kharbanda</i> | 339 |
| 26. | Complex Orthodontics and Interdisciplinary Treatment
<i>Om P. Kharbanda</i> | 371 |
| 27. | Special Considerations for Retention and Stability after Cleft Orthodontics
<i>Om P. Kharbanda and Karthik Sennimalai</i> | 391 |

Section VII: Surgical Management of Skeletal Dysplasia

- | | | |
|-----|--|-----|
| 28. | Principles and Techniques of Distraction Osteogenesis in Cleft Lip and Palate Patients
<i>Ajoy Roychoudhury, Anson Jose, and Ongkila Bhutia</i> | 400 |
| 29. | Orthognathic Surgery in Cleft Patients
<i>Srinivas Gosla Reddy and Ishan Singh</i> | 423 |

Section VIII: Rehabilitation and Counselling

- | | | |
|-----|--|-----|
| 30. | Aesthetic and Corrective Surgeries for Secondary Cleft Deformities
<i>Syed Altaf Hussain and Charanya Vijayakumar</i> | 432 |
| 31. | Role of Prosthodontist in Functional and Aesthetic Rehabilitation of Occlusion in Cleft Lip and Palate Subjects
<i>Dheeraj Kumar Koli and Om P. Kharbanda</i> | 439 |
| 32. | Psychosocial Aspects and Psychological Counseling in Cleft Subjects
<i>Rajesh Sagar and Anamika Sahu</i> | 451 |

Section IX: Current Trends in Three-Dimensional Technology in Cleft Care

- | | | |
|-----|---|-----|
| 33. | Three-Dimensional Imaging and Printing Applications in Presurgical Infant Orthopaedics
<i>Gajanan Shanbhag</i> | 464 |
| 34. | Ethical Consideration in Clinical Orthodontics and Cleft Research
<i>Suvashis Dash and Shivangi Saha</i> | 472 |

Section X: Resources for Patients and Cleft Care Professionals

- | | | |
|-------|---|-----|
| 35. | Cleft Fellowship Programs Worldwide
<i>Shailendra Singh Rana and Om P. Kharbanda</i> | 480 |
| 36. | Charity Organizations and Support Groups for Cleft Lip and Palate
<i>Shailendra Singh Rana and Om P. Kharbanda</i> | 485 |
| Index | | 489 |
