| <b>CHAPTER 1</b> | <b>Context: Germany in 1914</b>   | <b>1</b>  |
| <b>CHAPTER 2</b> | <b>The challenges facing the Weimar Republic 1918–23</b>                | <b>4</b>  |
| 1                | The collapse of the imperial regime of Kaiser Wilhelm II                | 4         |
| 2                | The Treaty of Versailles and its impact on Germany                      | 7         |
| 3                | The Weimar constitution   | 11        |
| 4                | Challenges to Weimar from the left and right                            | 15        |
| 5                | The emergence of the National Socialist German Workers' Party           | 21        |
| 6                | The economic crisis   | 25        |
| 7                | The occupation of the Ruhr  | 27        |
| 8                | Key debate: What was the nature of the German Revolution?               | 30        |
| <b>CHAPTER 3</b> | <b>Foreign and economic policy 1924–9</b>                               | <b>33</b> |
| 1                | The appointment of Gustav Stresemann as chancellor                      | 34        |
| 2                | Was there an economic recovery under Stresemann?                        | 35        |
| 3                | Attempts to aid German economic recovery: the Dawes Plan and Young Plan | 38        |
| 4                | Foreign policy under Gustav Stresemann                                  | 42        |
| 5                | Key debate: How far did Germany recover in the years 1924–9?            | 49        |
| <b>CHAPTER 4</b> | <b>The changing fortunes of the Nazi Party 1924–33</b>                  | <b>52</b> |
| 1                | The recovery of the Nazi Party in the 1920s                             | 53        |
| 2                | The strength of the Nazi Party by 1929                                  | 57        |
| 3                | The changing fortunes of the Nazis by 1932                              | 58        |
| 4                | The reasons for growing support for the Nazi Party                      | 60        |
| 5                | Key debate: Who voted for the Nazis?                                    | 65        |
| <b>CHAPTER 5</b> | <b>The crisis of the Weimar Republic 1929–33</b>                        | <b>69</b> |
| 1                | The impact of the Great Depression                                      | 70        |
| 2                | The Brüning government and presidential rule                            | 73        |
| 3                | The roles of Hindenburg, Papen and Schleicher                           | 76        |
| 4                | The collapse of Weimar democracy  | 80        |
| 5                | Political intrigue and Hitler's appointment as chancellor               | 82        |
| 6                | Key debate: Was the creation of a Nazi dictatorship inevitable?         | 84        |
|                  | <b>Question practice: AS level</b>                                      | <b>87</b> |
| <b>CHAPTER 6</b> | <b>Developments in Nazi control of Germany after 1933</b>               | <b>96</b> |
| 1                | Hitler's consolidation of power 1933–4                                  | 96        |
| 2                | Propaganda  | 104       |
| 3                | Indoctrination and terror   | 108       |
| 4                | The Nazi political system   | 111       |
| 5                | Was Hitler a totalitarian dictator?                                     | 116       |

|                  |   |            |
|------------------|---|------------|
| <b>6</b>         | Support for the regime                                      | 118        |
| <b>7</b>         | Opposition and resistance                                   | 120        |
| <b>CHAPTER 7</b> | <b>Nazi racial, social and religious policies 1933–45</b>   | <b>125</b> |
| <b>1</b>         | Nazi racial ideology  | 126        |
