

TABLE OF CONTENTS

Report of the Scientific Secretary. Peter J. Coughtrey / 1

Overview of the NATO/SCOPE-RADTEST Advanced Research Workshop in Barnaul, Siberia. V. I. Kiselev and E. V. Zaitsev / 17

Chronological List of Nuclear Tests at the Semipalatinsk Test Site and Their Radiation Effects. A. M. Matuschenko, G. A. Tsytkov, A. K. Chernyshov, Y. V. Dubasov, G. A. Krasilov, V. A. Logachev, S. G. Smagulov, Y. S. Tsaturov, and S. A. Zelentsov / 89

On the Possibility of Identifying Nuclear-Explosion Radioactive Patterns and Reconstructing Population-Exposure Doses Using the Analysis of Long-Lived Radionuclides. Y. A. Izrael, E. D. Stukin, and Y. S. Tsaturov / 99

Estimation of the Altai Region Population Exposure Resulting from the Nuclear Tests at the Semipalatinsk Test Site. V. I. Djachenko, M. N. Gabbasov, V. I. Kiselev, A. A. Lagutin, V. M. Loborev, A. S. Markovtsev, J. N. Shoikhet, V. V. Sudakov, N. M. Volobuyev, and V. I. Zelenov / 107

Basis of the Retrospective Reconstruction Method for Parameters Determining Internal Irradiation Along the Trace Following a Nuclear Explosion. K. I. Gordeev, V. I. Kiselev, A. N. Lebedev, M. N. Savkin, and J. N. Shoikhet / 133

Initial Approaches to the Establishment of a Russian Data Bank on Nuclear Explosions and Compatibility with Similar Foreign Data Banks. Y. A. Izrael, B. I. Ognev, A. G. Ryaboshapko, and E. D. Stukin / 149

Estimation of Long-Term Consequences of Nuclear Tests at the Semipalatinsk Test Site for the Altai Population. J. N. Shoikhet, A. I. Algazin, V. I. Kiselev, E. V. Zaitsev, V. B. Kolyado, V. A. Shevchenko, and V. K. Shumny / 157

List of Workshop Presentations / 187

List of Participants / 191
