

1	Introduction	1
1.1	Relevance	1
1.2	Research Gaps	2
1.3	Objectives and Contributions	6
1.4	Structure	9
2	Foundations of Artificial Intelligence and Conversational Agents	13
2.1	Artificial Intelligence	13
2.1.1	Definition of Artificial Intelligence	13
2.1.2	Historical Development	15
2.1.3	Levels of (Artificial) Intelligence	16
2.2	Conversational Agents	20
2.2.1	Definition of Conversational Agents	20
2.2.2	Communication Channels	21
2.2.3	Chatbots as Text-based Conversational Agents	23
2.2.4	Emotions in Text-based Communication	27
3	Emotions and Their Relevance for Service Research	31
3.1	Emotions	31
3.2	Emotional Contagion	33
3.2.1	Definition of Emotional Contagion	33
3.2.2	Perceived Authenticity of Displayed Emotions	41
3.2.3	Empathy	43
4	Overview of Current Literature	49

5	Conceptual Developments and Empirical Investigations	55
5.1	Overview	55
5.2	Study 1: Facial Reactions to Displayed Emotions (Laboratory Experiment)	57
5.2.1	Conceptual Development	57
5.2.2	Research Objectives and Setting	60
5.2.3	Experimental Design	61
5.2.4	Procedure	65
5.2.5	Measures	67
5.2.6	Participants	68
5.2.7	Results	68
5.2.8	Discussion	69
5.3	Study 2: Mediating Role of Customer Positive Affect (Video-based Stimuli)	70
5.3.1	Conceptual Development	70
5.3.2	Research Objectives and Setting	72
5.3.3	Experimental Design	73
5.3.4	Procedure	75
5.3.5	Measures	76
5.3.6	Participants	79
5.3.7	Results	80
5.3.8	Discussion	91
5.4	Study 3: Mediating Role of Customer Positive Affect (Real Chatbot)	92
5.4.1	Research Objectives and Setting	92
5.4.2	Experimental Design	93
5.4.3	Procedure	93
5.4.4	Participants	94
5.4.5	Results	94
5.4.6	Discussion	103
5.5	Study 4: Empathy Toward Chatbots and Personality-dependent Susceptibility	104
5.5.1	Conceptual Development	104
5.5.2	Research Objectives and Setting	108
5.5.3	Experimental Design	109
5.5.4	Procedure	109
5.5.5	Measures	109
5.5.6	Participants	111
5.5.7	Results	112

5.5.8	Discussion	124
5.6	Study 5: Effect of Avatars on Anthropomorphic Behavior	
	Toward Chatbots	125
5.6.1	Conceptual Development	125
5.6.2	Research Objectives and Setting	128
5.6.3	Experimental Design	128
5.6.4	Procedure	130
5.6.5	Participants	130
5.6.6	Results	131
5.6.7	Discussion	154
5.7	Study 6: Emotional Contagion in Service Recovery	
	Encounters	156
5.7.1	Conceptual Development	156
5.7.2	Research Objectives and Setting	159
5.7.3	Experimental Design	160
5.7.4	Procedure	161
5.7.5	Measures	161
5.7.6	Participants	163
5.7.7	Results	163
5.7.8	Discussion	174
6	General Discussion	177
7	Implications and Limitations	181
7.1	Theoretical Implications	181
7.2	Practical Implications	189
7.3	Limitations and Directions for Future Research	194
7.4	Management Summary	198
