Introduction	5
Material and methods	5
Terminology	5
Abbreviations	6
Measurements	6
The dentition of <i>H. mexicanus</i> TAYLOR & CASTRO-AGUIRRE, 1972 and <i>H. quoyi</i> (FRÉMENVILLE, 1840)	7
<i>H. mexicanus</i> TAYLOR & CASTRO-AGUIRRE, 1972	7
Dentition of a neonate male <i>H. mexicanus</i> , TL 20 cm	7
The symphyseal tooth	7
The intermediate tooth.....	8
The medio-lateral tooth	8
Dentition of a aged male <i>H. mexicanus</i> , TL 65.7 cm.....	10
The symphyseal tooth	10
The intermediate tooth.....	10
The first medio lateral tooth.....	11
The second medio-lateral tooth.....	12
The postero-lateral tooth.....	12
The posterior tooth	14
<i>Heterodontus quoyi</i> (FRÉMENVILLE, 1840)	14
Dentition of a juvenile male <i>H. quoyi</i> , TL 31.0 cm	14
The symphyseal tooth	14
The intermediate tooth.....	14
The medio-lateral tooth	15
The postero-lateral tooth.....	16
Dentition of an adult male <i>H. quoyi</i> , TL 53.5 cm	16
The symphyseal tooth	16
The intermediate tooth.....	18
The medio-lateral tooth	18
The postero-lateral tooth.....	20
The posterior tooth	20
<i>H. quoyi</i> : DNA sequence, dental formulas and measurements	21
Analysis of the dental morphology of <i>H. mexicanus</i> and <i>H. quoyi</i>	22
Discussion	28
Earlier studies on recent <i>Heterodontus</i> BLAINVILLE 1816.....	28
Remarks on earlier studies	29
Conclusions	30
