The bat is black.

The pumpkin is orange.

The witch is purple.

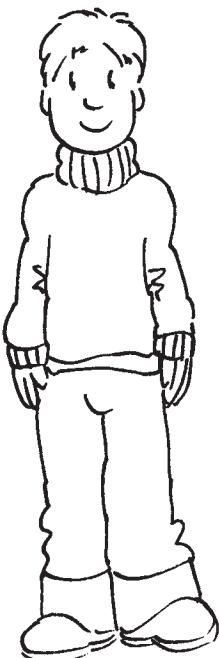

The sweets are red, green, orange, pink and purple.

► **Go to your teacher.**

Geh zu deiner Lehrerin/deinem Lehrer und hole dir eine Englandkarte.

Towns in Great Britain

Das ist Jack. Er hat schon viele britische Städte besucht.

Dein Lehrer/deine Lehrerin wird dir einen Text vorlesen, in dem du erfährst, in welchen Städten er war. Markiere sie auf deiner Englandkarte.

!! Hinweis für die Lehrkraft !!

- Geben Sie jedem Kind eine Kartenskizze zum Betrachten (s. Kopiervorlage S. 118).
- Sprechen Sie alle Städte, die auf der Karte eingezeichnet sind, deutlich vor.
- Lassen Sie die Schülergruppe die Städtenamen nachsprechen.
- Lesen Sie den folgenden Text langsam vor und geben Sie den Schülern Zeit, um die Städte zu finden und zu markieren.

Jack was born in Liverpool, the hometown of the Beatles. At the age of six he had to move to Nottingham because his father got a job there. Every year the whole family went on holiday to a seaside resort. One year they went to Brighton. Jack loved to build sandcastles on the beach. Another year they went to Bournemouth. Jack's sister Sue loved the beautiful flowers there. Sue is a biology student in Cambridge now. Jack visits her from time to time. Last year he went to Manchester with some friends to watch a football match. Manchester United is a very good team. A month ago he went sightseeing to London. He liked the Egyptian mummies at the British Museum best.
